## TEMPERANCE MEETING.

ST. MICHAELS, Sept. 17, 1852.

According to notice a meeting was held in the M. E. Church, for the purpose of appointing delegates to a general temperance convention, to be held in the city of Baltimore on the 27th October next, and also to consult on the best means for furthering the temperance reformation, when, on motion, Dr. James Dawson was called to the chair, and Wrightson Jones appointed Secretary. The meeting was then opened with prayer by the Rev. Mr. Gregg.

A committee consisting of three, viz: Messrs. N. Harrington, Dr. Wm. Jones and E. Willey, were appointed to nominate delegates to said convention and report to the meeting immediately.

While the above committee were preparing their report, the Rev. Mr. Massey offered the following resolutions, viz:

Resolved, That we have reason to thank God for the good that has been effected by temperance organizations and moral suasion, and that we will diligently persevere in the use of these means for promoting the temperance cause

Resolved, That the triumph of the cause cannot be complete while the law sanctions and authorizes the sale of intoxicating liquors as a beverage.

Resolved, That we will unite with our fellow citizens, in seeking a law prohibiting the traffic.

The above resolutions were enforced in an eloquent manner by the Rev. Messrs. Massey, Newman, and Layton—liquor sellers, liquor drinkers, and the Honorable Senate of Maryland, each getting their due portion of withering rebuke and sarcasm. The resolutions were then adopted.

The committee to nominate delegates having come in, reported the names of the following gentlemen, who were, on motion, elected as delegates, viz: James A. Massey, J. D. Long, Dr James Dawson, Wm. H. Fairbank, Wrightson Jones, Leo's Dodson, Jos Gregg, Jos. Bruff, Spedden Orem, Hugh Valliant, J. W. Kemp, H. F. Byrne, A. C. C Thompson, James Benson, J. Harper, J. Dunning, J. L. Sears, J. B. Harrington, Daniel Leonard and James Valliant.

On motion, any seven of the above named gentlemen should form a committee to make such arrangements as might be necessary to carry into effect their appointment and also to fill any vacancy that might occur.

The Secretary was then directed to have the above proceedings published in each of the county papers.

W. JONES, Secretary.

N. B. Any gentleman named as a delegate who cannot serve, will please inform the Secretary of the fact, that his place may be filled. [Star please copy]

BALTIMORE, Sept. 30, 1852

*Messrs. Editors:*—A few days since I, together, I suppose, with other persons, received a circular letter from Hon Daniel Jenifer, in which he expressed a determination not to support Gen. Scott. Why this letter was written—for what purpose—for whose particular benefit it was written, I do not know, and cannot tell. But I do say, that on the 31st July, 1852, the Hon. Daniel Jenifer, riding with me in my carriage from Charlotte Hall to a Whig meeting, to be held at Leonardtown, St. Mary's county, did say that in the present contest he could not, and would not separate from his whig friends, and I say further, that the Hon. Daniel Jenifer, in the strongest and most emphatic manner, condemned the course of the Hon. William D. Merrick, who said that he could not support Gen Scott in the present contest, but that he would vote for me alone as one of the electors on the Whig ticket

What change has come over the spirit of the honorable gentleman's dreams, I do not know, but I undertake to say, that it has been very sudden, and that it is a matter of no importance in the Congressional district I represent. A R SOLLERS.

*Balt. Patriot.*

The Springfield (Ohio) Republic states that Pat. Kelly, a son of the "Green Isle of the ocean," who has lately renounced Locofocoism, and joined the ranks of Old Chippewa, was to address the people of Springfield on Wednesday evening, September 15th, at the city Hall. He has for years been prominent among the so called Democracy of Montgomery county, but has learned that that the Locofoco Democracy is spurious and anti American.

We also perceive that Robert Lucas, of Illinois, formerly Governor of Ohio, has come out, under his own signature for Scott and Graham. He has voted for every Democratic candidate for President from Jefferson to Cass inclusive, and was President of the Democratic National Convention in 1832.

We also learn from a reliable source that the Hon. Thos R Ross, of Lebanon, Ohio, formerly a prominent member of the Democratic party in Congress, has come out on the side of Scott, Graham, and American interests, and says that many reliable Democrats will go with him.

WHAT THEY DO IN THE WEST.—The Detroit Tribune says that at a Scott Club, formed this week, near Detroit, twenty-three Democrats, who had up to that time gone for the Democratic ticket, came boldly forward and registered their names among its list of members, and declared their unalterable determination to vote for the hero of Lundy's Lane, and to do all in their power to promote his election. And further, that three of the most prominent Democrats in the State (General Williams, Col. O'Callan and Maj. Kearsly) are officers of the Detroit Scott Club.

ATTEMPT TO ASSASSINATE LOUIS NAPOLEON.—A letter from Paris by the Africa, says "an attempt was made three days ago to assassinate Louis Napoleon, on his way from St. Cloud. A man fired a musket shot at him from a trench on the route, and the ball grazed his left shoulder. Seeing that he failed in his attempt, the assassin immediately blew out his own brains. The journals have been prohibited from speaking of the matter."—*N. Y. Com.*

CANADA FOR PIERCE.—The Inspector General of Canada, in his speech on reciprocity, dilated on the prospects of General Pierce, and declared that if he be elected President, the prospect of obtaining reciprocity will be enhanced wonderfully!—*The Democratic party*, the speaker added, *is most favorable to foreign interests;* and on that ground he desired the success of General Pierce.

It is plain that if the coming election depended upon the influences of Britain or her colonies, Pierce would be the successful candidate. But the American people are not prepared to give up the right of suffrage in this instance, or even to exercise it with a view solely to promote British interests. The anxiety of the London *Times* and of the Canadian minister is natural, nevertheless.

ONE HUNDRED AND THIRTY-TWO GERMAN COME-OUTERS.—The Volks Blatt, a Democratic German paper, publishes the manifesto of 132 German Democrats of the Eleventh Ward, who have formed an anti-Miami Club, and declare over their own signatures, that disgusted with the heartlessness and dishonesty of those who have heretofore been their party leaders, and satisfied that so long as Locofocoism exists in its present form they have nothing to hope from it, they will, at the coming election, vote the whole Whig ticket!—*Cincinnati Atlas, 19th inst.*

SCOTT IN INDIANA.—The Piqua Courier says that we had a conversation with a gentleman from one of the upper Wabash counties in Indiana in reference to the Presidential election. He informs us that in the county in which he resides (which is Locofoco by a small majority,) as far as he is acquainted, Scott will get very nearly all the votes of both parties. To use his own expression "it is all a one-sided business" there. He says that the Locofoco candidate is scarcely ever named in his vicinity; Scott, and Scott alone, is all the Presidential candidate they talk of—all the one that will be voted for to any extent.

A LONG SPEECH.—The Hon. J. M Botts lately occupied five hours in the delivery of a political speech—two hours and a half in the forenoon, and the same length of time in the afternoon.

### STABLER'S
## DIARRHŒA CORDIAL

IS a pleasant Mixture, compounded in agreement with rules of Pharmacy, of theraputic agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA, and similar affections of the system. In its action, it ALLAYS NAUSEA and produces a healthy action of the LIVER, thus removing the cause at the same time that it cures the disease.

Opinion of Doct. JOHN ADDISON, Physician to the Baltimore Southern Dispensary.

Having made trial of your "Diarrhœa Cordial," and being also acquainted with the ingredients of which it is composed, it gives me much pleasure in adding my testimony to that of others in favor of its EXTRAORDINARY EFFICACY in the cure of "Diarrhœa and Summer Complaint in children and adults."

*STABLER'S ANODYNE CHERRY*
**Expectorant**

Is confidently recommended to Invalids, as UNSURPASSED by any known preparation, for the cure of COUGHS, HOARSENESS, and other forms of Common Colds; BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an Early Stage, and for the RELIEF of the Patient even in advanced stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its *soothing* and *tonic* qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases.

A number of the most respectable Physicians, to whom we communicated a knowledge of the constituents of these Medicines, have been pleased to favor us with their opinions, (some of them in writing,) that they are the best remedies they have ever been acquainted with for the cure of the diseases for which they are recommended.

*OPINION OF DR. S. B. MARTIN,*

One of the most experienced of the faculty in this City, and long celebrated for his successful practice.

Gentlemen—I have carefully examined the component parts of your Diarrhœa Cordial, as well as your Anodyne Cherry Expectorant, and find them *both* valuable compounds; the doses are safe and consistent with medical practice, and I do not hesitate to recommend them. Your friend, &c.

S. B. MARTIN, M. D.

Baltimore, June, 1852.

Certificate from Doct. J. ADDISON, Physician to the Baltimore Southern Dispensary.

Having been made acquainted with the ingredients which enter into the composition of your "Anodyne Cherry Expectorant," and having also made trial of its virtues, I have no hesitation in recommending it to the confidence and patronage of the public, as a most VALUABLE medicine in the treatment of the various diseases for which it is intended.

JOHN ADDISON, M. D.

We beg leave, as convincing evidence of the highly valuable properties of the above named medicines, to refer to the annexed complimentary notice from sixteen of the most respectable Apothecaries and Pharmaceutists in the City of Baltimore, whom we have appointed our agents, and who have the several articles for sale.

The subscribers, Apothecaries, and Pharmaceutists in the City of Baltimore, are satisfied that the preparations known as *Stabler's Anodyne Cherry Expectorant* and *Stabler's Diarrhœa Cordial*, are medicines of great value, and very efficient for the relief and cure of the diseases for which they are recommended; they bear the evidences of skill and care in their preparation and style of putting up, and we take pleasure in recommending them to our customers.

*STABLER'S DR. CHAPMAN'S*
**Worm Mixture.**

*Prepared from a Receipt invented by DR. JOHN CHAPMAN, a member of the ROYAL COLLEGE OF SURGEONS OF LONDON. A remedy more effectual than this is not known.*

Many (perhaps one-half) of the diseases from which children suffer are occasioned by the presence of Worms in the system; and if neglected, give rise to the most uncomfortable and irritating feelings, violent pains, sickness at the stomach, emaciation and frequently to vomiting.

This medicine is an efficient, safe and pleasant remedy for their extermination; it contains all the virtues of the most approved vermifuges and although it has been before the public for several years, it has never been known to fail in effecting a complete cure.

Extract of a letter received from S. S. FORTE, M. D., member of the Royal College of Surgeons, London.

*To E. H. Stabler & Co.* Oct. 20, 1851.

Gentlemen—I some time last year, by accident, got hold of a few bottles of your Stabler's Dr. Chapman's Worm Mixture and used it in my practice with such unequalled success as induced me to send for 50 dozen. * *

I last month ordered, through the same gentlemen, 100 dozen. * * * You can ship me 50 dozen every three months from date of receipt of this, and draw for the amount, &c. &c.

Numerous certificates of cures of the most aggravated cases of disease could be readily append hereto, but we feel assured that they would add but little to the strong and respectable evidence here given by persons competent to judge of the merits of the remedial agents.

### Notice to Tax-Payers of Talbot Co.

THE subscriber, Collector of County and State Taxes for 1852, takes this method to inform those indebted that he has contracted to collect the taxes for less than half the sum heretofore paid. This is a saving, and consequently an advantage to taxpayers, and for this benefit to them he expects a return in the speedy payment of all taxes due. The small compensation will not justify him in making numberless calls at private houses, and he confidently expects persons to search him up. He has and can have agreeably to his engagement with the County, no deputies; he therefore gives this full warning and caution. The law will necessarily be enforced against those who unreasonably delay the payment of their taxes.

He will be at St. Michaels on the 13th and 14th August, again on the 27th and 28th, and so continue, at two weeks intervals. He may be found at the store of Rd. H. Adams, from 7 o'clock A. M., to 7 o'clock P. M., when at St. Michaels, who is fully authorzed to receive any payment during the absence of the undersigned.

He will be at Easton every Tuesday, and may be found at the office of Thos. J. Clark at the Court House.

He will be at his residence at the Trappe when not elsewhere engaged in collecting.

Those indebted for State Tax would do well to remember that a deduction of five per cent. will be made on all sums paid before the 1st of September, four per cent. on all sums paid before the 1st of October, and three per cent. on all sums paid before the 1st of November.

THE Seventh Annual session of St. Mary's, will commence on the first Monday (6th) of September next.

The location is on the highest ground, and in one of the most pleasant and accessible, yet quiet sections of the city. The buildings are entirely new; built and adapted expressly for school purposes, under the superintendance of the Rector, and replete with every convenience for the comfort of the pupil. On the premises is ample room for secluded out-door exercise.

The course of instruction will be thorough; embracing the requisites of an English and ornamental education, combined with the moral training, without which, all else is valueless. The best teachers, resident and visiting, will be employed; and no means or arrangements will be neglected for making St. Mary's a school second to none in the United States.

TERMS, $260 per year, (half in advance,) for Board and English tuition in all branches. When more than one pupil are entered from the same family, a reduction is made. Modern languages and accomplishments, extra, at Professors' charges. Pupils received at any time and charged proportionately. Circulars containing the fullest information will be sent on application to the Rector, Baltimore.
