GOOD MEDICINES!!

STABLER'S
Anodyne Cherry Expectorant

Is confidently recommended to Invalids, as UNSURPASSED by any known preparation, for the cure of COUGHS, HOARSENESS, and other forms of Common Colds; BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an Early Stage, and for the RELIEF of the Patient even in advanced stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its *soothing* and *tonic* qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases.

Stabler's Diarrhœa Cordial

Is a pleasant Mixture, compounded in agreement with the rules of Pharmacy, of therapeutic agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA, and similar affections of the system. In its action, it ALLAYS NAUSEA and produces a healthy condition of the LIVER, thus removing the cause at the same time that it cures the disease.

The valuable Medicines above named have recently been introduced, with the approval of a number of the MEDICAL PROFESSION in the City of Baltimore and elsewhere, and in practice have succeeded most admirably in curing the diseases for which they are prescribed.—They are offered to the Country Practioner, as medicines which he can in all respects depend upon, as prepared in agreement with the experience of some of the most learned and judicious Physicians, and strictly in conformity with the rules of Pharmacy, and as especially serving his convenience, who cannot so readily as the City Physician have his own prescription compounded by a practical Pharmaceutist.

See the descriptive Pamphlets, to be had gratis of all who have the Medicines for sale, containing recommendations from Doctors *Martin, Baltzell, Addison, Payne, Handy, Love,* &c.

Doct. S. B. MARTIN, says "I do not hesitate to recommend your *Diarrhœa Cordial* and *Anodyne Cherry Expectorant*," &c.

Doct. JOHN ADDISON, says "It gives me much pleasure to add my testimony to that of others, in favor of the *extraordinary efficacy* of your *Diarrhœa Cordial*," &c.; and of the *Expectorant*, "I have no hesitation in recommending it, as a most valuable medicine." &c.

Doct. R. A. PAYNE, says he has used the *Diarrhœa Cordial* in his practice "with the happiest effect, and thinks it one of the most convenient and efficient combinations ever offered to our profession."

Doct. L. D. HANDY, writes, "I have administered your *Anodyne Expectorant*, in several cases of Bronchial affections, with the *most happy results*, and from a knowledge of its *admirable effects*, I can with the greatest confidence recommend it," &c.

Doct. W. S. LOVE, writes to us that he has administered the *Expectorant* to his wife, who has had the *Bronchitis for fourteen years*, and that she is fast recovering from her long standing malady. It has in a few weeks done her more good than all the remedies she has heretofore used under able medical counsel.

SIXTEEN of the best APOTHECARIES and PHARMACEUTISTS in the City of Baltimore, write "We are satisfied the preparations known as *Stabler's Anodyne Cherry Expectorant* and *Stabler's Diarrhœa Cordial* are Medicines of GREAT VALUE and *very efficient* for the relief and cure of the diseases for which they are recommended, they bear the evidence of skill and care in their preparation and style of putting up, and we take pleasure in recommending them.

TWENTY SEVEN of the most respectable MERCHANTS, residents of MARYLAND, VIRGINIA and NORTH CAROLINA, who have sold and also used these medicines themselves, say, "From our own *experience* and that of our *customers*, we do confidently recommend them Pro Bono Publico. We have never known any remedies used for the diseases for which they are prescribed, to be so efficient and to give such entire satisfaction to all."

The above notices of recommendation from members of the MEDICAL FACULTY, PHARMACEUTISTS of high standing, and MERCHANTS of the first respectability, should be sufficient to satisfy all, that these medicines are worthy of trial by the afflicted, and that they are of a different stamp and class from the "Quackery" and "Cure Alls" so much imposed upon the public.

HERE IS YOUR REMEDY!

HOLLOWAY'S OINTMENT.

A most miraculous cure of Bad Legs, after 43 years' suffering.

Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.

To Professor HOLLOWAY,

SIR:—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without scam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the suffering of a fellow creature.

(Signed) WILLIAM GALPIN.

A person 70 years of age cured of a Bad Leg, of thirty years' standing.

Copy of a Letter from Mr. William Abbs, Builder of Gas Ovens, of Rusheliffe, near Huddersfield, dated May 31st, 1851.

To Professor HOLLOWAY,

Sir:—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.

(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13 Market Street, Huddersfield.

A dreadful Bad Breast cured in one Month.

Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated Dec. 13, 1850

To Professor HOLLOWAY,

Dear Sir,—My wife had suffered from bad breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FREDERICK TURNER.
