VALUABLE FARM
Situated in the Bayside Neck of Talbot County, for Sale.

THE subscriber offers for sale that valuable Farm in the Bayside Neck, situated on the Eastern Bay about seven miles from St. Michaels, on the road leading to Haddaway's Ferry, known as the farm of the late Mrs. C. L. Edmondson, and on which Charles McDaniel at present resides.

This Farm contains about **THREE HUNDRED ACRES,** and is divided into two equal portions by the public road. It will be sold in two divisions. The one of which, situated on the Eastern Bay, contains the arable land, and on it are the Buildings. It has been improved by the application of large quantities of Lime, and is entirely enclosed with Chesnut fences. This division has sufficient Timber for farm use and is of itself a most valuable and desirable Farm.

The other division runs within a hundred yards of Harris's Creek, on which there is a good Landing, and is heavily covered with Oak, Yellow Pine, and Chestnut Timber, and would afford to a purchaser sufficient valuable Timber near navigable water, to pay for the purchase of a fine farm.

It is seldom so valuable land is offered for sale, and it is worthy the attention of persons wishing to make a purchase in one of the most improved sections of Talbot County.

Persons wishing to purchase either of these valuable divisions of the above described Farm can see a plat of the same in the hands of JNO. R. PLATER, of Easton, Md., from whom information can be had of the terms of sale, and satisfaction given as to the title, &c.

Sale of Valuable Lands
IN DORCHESTER CO., MD.

BY authority of a Decree of the High Court of Chancery, I will as trustee, offer for public sale at Bradshaw's Hotel, in Cambridge,

On TUESDAY, 20th of July next,

at half past 2 o'clock P. M., all those valuable lands belonging to the late Thomas F. Eccleston. The said lands, at present are divided into three farms and two lots. They will be sold seperately or all as one tract, to suit purchasers. Farms No. 1 and 2 contains about

150 ACRES EACH.

No. 3 contains about **300** ACRES. Each of the farms has good buildings—lot No. 3 having been the residence of the late proprietor, has every improvement on it, which could be desired.

The farms are within five miles of Cambridge, and four miles of a good landing on the Choptank river. The soil is of the very best character and susceptible of the highest improvement. There are good proportions of wood and meadow lands—the fields are well watered.—The locations are very healthy. The above tract contains

725 Acres more or less.

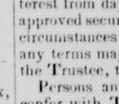

The terms prescribed by the decree, are one fourth of the purchase money to be paid in cash, or on the ratification of the sale, at the option of the Trustee; the balance in equal instalments of one, two and three years, bearing interest from day of sale, secured by bonds with approved security or surities. But such are the circumstances attending this sale—that almost any terms may be effected, by agreement with the Trustee, that any purchaser may desire.

Persons anxious to purchase are desired to confer with Thos. I. H. Eccleston, or to visit the property and judge for themselves. Messrs Barnett and Willey, tenants on the farms will give all desired information.

MARRIAGE,
HAPPINESS AND COMPETENCE.

WHY IS IT?

That we behold many females, scarce in the meridian of life broken in health and spirits with a complication of diseases and ailments, depriving them of the power for the enjoyment of life at an age when physical health, buoyancy of spirits, and happy serenity of mind, arising from a condition of health, should be predominant.

Many of the *causes* of her sufferings at first—perhaps years before, perhaps during girlhood, or the first years of marriage—were in their origin so light as to pass unnoticed, and of course neglected.

IN AFTER YEARS,

When too late to be benefitted by our knowledge, we look back and mourn, and regret the full consequences of our ignorance.

What would we not often give to possess, in early life, the knowledge we obtain in after years? And what days and nights of anguish we might not have been spared, if the knowledge was timely possessed. It is

MELANCHOLY AND STARTLING

To behold the sickness and suffering endured by many a wife for many years, from causes simple and controllable, easily remedied—or better still,—not incurred, if every

WIFE AND MOTHER

Possessed the information contained in a little volume, (with in the reach of all) which would spare to herself

YEARS OF MISERY,

And to her husband the constant toil and anxiety of mind, necessarily devolving upon him from sickness of the wife, without giving him the opportunity of acquiring that competence which his exertions are entitled, and the possession of which would secure the happiness of himself, wife, and children.

SECURE THE MEANS OF HAPPINESS

By becoming in time possessed of the knowledge, the want of which has caused the sickness and poverty of thousands.

In view of such consequences, no wife or mother is excusable if she neglect to avail herself of that knowledge in respect to herself, which would spare her much suffering, be the means of happiness and prosperity to her husband, and confer upon her children that blessing above all price—healthy bodies, with healthy minds. That knowledge is contained in a little work entitled

SURPRIZING OR WONDERFUL,

Considering that EVERY FEMALE, WHETHER MARRIED OR NOT, can here acquire a full knowledge of the nature, character and causes of her complaints, with the various symptoms, and that nearly

should have been sold.

It is impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married, or those contemplating marriages, but no female desirous of enjoying health, and that beauty, consequent upon health, which is so conducive to her own happiness, and that of her husband, but either has or will obtain it, as has or will every husband who has the love and affection of his wife at heart, or that of his own pecuniary improvement.
