I TAKE this method of informing my customers and the public generally, that I have taken the

Blacksmith and Machine Shop

at the Farmer's Foundry in Easton, where I intend carrying on the Blacksmithing as heretofore, in all its various branches. Also, *Plows, Cultivators, Drag Harrows, Flukes,* and *Edge Tools,* made and repaired, and all kinds of country work done to order for those who may favor me with their patronage; all of which will be thankfully received and punctually attented to. All kinds of machinery repaired at short notice.

It is useless to say anything about the workmanship as this community has had a trial of my work for the last five years, and I feel confident that I can give entire satisfaction to all who may favor me with their custom. I return my grateful thanks to the public for the very liberal encouragement extended to me since I commenced business in this town, and solicit a continuance of the same, and if faithful work and moderate charges will secure their custom, it will be secured. A liberal deduction made for Cash.

Those indebted to me can save ten per cent. by cashing their accounts forthwith, as I am in need of cash to enable me the more faithfully to conduct my business.

Culpa sua damnum sentiens, non intelligitur damnum."—He who suffers by his own fault, is not to be deemed a sufferer.

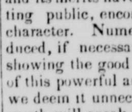

This celebrated Remedy, wherever introduced, has given the most unbounded satisfaction, and its merits have received, from a discriminating public, encomiums of the most flattering character. Numerous certificates can be produced, if necessary, from practical sources, showing the good effects accruing from the use of this powerful and never-failing Agent. But we deem it unnecessary, knowing its intrinsic worth will speak with a more convincing and acceptable language, than any other utterance which might be given to advance its sale and use. When applied in strict accordance with the directions given, the following cases have been treated with unparalleled success. Man finds in its virtues immediate relief for the many ills he is by nature heir to, viz: Rheumatism, Stiffness and Weakness of the Limbs, Sciatic or Hip Pains, Swellings, Sprains and Ulcers of year's standing, which have baffled the skill of Medical science, and the self-laudation of humbug and quackery. The Horse finds in it a healing and soothing balm, for when used as directed, a cure is certain in many of those concomitant diseases so frequently found in this invaluable beast, such as String Halts, Blood and Bone Spavin, Wind Galls, Weakness and Stiffness of the Limbs, Burns, Scratches, Old Sores, Saddle Galls, &c.. &c.

HOLLOWAY'S PILLS.

Cure of a disordered Liver & bad Digestion

Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7, Prescot St., Liverpool, dated 6th June, 1851.

To Professor HOLLOWAY,

SIR,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the *severity of the attack*, and the *speedy* cure, I think, speaks much in favor of your astonishing Pills. (Signed)

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMEN'S LAND

Copy of a Letter inserted in the Hobart Town Courier, of the 1st March, 1851, by Major J. Walch.

Margaret M'Connigan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs; during this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an incredible short space of time they effected a perfect cure.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.

From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement.—August 2nd, 1851.

To Professor HOLLOWAY,

SIR,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed)
