FIRE IN CAROLINE COUNTY:—The Denton, (Md.) Journal states that, on the 19th ult., the barn of Mr. Joel Atwell, a few miles from that place, was set on fire, and consumed, together with a quantity of grain, a wheat thresher, wheat fan, and many other articles of value. The stables attached to the barn were also consumed, together with a valuable horse, for which Mr. A. had recently refused $125, and a cow. The fire also communicated to the stack-yard, destroying the provender, &c., thereon. The entire loss is estimated at $1,000—no insurance.

Altered notes on the Frederick County Bank from ones to fifties are in circulation; although they are well executed they are not calculated to deceive any who are acquainted with the one dollar plate, which is distinguished by a full length engraving of Gen. Washington and his horse on the right hand margin, and a vignette of "corn gatherers," and is entirely different from those of a larger denomination.

HON. WM. R. KING'S HEALTH.—We learn from the Republic that the health of the Vice President elect took a change for the worse on Tuesday, owing, as is supposed, to the sudden change of the weather. Mr. King is in the 72nd year of his age.

Skeptical as we all are of Patent Medicines we cannot but have faith when we meet with an article so highly recommended as STABLERS ANODYNE CHERRY EXPECTORANT of which one of our first Physicians says, "it will effect more good than any of the numerous preparations with which the country is inundated." Also their DIARRHŒA CORDIAL of which another remarks, "I have used it with the happiest effect and think it one of the most convenient and efficient preparations ever offered to our profession."

## THE ROAD TO HEALTH!

## HOLLOWAY'S PILLS,

*Cure of a disordered Liver & bad Digestion.*

*Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7, Prescot St., Liverpool, dated 6th June, 1851.*

To Professor HOLLOWAY,

SIR,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the *severity of the attack*, and the *speedy* cure, I think, speaks much in favor of your astonishing Pills. (Signed)
R. W. KIRKUS.

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMEN'S LAND

Copy of a Letter inserted in the Hobart Town Courier, of the 1st March, 1851, by Major J. Walch.

Margaret M'Connigan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs; during this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an incredible short space of time they effected a perfect cure.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.

From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement.—August 2nd, 1851.

To Professor HOLLOWAY,

SIR,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed)
