Sale of Poplar Island.

THE undersigned as Agent and Attorney for Charles Carroll, Esq., will offer at public sale, at the Front Door of the Court House, in the town of Easton, on

TUESDAY, 24th of AUGUST INST., between the hours of 2 and 5 o'clock P. M. of that day, that celebrated property, commonly known by the name of

"POPLAR ISLAND."

This Island is beautifully situated in Eastern Chesapeake Bay, about one mile from the main. It contains the quantity of

743 Acres, 2 Roods, 31 Perches

of Land, by a careful survey just made by Samuel Chamberlaine, Esq. Any further description of this Island is deemed unnecessary, as it is presumed persons desiring to purchase will visit it. The land has always been regarded as fertile—the resources for manure abundant—Sea-weed, Shells and Marsh, abounding upon it. It has been neglected for many years past but could speedily be restored to its original value by proper management. This Island offers great inducements for the planting or bedding of Oysters, and a profitable trade therein. All the luxuries of salt water, of course, abound.—

The Mansion House was burned down some few years since.—There are still three Houses upon the Island. This property will be sold in four parcels, to wit:

The first called "Coaches' or Caches' Neck," being a detached Island of itself, containing **161 Acres, 3 Roods & 15 Perches,** will be offered separately. The portion of the main Island whereon the mansion stood, containing 250 ACRES, 3 Roods of land will be offered as another farm. The residue of the main Island containing 291 ACRES, 2 Roods, 28 Perches of Land, will be offered as another farm. The little Island, known as "FAULKNER'S ISLAND," containing 36 ACRES, 1 Rood, 28 Perches, will be offered separately. There is fine TIMBER on this Island and a full portion attached to each subdivision.—

There are **182 Acres of Timber Land,** attached to the third named division, which is of the first quality.

An accurate Plot of the whole Island and subdivisions will be exhibited on the day of sale.

TERMS.—A moderate cash payment will be required on the day of sale; for residue, terms made accommodating to good purchasers. If large cash payment be made, mortgage on the Land for balance of purchase money will be taken. Particulars of Terms made known on day of sale. SAM. HAMBLETON.

VALUABLE FARM

Situated in the Bayside Neck of Talbot County, for Sale.

THE subscriber offers for sale that valuable Farm in the Bayside Neck, situated on the Eastern Bay about seven miles from St. Michaels, on the road leading to Haddaway's Ferry, known as the farm of the late Mrs. C. L. Edmondson, and on which Charles McDaniel at present resides.

This Farm contains about **THREE HUNDRED ACRES,** and is divided into two equal portions by the public road. It will be sold in two divisions. The one of

which, situated on the Eastern Bay, contains the arable land, and on it are the Buildings. It has been improved by the application of large quantities of Lime, and is entirely enclosed with Chesnut fences. This division has sufficient Timber for farm use and is of itself a most valuable and desirable Farm.

The other division runs within a hundred yards of Harris's Creek, on which there is a good Landing, and is heavily covered with

Oak, Yellow Pine, and Chestnut Timber, and would afford to a purchaser sufficient valuable Timber near navigable water, to pay for the purchase of a fine farm.

It is seldom so valuable land is offered for sale, and it is worthy the attention of persons wishing to make a purchase in one of the most improved sections of Talbot County.

Persons wishing to purchase either of these valuable divisions of the above described Farm can see a plat of the same in the hands of JNO. R. PLATER, of Easton, Md., from whom information can be had of the terms of sale, and satisfaction given as to the title, &c.

june 5—tf C. M. PLATER.

The above farms will be offered at Public Sale on *TUESDAY, the 14th of September next*, between the hours of 2 and 4 o'clock P. M., when a plot, from a recent survey by Samuel Chamberlaine, Esq., will be exhibited.—Terms made known on day of sale.

MARENGO FOR SALE.

THE President, Directors and Company of the Farmer's Bank of Maryland at Easton, will sell without reserve at Public Auction in front of the Court House in the town of Easton, Talbot County, on

TUESDAY, the 24th day of August proximo, between the hours of 2 and 5 o'clock P. M., a very desirable farm well known as **MARENGO,** the former residence of Jacob Gibson, Esq.

The farm is beautifully situated on the waters of St. Michaels River and Hunting Creek, in Miles River Neck, Talbot County, and contains

275 ACRES, 1 R. & 38 P.'S,

more or less, as per survey made by Sam'l. Chamberlaine, Esq., in August last. A correct Plat may be seen by calling at the Bank.

The land is now in fine heart, and is susceptible of the highest state of fertility.

All the luxuries of the Salt Water are readily commanded.

The buildings are not very good. The family Mansion was burned down a few years since, but the fine old trees and Shrubbery remain in full vigor, where the Mansion formerly stood.

There is a sufficiency of **WOOD & TIMBER.** The farm is enclosed by a very short line of fencing. The title is unquestionable.

TERMS.—Five hundred dollars cash, and for the residue, accommodating terms can be made with the Bank.

Notice to Tax-Payers of Talbot Co.

THE subscriber, Collector of County and State Taxes for 1852, takes this method to inform those indebted that he has contracted to collect the taxes for less than half the sum heretofore paid. This is a saving, and consequently an advantage to taxpayers, and for this benefit to them he expects a return in the speedy payment of all taxes due. The small compensation will not justify him in making numberless calls at private houses, and he confidently expects persons to search him up. He has and can have agreeably to his engagement with the County, no deputies; he therefore gives this full warning and caution. The law will necessarily be enforced against those who unreasonably delay the payment of their taxes

He will be at St. Michaels on the 13th and 14th August, again on the 27th and 28th, and so continue, at two weeks intervals. He may be found at the store of Rd. H. Adams, from 7 o'clock A. M., to 7 o'clock P. M., when at St. Michaels, who is fully author zed to receive any payment during the absence of the undersigned.

He will be at Easton every Tuesday, and may be found at the office of Thos. J. Clark at the Court House.

He will be at his residence at the Trappe when not elsewhere engaged in collecting.

Those indebted for State Tax would do well to remember that a deduction of five per cent. will be made on all sums paid before the 1st of September, four per cent. on all sums paid before the 1st of October, and three per cent. on all sums paid before the 1st of November.

HAPPINESS AND COMPETENCE.

WHY IS IT?

That we behold many females, scarce in the meridian of life broken in health and spirits with a complication of diseases and ailments, depriving them of the power for the enjoyment of life at an age when physical health, buoyancy of spirits, and happy serenity of mind, arising from a condition of health, should be predominant.

Many of the *causes* of her sufferings at first—perhaps years before, perhaps during girlhood, or the first years of marriage—were in their origin so light as to pass unnoticed, and of course neglected.

IN AFTER YEARS,

When too late to be benefitted by our knowledge, we look back and mourn, and regret the full consequences of our ignorance.

What would we not often give to possess, in early life, the knowledge we obtain in after years? And what days and nights of anguish we might not have been spared, if the knowledge was timely possessed. It is

MELANCHOLY AND STARTLING

To behold the sickness and suffering endured by many a wife for many years, from causes simple and controllable, easily remedied—or better still,—not incurred, if every

WIFE AND MOTHER

Possessed the information contained in a little volume, (with in the reach of all) which would spare to herself

YEARS OF MISERY,

And to her husband the constant toil and anxiety of mind, necessarily devolving upon him from sickness of the wife, without giving him the opportunity of acquiring that competence which his exertions are entitled, and the possession of which would secure the happiness of himself, wife, and children.

SECURE THE MEANS OF HAPPINESS

By becoming in time possessed of the knowledge, the want of which has caused the sickness and poverty of thousands. In view of such consequences, no wife or mother is excusable if she neglect to avail herself of that knowledge in respect to herself, which would spare her much suffering, be the means of happiness and prosperity to her husband, and confer upon her children that blessing above all price—healthy bodies, with healthy minds. That knowledge is contained in a little work entitled
