TICONDEROGA.

THIS celebrated and Valuable Horse, Morgan Black Hawk, owned by Franklin Felton, which was awarded the first Premium at the Maryland State Fair in 1852; also the Talbot County Fair held at Easton. Black Hawk will make a Spring season in Baltimore and Talbot counties, commencing at Easton on Thursday, the 24th of March, at Herring Run on Friday, the 1st day of April, and remain at each of the above named places one week during the season. Black Hawk was seven years old last June, has a glossy black coat of hair, with fine flowing Mane and Tail. He is a true breed, so it proves in his stock. He is a Horse so near perfection in shape, size, bottom, intelligence, kindness, speed, and stock that you cannot see where you would like him to be different. He is the best animal on trotters.

Notice to the Public.—At the earnest solicitation of many friends of this justly celebrated Morgan Stallion, the owner has been induced to let him remain in Maryland for one season more. The public's obedient servant,

It is useless to say anything about the workmanship as this community has had a trial of my work for the last five years, and I feel confident that I can give entire satisfaction to all who may favor me with their custom. I return my grateful thanks to the public for the very liberal encouragement extended to me since I commenced business in this town, and solicit a continuance of the same, and if faithful work and moderate charges will secure their custom, it will be secured. A liberal deduction made for Cash.

HIGHLY IMPORTANT INTELLIGENCE
TO THE AFFLICTED FAR & NEAR!
A Never Failing Panacea!
FOR MAN AND BEAST.

The Farmer's Friend and the Poor Man's Companion, When Disease and Afflic ion Come Upon him, Cure Guaranteed.

Culpa sua damnum sentiens, non intelligitur damnum."—He who suffers by his own fault, is not to be deemed a sufferer.

This celebrated Remedy, wherever introduced, has given the most unbounded satisfaction, and its merits have received, from a discriminating public, encomiums of the most flattering character. Numerous certificates can be produced, if necessary, from practical sources, showing the good effects accruing from the use of this powerful and never-failing Agent. But we deem it unnecessary, knowing its intrinsic worth will speak with a more convincing and acceptable language, than any other utterance which might be given to advance its sale and use. When applied in strict accordance with the directions given, the following cases have been treated with unparalleled success. Man finds in its virtues immediate relief for the many ills he is by nature heir to, viz: Rheumatism, Stiffness and Weakness of the Limbs, Sciatic or Hip Pains, Swellings, Sprains and Ulcers of year's standing, which have baffled the skill of Medical science, and the self-laudation of humbug and quackery. The Horse finds in it a healing and soothing balm, for when used as directed, a cure is certain in many of those concomitant diseases so frequently found in this invaluable beast, such as String Halts, Blood and Bone Spavin, Wind Galls, Weakness and Stiffness of the Limbs, Burns, Scratches, Old Sores, Saddle Galls, &c., &c.

HERE IS YOUR REMEDY!

HOLLOWAY'S OINTMENT.

A most miraculous cure of Bad Legs, after 43 years' suffering.

Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.

To Professor HOLLOWAY,

Sir:—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the suffering of a fellow creature.

(Signed) WILLIAM GALPIN.

A person 70 years of age cured of a Bad Leg, of thirty years' standing.

Copy of a Letter from Mr. William Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31st, 1851.

To Professor HOLLOWAY,

Sir:—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.

(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13 Market Street, Huddersfield.

A dreadful Bad Breast cured in one Month. Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated Dec. 13, 1850

To Professor HOLLOWAY,

Dear Sir,—My wife had suffered from bad breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FREDERICK TURNER.
