WARNER'S PATENT SUCTION, FORCING, AND ANTI-FREEZING PUMP,

Has taken the Premium of the N. Y. State Fair, and the Silver Medal and Premium of the American Institute. Also of the Franklin Institute of Philadelphia, and the Silver Medal of the Maryland Institute,
1851.

ALL of which will fully justify the following statement:

First—That it is the best, most simple and durable Pump in use.

Secondly—That with the same power, it will raise more water per minute than any other Pump in use.

Thirdly—It is anti-freezing, and requires little or no repairs.

For a House and Fire Engine it is not equalled by any; one man can draw from a well and throw water over a three story house, or by attaching pipe can force water throughout the largest buildings, for Baths and other uses; for a Garden Engine, washing windows, carriages, &c., it is particularly applicable.

$500 CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that the *Worms*, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote Worms, and you should at once apply the remedy:—

Hobensack's Worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect. Where *Bowel Complaints and Diarrhœa* have made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with *Dyspepsia*, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM.

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach, effecting the health so as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is *Tape Worm* hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfulls 3 times a day, these directions followed have never been known to fail in curing the most obstinate case of *Tape Worm*.

HOBENSACK'S LIVER PILLS.

No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every system that might indicate a wrong action of the Liver. These Pills being composed of ROOTS & PLANTS, furnished by nature to heal the sick, namely; 1st, An EXPECTORANT, which augments the secretion from the Pulmonary mucus membrane or promotes the discharge of secreted matter. 2nd, An ALTERATIVE, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd. A TONIC, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A CATHARTIC, which acts in perfect harmony with the other ingredients and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being base Imitation.

"Come let us Reason Together."

ORAL TESTIMONY.

THOUSANDS feel it a duty to talk to their afflicted friends of the benefit derived from HAMPTON'S VEGETABLE TINCTURE. From day to day we have given the certificates of cures performed on our best-known citizens, and still we have a perfect avalanche of letters pouring in upon us—all, all giving a weight of testimony that must convince the most skeptical. All are invited to call and read for themselves. The letter below is from one of the first mercantile firms.—To those who know them, it must carry conviction, and induce many sufferers to give this Tincture a trial:

PORT ROYAL, Va., July 27, 1852.

Messrs. Mortimer & Mowbray:—Gents:—We have again to send an order for more of your truly wonderful Hampton's Vegetable Tincture. Since it was first tried it has sold without an effort, and we have not seen the first person who has not been greatly benefited by its use. A gentleman of our neighborhood was induced to try the "Tincture" for a violent palpitation of the heart. He had suffered so much from it that he said he had prayed for death. He had taken but three doses when he assured us he would not take five hundred dollars for the benefit he had derived, and that he should never cease to remember us with gratitude for calling his attention to so valuable a medicine.

Yours, truly, GRAY & PENDLETON.

The Whole World, Attention—Hear him, ye sick, and do likewise!!

Baltimore, Feb. 9, 1852.

Messrs. Mortimer & Mowbray:—Gentlemen: It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Sometime during last November I was taken with a very bad and serious cough. I was advised to take Cod Liver Oil, and did so, but getting no better I was induced to try your Tincture.—I got one bottle, and before I had used it all my cough had left me. Permit me also to state that for the last fifteen years I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am fully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, at liberty to use this as you may think proper, and believe me,

Yours, very respectfully, G. DUNAN.

N. B.—I can be seen at any time at the Mayor's office. G. D.

THE ALMOST MIRACULOUS CURES made by Hampton's Vegetable Tincture on our most respectable citizens—men well known and tried—we challenge the world to show anything on record in medicine to equal it.—*Many hundreds who have felt its healing powers bear the same testimony.*

BALTIMORE, July 6, 1852.

Messrs. Mortimer & Mowbray—Gents: Last September I was attacked with erysipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told me was bilious pleurisy, which left me with a constant, deeply seated, and painful cough, having no rest day or night, and constantly throwing up from my lungs a thick matter. I became much emaciated, growing weaker every day, and keeping my bed the greater part of the time. My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend advised me to try DR. HAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved; and and now, having taken but *two* bottles, my *cough* and *pains have entirely left me*, and I am enabled to attend to business. I can truly say that, with the blessings of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine. Yours,

WESLEY ROCK,
Schroeder, near Saratoga street.

Truth stranger than Fiction—None need despair!—A Lady's Testimony after thirty-eight years of suffering!

Were there not real virtue in this wonderful medicine, could it perform the astonishing cures made by it?

NORTHAMPTON, Co., April 13, 1852.

Messrs. Tyler & Adair:—I have been afflicted with Rheumatism, at times, from my twelfth year; I will be fifty years of age the 18th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, side, back, and hips; I could not rest, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to try HAMPTON'S VEGETABLE TINCTURE; before I had taken one of which I felt much better, and as I continued taking it I felt strength coming into my back and limbs, and my stomach strengthened and revived every way; I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequalled.

Yours,
ELIZABETH BAGWELL.

REV. VERNON ESKRIDGE, U. S. N.
Portsmouth, Va., Aug 18, 1851.

Mr. J. E. Boush—Dear Sir: While I am in general opposed to Patent Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

I am, respectfully, yours,

STABLER'S ANODYNE CHERRY EXPECTORANT.

Is confidently recommended to Invalids, as UNSURPASSED by any known preparation, for the cure of COUGHS, HOARSENESS, and other forms of Common Colds; BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an Early Stage, and for the RELIEF of the Patient even in advanced stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its *soothing* and *tonic* qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases.

A number of the most respectable Physicians, to whom we communicated a knowledge of the constituents of these Medicines, have been pleased to favor us with their opinions, (some of them in writing,) that they are the best remedies they have ever been acquainted with for the cure of the diseases for which they are recommended.

OPINION OF DR. S. B. MARTIN,

One of the most experienced of the faculty in this City, and long celebrated for his successful practice.

Gentlemen—I have carefully examined the component parts of your Diarrhœa Cordial, as well as your Anodyne Cherry Expectorant, and find them *both* valuable compounds; the doses are safe and consistent with medical practice, and I do not hesitate to recommend them. Your friend, &c.

S. B. MARTIN, M. D.

Baltimore, June, 1852.

STABLER'S DIARRHŒA CORDIAL Is a pleasant Mixture, compounded in agreement with rules of Pharmacy, of theraputic agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA, and similar affections of the system. In its action, it ALLAYS NAUSEA and produces a healthy action of the LIVER, thus removing the cause at the same time that it cures the disease.

Opinion of Doct. JOHN ADDISON, Physician to the Baltimore Southern Dispensary.

Having made trial of your "Diarrhœa Cordial," and being also acquainted with the ingredients of which it is composed, it gives me much pleasure in adding my testimony to that of others in favor of its EXTRAORDINARY EFFICACY in the cure of "Diarrhœa and Summer complaint in children and adults."

With much respect, &c.

STABLER'S DR. CHAPMAN'S

Worm Mixture.

Prepared from a Receipt invented by DR. JOHN CHAPMAN, a member of the ROYAL COLLEGE OF SURGEONS OF LONDON. A remedy more effectual than this is not known.

Many (perhaps one-half) of the diseases from which children suffer are occasioned by the presence of Worms in the system; and if neglected, give rise to the most uncomfortable and irritating feelings, violent pains, sickness at the stomach, emaciation and frequently to vomiting.

This medicine is an efficient, safe and pleasant remedy for their extermination; it contains all the virtues of the most approved vermifuges and although it has been before the public for several years, it has never been known to fail in effecting a complete cure.

Extract of a letter received from S. S. FORTE, M. D., member of the Royal College of Surgeons, London.

To E. H. Stabler & Co. Oct. 29, 1851.

Gentlemen—I some time last year, by accident, got hold of a few bottles of your Stabler's Dr. Chapman's Worm Mixture and used it in my practice with such unequalled success as induced me to send for 50 dozen. * *

I last month ordered, through the same gentlemen, 100 dozen. * * * You can ship me 50 dozen every three months from date of receipt of this, and draw for the amount, &c. &c.

Numerous certificates of cures of the most aggravated cases of disease could be readily appended hereto, but we feel assured that they would add but little to the strong and respectable evidence here given by persons competent to judge of the merits of those remedial agents.

Easton Tonsorial Saloon,

One Door South of the Bank.

PHILEMON FLOYD again takes this method of informing his patrons and the public generally, that he still continues to carry on his business at the old stand one door south of the Bank. Having incurred some additional expense in refitting his saloon, he hopes the public will continue to favor him with the same liberal patronage as heretofore, as he intends to leave nothing on his part undone to please them. Gentlemen who desire to have their boots blacked, can have them done for 6¼ cents, and his *patrons* can call at the Saloon after the arrival of the Steamboats, and read the news by the latest number of the Baltimore Sun.
