"Come let us Reason Together."

ORAL TESTIMONY.

THOUSANDS feel it a duty to talk to their afflicted friends of the benefit derived from HAMPTON'S VEGETABLE TINCTURE. From day to day we have given the certificates of cures performed on our best-known citizens, and still we have a perfect avalanche of letters pouring in upon us—all, all giving a weight of testimony that must convince the most skeptical. All are invited to call and read for themselves. The letter below is from one of the first mercantile firms.—To those who know them, it must carry conviction, and induce many sufferers to give this Tincture a trial:

PORT ROYAL, Va., July 27, 1852.

Messrs. Mortimer & Mowbray:—Gents:—We have again to send an order for more of your truly wonderful Hampton's Vegetable Tincture. Since it was first tried it has sold without an effort, and we have not seen the first person who has not been greatly benefitted by its use. A gentleman of our neighborhood was induced to try the "Tincture" for a violent palpitation of the heart. He had suffered so much from it that he said he had prayed for death. He had taken but three doses when he assured us he would not take five hundred dollars for the benefit he had derived, and that he should never cease to remember us with gratitude for calling his attention to so valuable a medicine.

Yours, truly, GRAY & PENDLETON.

The Whole World, Attention—Hear him, ye sick, and do likewise!!

Baltimore, Feb. 9, 1852.

Messrs. Mortimer & Mowbray:—Gentlemen: It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Sometime during last November I was taken with a very bad and serious cough. I was advised to take Cod Liver Oil, and did so, but getting no better I was induced to try your Tincture.—I got one bottle, and before I had used it all my cough had left me. Permit me also to state that for the last fifteen years I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am fully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, at liberty to use this as you may think proper, and believe me,

Yours, very respectfully, G. DUNAN.

N. B.—I can be seen at any time at the Mayor's office. G. D.

THE ALMOST MIRACULOUS CURES made by Hampton's Vegetable Tincture on our most respectable citizens—men well known and tried—we challenge the world to show anything on record in medicine to equal it.—*Many hundreds who have felt its healing powers bear the same testimony.*

BALTIMORE, July 6, 1852.

Messrs. Mortimer & Mowbray—Gents: Last September I was attacked with erysipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told me was bilious pleurisy, which left me with a constant, deeply seated, and painful cough, having no rest day or night, and constantly throwing up from my lungs a thick matter. I became much emaciated, growing weaker every day, and keeping my bed the greater part of the time. My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend advised me to try DR. HAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved; and and now, having taken but *two* bottles, my *cough* and *pains have entirely left me,* and I am enabled to attend to business. I can truly say that, with the blessings of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine. Yours,

WESLEY ROCK,
Schroeder, near Saratoga street.

Truth stranger than Fiction—None need despair!—A Lady's Testimony after thirty-eight years of suffering!

Were there not real virtue in this wonderful medicine, could it perform the astonishing cures made by it?

NORTHAMPTON, Co., April 13, 1852.

Messrs. Tyler & Adair:—I have been afflicted with Rheumatism, at times, from my twelfth year; I will be fifty years of age the 18th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, side, back, and hips; I could not rest, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to try HAMPTON'S VEGETABLE TINCTURE; before I had taken one of which I felt much better, and as I continued taking it I felt strength coming into my back and limbs, and my stomach strengthened and revived every way; I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequalled.

Yours,
ELIZABETH BAGWELL.

REV. VERNON ESKRIDGE, U. S. N.

Portsmouth, Va., Aug. 18, 1851.

Mr. J. E. Boush—Dear Sir: While I am in general opposed to Patent Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

A PROCLAMATION

By the Governor of Maryland.

State of Maryland, To wit:

WHEREAS, it has been the practice of all Christian People to set apart days for *Public Thanksgiving and Prayer,* as a National testimony to the Goodness and Mercy of Divine Providence;—and whereas, it is the special duty of those, who have enjoyed His largest bounty, to manifest their gratitude and sense of dependence;—and whereas, the People of this State have been, in a most signal manner, enriched with every temporal blessing, which the heart of man can desire:—and whereas, also, in view of the unexampled happiness and prosperity, for so long a time enjoyed, by the whole American Confederacy of States, under the wise and liberal form of Government bequeathed to them by a common Ancestry, it has been deemed appropriate to set apart *Thursday, the 25th of November* next, as a day of thanksgiving for past benefits, and of prayer for the bountiful continuance of the same, throughout the Union:—

NOW, THEREFORE, I, Enoch Louis Lowe, Governor of the State of Maryland, do designate and set apart Thursday, the 25th of *November* next, as a day of thanksgiving to ALMIGHTY GOD, to be kept and observed by the People of the State of Maryland:—whom I earnestly exhort, on that day carefully to abstain from all secular employments, and to devote themselves to such religious services and exercises as are appropriate to a day of thanksgiving and prayer.

GIVEN UNDER MY HAND, AND THE GREAT SEAL OF THE STATE OF MARYLAND, this twenty-fifth day of October, in the year of our Lord, one thousand, eight hundred and fifty-two, and of the independence of the United States the seventy-seventh.
