WARNER'S PATENT SUCTION, FORCING, AND ANTI-FREEZING PUMP,

Has taken the Premium of the N. Y. State Fair, and the Silver Medal and Premium of the American Institute. Also of the Franklin Institute of Philadelphia, and the Silver Medal of the Maryland Institute, 1851.

ALL of which will fully justify the following statement:

First—That it is the best, most simple and durable Pump in use.

Secondly—That, with the same power, it will raise more water per minute than any other Pump in use.

Thirdly—It is anti freezing, and requires little or no repairs.

For a House and Fire Engine it is not equalled by any; one man can draw from a well and throw water over a three story house, or by attaching pipe can force water throughout the largest buildings, for Baths and other uses; for a Garden Engine, washing windows, carriages, &c., it is particularly applicable.

R. E. SELLERS' VERMIFUGE,

FOR EXPELLING WORMS

FROM THE HUMAN SYSTEM

This Worm Medicine has no superior—if an equal—in this or any other country.—

It is much used and highly recommended by Physicians.

The following certificates prove it to be better than any ever offered to the American people:

THE TRUTH BY MEN OF TRUTH.

Concerning Seller's Vermifuge. A single vial producing wonders. Read the following from the Rev. S. Wakefield, Pastor of the Liberty street Methodist Episcopal Church.

PITTSBURGH, March 8, 1847.

Mr. R. E. Sellers:—It is from a sense of duty, as well as with great pleasure, that I bear testimony to the virtue of your justly celebrated Vermifuge. I procured a single bottle and gave it to three of my children, who had been ill for several weeks. The eldest was seven years old, the next four, and the youngest eighteen months. The first passed fifty-six worms, the second forty-seven, and the third a considerable number, not distinctly recollected. Since then they have been doing well, and are now in good health. Yours respectfully,

S. WAKEFIELD.

GREENVILLE, Va., Jan. 15, 1845.

Mr. R. E. Sellers:—Your vermifuge gives universal Satisfaction. I have sold *Fahnestock's, McLane's*, and others; but none has given the satisfaction that yours has.

B. F. GRAHAM, Postmaster.

All the Vermifuge manufacturers of the country are challenged to procure stronger testimony than the following:

UNION TOWNSHIP, Washington Co., Pa.

Mr. R. E. Sellers:—Dear Sir—One teaspoonful of your Vermifuge was given to a child of Mr. Bradbury, about twenty months old, and the single dose expelled the enormous quantity of 234 worms in about four hours from the time of taking the dose.

BENJAMIN LYTLE.

WARRENTON, Jefferson Co., O., Nov. 25, 1844.

Mr. R. E. Sellers:—This is to certify that I purchased of Thomas Shannon, Esq., one bottle of your celebrated Vermifuge, and gave it to my little son, who was then five years old, which took from him one hundred and eighty-six worms of a very large size. I believe your Vermifuge to be the best worm medicine for children that the world ever produced. I would therefore call upon all parents who have children afflicted with worms to give it fair trial.

JOSEPH MCCLEARY,
Justice of the Peace.

SELLERS' VERMIFUGE THE BEST IN THE WORLD.

Attention is asked to the following statement of a graduated physician:

GALLIPOLIS, April 1, 1845.

This certifies that I have kept on hand, and used in my practice, R. E. SELLERS' VERMIFUGE, for the two past years. I am confident in saying that it has not failed, in a single instance, to relieve children and adults troubled with worms; in many instances it has brought away large quantities. I am very confident it is the best worm medicine in use. All that is required to give it reputation in any family is to give it a fair trial.

Joseph K. Stapleton's TESTIMONY.

One of the oldest and most highly respected Citizens of Baltimore.

GREATER WEIGHT OF TESTIMONY CANNOT BE GIVEN.

Baltimore, Sept. 13, 1851.

Gentlemen—After a full and satisfactory trial of the medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recommended me to use as a relief for the debility and general prostration of my system, the result of taking three bottles of this wonderful compound has, I am pleased to say, resulted in a restoration of strength, a keen appetite, and an activity of body, which I have not enjoyed for a long time. So satisfied am I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have stamped the *infallibility of the Tincture.* In my own case, I am satisfied that your advice to me to give it a trial has, under the blessings of a kind Providence, resulted in the restoration of health, for which I am truly thankful. Respectfully,

JOSEPH K. STAPLETON,
198 W. Baltimore st.

Messrs. Mortimer & Mowbray, Baltimore.

The World cannot produce better in favor of any other Medicine.

REV. VERNON ESKRIDGE, U. S. N.

Portsmouth, Va., Aug. 18, 1851.

Mr J. E. Boush—Dear Sir: While I am in general opposed to Patent Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

I am respectfully yours,
VERNON ESKRIDGE,
Chaplain U. S. Navy.

Still another witness for "Hampton's Vegetable Tincture."

This certificate is from one of the largest and most enterprising farmers—the owner of those splendid oxen exhibited at the late Agricultural Fair, and who, in *person*, done the ploughing, with the same that took the premium. We mention this, as before Mr. Thorne took the Tincture his condition was such as to despair of even visiting the fair, much less taking such a laborious part as he did, to the astonishment of those who had seen him a short time before.

BALTIMORE, Feb. 4, 1852.

Messrs. Mortimer & Mowbray, Gents—Having been afflicted with Chronic Inflammatory Rheumatism for some time, in its worst form, I tried every remedy that came within my reach, without any success; in fact, my sufferings increased with every new remedy I tried until I was scarcely able to walk, from the dreadful pains and swellings in my limbs. I had also an ulcer formed on my right wrist which gave me intense pain.

When in this condition, Mr. Scott, Conductor on the Susquehanna Railroad, with several others, called my attention to the many wonderful cures made by Hampton's Vegetable Tincture. I determined to give it a trial as a last resort. You well remember my sufferings at the time I got the Tincture from you—they were almost past endurance. I am happy now to inform you, that in a short time after taking it, I was relieved from pain, and could walk without difficulty, and in about four weeks I was enabled to take part in the ploughing match at our late Agricultural Fair. The ulcer on my wrist is now entirely cured, and I am in the enjoyment of the very best health, with no symptoms of my old disease. All of which I feel bound to say, I owe to the great healing and restorative powers of Hampton's Vegetable Tincture.

My great confidence in it has induced me to recommend it to others, and I have also seen its good effects in a number of cases. My little daughter, who had been in bad health for some time, no medicine seemed to reach her case, or to do her any good, until I gave her this Tincture of Hampton's, which soon restored her to robust health. I do therefore cheerfully bear my testimony in favor of this valuable medicine, and I wish you to send me a dozen bottles, that I may always have it at hand.

Yours, Respectfully,
ELISHA P. HORNE,

Wonderful Cure of HEREDITARY SCROFULA *by Hampton's Vegetable Tincture.*

This certificate is from the pen of a gentleman whose name appears on the journal of Congress, one who is extensively and favorably known:

It affords me pleasure to state that Dr. Jesse Hampton's Tincture has affected a most extraordinary cure of my slave boy Albert. The patient was three years old, and had the Scrofula—(his father was scrofulous.) The boy was a moving mass of sores from head to foot—the upper lids of the eyes were much swollen, and turned inside out, exhibiting horrible matterating ulcers that protruded over the eye-balls so as to produce blindness. It is strange, yet true, this child, that I felt resigned to see die as a relief from suffering, has been restored to health under the treatment of Dr. Hampton.

BALTIMORE, Feb. 9, 1852.

Messrs. Mortimer & Mowbray—Gentlemen: It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious cough. I was advised to take Cod Liver Oil, and did so, but getting no better I was induced to try your Tincture—I got one bottle, and before I had used it all, my cough had left me. Permit me also to state that for the last fifteen years I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am fully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, at liberty to use this as you may think proper, and believe me,

Yours, very respectfully, G. DUNAN.

N. B.—I can be seen at any time at the Mayor's office. G. D.

This is the testimony of thousands who have used this wonderful Tincture—Rheumatism, Cough, Dyspeysia, Nervous debility, Scrofula, &c.—all other diseases from impure blood are cured by it. Call and get a pamphlet gratis, and see what it has done for the human family.
