TICONDEROGA.

THIS celebrated and Valuable Horse, Morgan Black Hawk, owned by Franklin Felton, which was awarded the first Premium at the Maryland State Fair in 1852; also the Talbot County Fair held at Easton. Black Hawk will make a Spring season in Baltimore and Talbot counties, commencing at Easton on Thursday, the 24th of March, at Herring Run on Friday, the 1st day of April, and remain at each of the above named places one week during the season. Black Hawk was seven years old last June, has a glossy black coat of hair, with fine flowing Mane and Tail. He is a true breed, so it proves in his stock. He is a Horse so near perfection in shape, size, bottom, intelligence, kindness, speed, and stock that you cannot see where you would like him to be different. He is the best animal on trotters.

Notice to the Public.—At the earnest solicitation of many friends of this justly celebrated Morgan Stallion, the owner has been induced to let him remain in Maryland for one season more. The public's obedient servant,
feb 26—tf F. FELTON.

YOUNG EMPEROR.

BY the request of many gentlemen, farmers and breeders, I will stand the above named horse this season in Talbot and Queen Ann's counties He will be at Centreville the first of every other week and at Easton each alternate week, and at Trappe every other Saturday.

I also intend standing another horse at the same places, so as to have ONE horse at each place every week. If I can obtain the other horse he will not only be of TROTTING STOCK, but himself, and I pledge my word to make you all think so. JOHN BARSTOW.
jan 15—2m

N. B.—I have obtained the other HORSE; he is six years old, a beautiful bay, sixteen hands high, and is a TROTTING HORSE. Now gentlemen, the two Horses will be with you by the 20th of March, at which time the season will commence and end June the 10th.

CHOLERA,
CHOLERA MORBUS,
CRAMP COLIC,
FLATULENCE.

And pains and swellings of every description.

This valuable preparation acts immediately—the sufferer after the first trial never failing to feel the beneficial influence derived from its use. One bottle is all that is necessary to effect a cure in Rheumatism, &c., unless in extreme cases, when two or three are all that is required.

The Proprietor pledges himself that when it is used strictly in accordance with the directions, it never fails in effecting a cure.

Among the many certificates the proprietor has, he offers the following for the perusal of the public, as worthy their attention:

BALTIMORE, June 23, 1852.—I hereby certify that I had been suffering for a long time with Rheumatism in my hip, to such an extent that I was never without a pain, and had tried everything I had heard of that was recommended for Rheumatism, but no relief was afforded me, until by the advice of Mr. Bickley, (with whom I worked,) I tried one bottle of your valuable Liniment, and I now feel thankful to say, that before using it I was, as if by magic, relieved of my sufferings. I have now used only two bottles, and can safely say I am free from pain as ever I was in my life, and am a well man. I cheerfully recommend it to all who are suffering from Rheumatism or pains of any kind, as one of the best liniments ever used. Please accept my grateful acknowledgements for your valuable preparation.

MEXICAN MUSTANG LINIMENT

THE properties of this Liniment have never been equalled for the cure of *Rheumatism, Neuralgia, Sprains, Burns, Swellings, Stiff Joints, Piles, Broken or Caked Breast, Sore Nipples, Old Sores* or pains in any part of the body an external application can reach. We have hundreds of certificates from those that have been cured of those diseases, and also from those that have had Horses cured of *Ringbone, Spavin, Fistaloes, Pollevil, Founder*, any enlargement of the Bone and Muscle.

WONDERFUL CURE.

Messrs. A. G. Bragg & Co.—Gentlemen:—We have been using your *MEXICAN MUSTANG LINIMENT* with the most perfect success. One of our most valuable Express Horses had been much troubled by large swellings or tumors on the fetlocks; they had grown larger than hen's eggs. Besides being disfigured by these appendages, the limbs and joints appeared quite stiffened, swollen and lame.—We had tried many liniments and other remedies, but nothing appeared to produce any effect upon them. We would willingly have given twenty-five dollars to have had them removed, and the horse restored to soundness. Our hostler obtained some of your Liniment, and applied it without our knowledge. A few days ago he called our attention to the horse—and, to our surprise and gratification, his legs were perfectly smooth—*the Tumors having entirely disappeared!* We asked him by what magic he had effected such a remarkable cure? His reply was, that he had been using the MUSTANG LINIMENT on them about ten days—and the result was the entire removal of the tumors, without producing any soreness, or leaving a scar!

We therefore take great pleasure in recommending the Liniment, and shall continue to use it whenever occasion requires, in preference to any other preparation, so long as it produces such remarkable results.

Having been afflicted with the Rheumatism many years without being able to obtain any relief from Doctors, or popular remedies, I determined to try the *MUSTANG LINIMENT*. Much to my surprise, and *joy*, as you may well imagine, I received almost immediate relief, and began to recover rapidly.—One 50 cent bottle has nearly cured me, and I am satisfied that a few more applications of the Liniment will perfectly eradicate the disease from my system. HUMPHREYS & JOHNSON.

G. F. SECCHI DE CASSALI, Editor of the "*L' Eco De Italia*," No. 9, Spruce-street, New York, had a very severe attack of Neuralgia in the face, occasioned by taking cold in a decayed tooth. At first it was a real "jumping tooth-ache," but soon the whole side of the face and jaw became swollen and inflamed, and the pain was most excruciating. In this condition he came into the store a few days ago, with his hands convulsively pressing his cheek, and his features very much distorted into expressions of great agony. We immediately applied the Mustang Liniment and gave him a bottle to continue its use. This morning he called with smiles of pleasure and feelings of gratitude, illuminating his countenance, to say that the Liniment gave him almost instant relief, and had effected a perfect cure. Comments are unnecessary. Facts speak for themselves. June 19, 1852.

Prices—We are now putting up 25 ct., 50 ct. and $1 bottles. The 50 ct. bottles contain three times and the $1 bottle contain six times as much as the 25 ct. size, and is much cheaper.

HIGHLY IMPORTANT INTELLIGENCE
TO THE AFFLICTED FAR & NEAR!
A Never Failing Panacea!
FOR MAN AND BEAST.

The Farmer's Friend and the Poor Man's Companion, When Disease and Affliction Come Upon him, Cure Guaranteed.

Culpa sua damnum sentiens, non intelligitur damnum."—He who suffers by his own fault, is not to be deemed a sufferer.

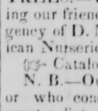

This celebrated Remedy, wherever introduced, has given the most unbounded satisfaction, and its merits have received, from a discriminating public, encomiums of the most flattering character. Numerous certificates can be produced, if necessary, from practical sources, showing the good effects accruing from the use of this powerful and never-failing Agent. But we deem it unnecessary, knowing its intrinsic worth will speak with a more convincing and acceptable language, than any other utterance which might be given to advance its sale and use. When applied in strict accordance with the directions given, the following cases have been treated with unparalleled success. Man finds in its virtues immediate relief for the many ills he is by nature heir to, viz: Rheumatism, Stiffness and Weakness of the Limbs, Sciatic or Hip Pains, Swellings, Sprains and Ulcers of year's standing, which have baffled the skill of Medical science, and the self-laudation of humbug and quackery. The Horse finds in it a healing and soothing balm, for when used as directed, a cure is certain in many of those concomitant diseases so frequently found in this invaluable beast, such as String Halts, Blood and Bone Spavin, Wind Galls, Weakness and Stiffness of the Limbs, Burns, Scratches, Old Sores, Saddle Galls, &c., &c.

HERE IS YOUR REMEDY!

HOLLOWAY'S OINTMENT.

A most miraculous cure of Bad Legs, after 43 years' suffering.

Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.

To Professor HOLLOWAY,

Sir:—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without scam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the suffering of a fellow creature.
(Signed) WILLIAM GALPIN.

A person 70 years of age cured of a Bad Leg, of thirty years' standing.

Copy of a Letter from Mr. William Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31st, 1851.

To Professor HOLLOWAY,

Sir:—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.
(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13 Market Street, Huddersfield.

A dreadful Bad Breast cured in one Month.

Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated Dec. 13, 1850

To Professor HOLLOWAY,

Dear Sir,—My wife had suffered from bad breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.
