HIGHLY IMPORTANT INTELLIGENCE
TO THE AFFLICTED FAR & NEAR!
A Never Failing Panacea!
FOR MAN AND BEAST.

The Farmer's Friend and the Poor Man's Companion, When Disease and Affliction Come Upon him, Cure Guaranteed.

Culpa sua damnum sentiens, non intelligitur damnum."—He who suffers by his own fault, is not to be deemed a sufferer.

This celebrated Remedy, wherever introduced, has given the most unbounded satisfaction, and its merits have received, from a discriminating public, encomiums of the most flattering character. Numerous certificates can be produced, if necessary, from practical source showing the good effects accruing from the use of this powerful and never-failing Agent. But we deem it unnecessary, knowing its intrinsic worth will speak with a more convincing and acceptable language, than any other utterance which might be given to advance its sale and use. When applied in strict accordance with the directions given, the following cases have been treated with unparalleled success. Man finds in its immediate virtues relief for the many ills he is by nature heir to, viz: Rheumatism, Stiffness and Weakness of the Limbs, Sciatic or Hip Pains, Swellings, Sprains and Ulcers of year's standing, which have baffled the skill of Medical science, and the self-laudation of humbug and quackery. The Horse finds in it a healing and soothing balm, for when used as directed, a cure is certain in many of those concomitant diseases so frequently found in this invaluable beast, such as String Halts, Blood and Bone Spavin, Wind Galls, Weakness and Stiffness of the Limbs, Burns, Scratches, Old Sores, Saddle Galls, &c, &c.

MEXICAN MUSTANG LINIMENT.

THE properties of this Liniment have never been equalled for the cure of *Rheumatism, Neuralgia, Sprains, Burns, Swellings, Stiff Joints, Piles, Broken or Caked Breast, Sore Nipples, Old Sores* or pains in any part of the body an external application can reach. We have hundreds of certificates from those that have been cured of those diseases, and also from those that have had Horses cured of *Ringbone, Spavin, Fistaloes, Pollevil, Founder,* any enlargement of the Bone and Muscle.

WONDERFUL CURE.

Messrs. A. G. Bragg & Co.—Gentlemen:—We have been using your *MEXICAN MUSTANG LINIMENT* with the most perfect success. One of our most valuable Express Horses had been much troubled by large swellings or tumors on the footlocks; they had grown larger than hen's eggs. Besides being disfigured by these appendages, the limbs and joints appeared quite stiffened, swollen and lame. We had tried many liniments and other remedies, but nothing appeared to produce any effect upon them. We would willingly have given twenty-five dollars to have had them removed, and the horse restored to soundness. Our hostler obtained some of your Liniment, and applied it without our knowledge. A few days ago he called our attention to the horse—and, to our surprise and gratification, his legs were perfectly smooth—*the Tumors having entirely disappeared!* We asked him by what magic he had effected such a remarkable cure? His reply was, that he had been using the MUSTANG LINIMENT on them about ten days—and the result was the entire removal of the tumors, without producing any soreness, or leaving a scar!

We therefore take great pleasure in recommending the Liniment, and shall continue to use it whenever occasion requires, in preference to any other preparation, so long as it produces such remarkable results. KINSLEY & Co.,
Southern and Eastern Express, No. 1 Wall street,
June 30, '52. Corner of Broadway, N. Y.

Having been afflicted with the Rheumatism many years without being able to obtain any relief from Doctors, or popular remedies, I determined to try the *MUSTANG LINIMENT.* Much to my surprise, and *joy,* as you may well imagine, I received almost immediate relief, and began to recover rapidly. One 50 cent bottle has nearly cured me, and I am satisfied that a few more applications of the Liniment will perfectly eradicate the disease from my system. A. FREEMAN.
Savanah, Geo. Feb 2, '52. Attest,
HUMPHREYS & JOHNSON.

G. F. SECCHI DE CASSALI, Editor of the "*L' Eco De Italia,*" No. 9, Spruce-street, New York, had a very severe attack of Neuralgia in the face, occasioned by taking cold in a decayed tooth. At first it was a real "jumping tooth-ache," but soon the whole side of the face and jaw became swollen and inflamed, and the pain was most excruciating. In this condition he came into the store a few days ago, with his hands convulsively pressing his cheek, and his features very much distorted into expressions of great agony. We immediately applied the Mustang Liniment and gave him a bottle to continue its use. This morning he called with smiles of pleasure and feelings of gratitude, illuminating his countenance, to say that the Liniment gave him almost instant relief, and had effected a perfect cure. Comments are unnecessary. Facts speak for themselves.

HERE IS YOUR REMEDY!

HOLLOWAY'S OINTMENT.

A most miraculous cure of Bad Legs, after 43 years' suffering.

Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.

To Professor HOLLOWAY,

Sir:—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the suffering of a fellow creature. (Signed)
WILLIAM GALPIN.

A person 70 years of age cured of a Bad Leg, of thirty years' standing.

Copy of a Letter from Mr. William Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31st, 1851.

To Professor HOLLOWAY,

Sir:—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.
(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13 Market Street, Huddersfield.

A dreadful Bad Breast cured in one Month.

Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated Dec. 13, 1850.

To Professor HOLLOWAY,

Dear Sir, My wife had suffered from bad breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.
(Signed) FREDERICK TURNER.

BALTIMORE, June 23, 1852.—I hereby certify that I had been suffering for a long time with Rheumatism in my hip, to such an extent that I was never without a pain, and had tried everything I had heard of that was recommended for Rheumatism, but no relief was afforded me, until by the advice of Mr. Bickley, (with whom I worked,) I tried one bottle of your valuable Liniment, and I now feel thankful to say, that before using it I was, as if by magic, relieved of my sufferings.—I have now used only two bottles, and can safely say I am free from pain as ever I was in my life, and am a well man. $500 CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that the *Worms,* according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote Worms, and you should at once apply the remedy:—

Hobensack's Worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect. Where *Bowel Complaints and Diarrhœa* have made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with *Dyspepsia,* the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM.

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach, effecting the health so as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is *Tape Worm* hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfulls 3 times a day, these directions followed have never been known to fail in curing the most obstinate case of *Tape Worm.*

HOBENSACK'S LIVER PILLS.

No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every system that might indicate a wrong action of the Liver. These Pills being composed of ROOTS & PLANTS, furnished by nature to heal the sick, namely; 1st, An EXPECTORANT, which augments the secretion from the Pulmonary mucus membrane or promotes the discharge of secreted matter. 2nd, An ALTERATIVE, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd. A TONIC, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A CATHARTIC, which acts in perfect harmony with the other ingredients and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

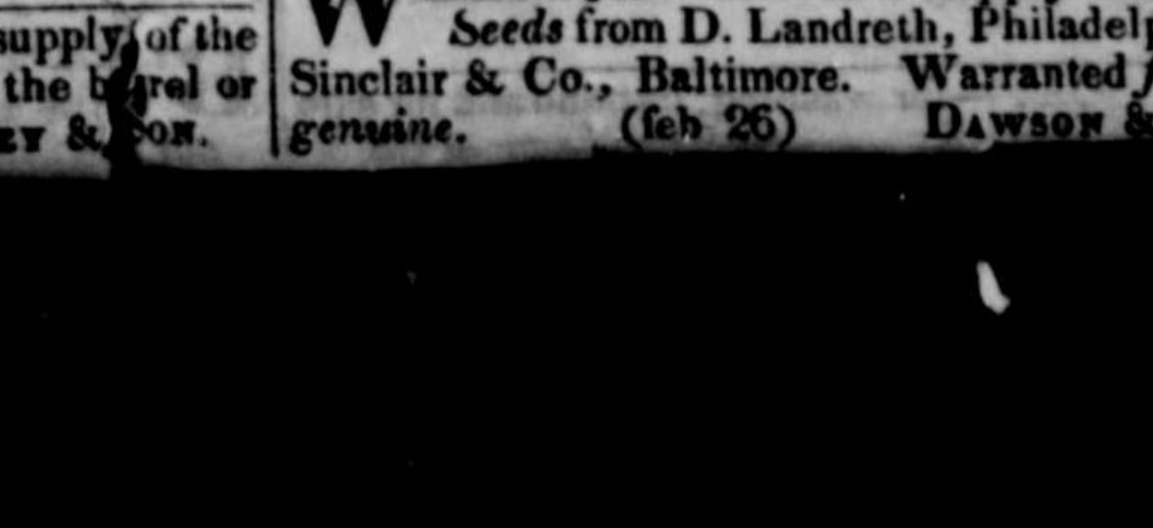

TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being base Imitation.

GOOD MEDICINES!!

STABLER'S ANODYNE CHERRY EXPECTORANT

Is confidently recommended to Invalids, as UNSURPASSED by any known preparation, for the cure of COUGHS, HOARSENESS, and other forms of Common Colds; BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an Early Stage, and for the RELIEF of the Patient even in advanced stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its *soothing* and *tonic* qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases.

Stabler's Diarrhœa Cordial

Is a pleasant Mixture, compounded in agreement with the rules of Pharmacy, of therapeutic agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA, and similar affections of the system. In its action, it ALLAYS NAUSEA and produces a healthy condition of the LIVER, thus removing the cause at the same time that it cures the disease.

The valuable Medicines above named have recently been introduced, with the approval of a number of the MEDICAL PROFESSION in the City of Baltimore and elsewhere, and in practice have succeeded most admirably in curing the diseases for which they are prescribed. They are offered to the Country Practioner, as medicines which he can in all respects depend upon, as prepared in agreement with the experience of some of the most learned and judicious Physicians, and strictly in conformity with the rules of Pharmacy, and as especially serving his convenience, who cannot so readily as the City Physician have his own prescription compounded by a practical Pharmaceutist.

See the descriptive Pamphlets, to be had gratis of all who have the Medicines for sale, containing recommendations from Doctors *Martin, Baltzell, Addison, Payne, Handy, Love,* &c.

Doct. S. B. MARTIN, says "I do not hesitate to recommend your *Diarrhœa Cordial* and *Anodyne Cherry Expectorant,"* &c.

Doct. JOHN ADDISON, says "It gives me much pleasure to add my testimony to that of others, in favor of the *extraordinary efficacy* of your *Diarrhœa Cordial,"* &c.; and of the *Expectorant,* "I have no hesitation in recommending it, as a most valuable medicine," &c.

Doct. R. A. PAYNE, says he has used the *Diarrhœa Cordial* in his practice "with the happiest effect, and thinks it one of the most convenient and efficient combinations ever offered to our profession."

Doct. L. D. HANDY, writes, "I have administered your *Anodyne Expectorant,* in several cases of Bronchial affections, with the *most happy results,* and from a knowledge of its *admirable effects,* I can with the greatest confidence recommend it," &c.

Doct. W. S. LOVE, writes to us that he has administered the *Expectorant* to his wife, who has had the *Bronchitis* for *fourteen years,* and that she is fast recovering from her long standing malady. It has in a few weeks done her more good than all the remedies she has heretofore used under able medical counsel.

SIXTEEN of the best APOTHECARIES and PHARMACEUTISTS in the City of Baltimore, write "We are satisfied the preparations known as *Stabler's Anodyne Cherry Expectorant* and *Stabler's Diarrhœa Cordial* are Medicines of GREAT VALUE and *very efficient* for the relief and cure of the diseases for which they are recommended, they bear the evidence of skill and care in their preparation and style of putting up, and we take pleasure in recommending them.

TWENTY-SEVEN of the most respectable MERCHANTS, residents of MARYLAND, VIRGINIA and NORTH CAROLINA, who have sold and also used these medicines themselves, say, "From our own *experience* and that of our *customers,* we do confidently recommend them Pro Bono Publico. We have never known any remedies used for the diseases for which they are prescribed, to be so efficient and to give such entire satisfaction to all."

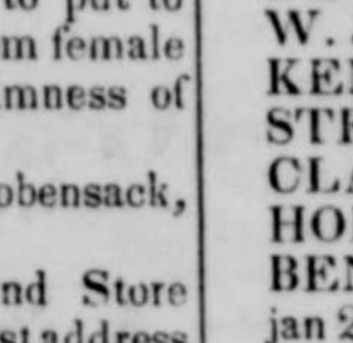

The above notices of recommendation from members of the MEDICAL FACULTY, PHARMACEUTISTS of high standing, and MERCHANTS of the first respectability, should be sufficient to satisfy all, that these medicines are worthy of trial by the afflicted, and that they are of a different stamp and class from the "Quackery" and "Cure Alls" so much imposed upon the public.

"Come let us Reason Together."

ORAL TESTIMONY.

THOUSANDS feel it a duty to talk to their afflicted friends of the benefit derived from HAMPTON'S VEGETABLE TINCTURE. From day to day we have given the certificates of cures performed on our best-known citizens, and still we have a perfect avalanche of letters pouring in upon us—all, all giving a weight of testimony that must convince the most skeptical. All are invited to call and read for themselves. The letter below is from one of the first mercantile firms. To those who know them, it must carry conviction, and induce many sufferers to give this Tincture a trial:

PORT ROYAL, Va., July 27, 1852.

Messrs. Mortimer & Mowbray:—Gents:—We have again to send an order for more of your truly wonderful Hampton's Vegetable Tincture. Since it was first tried it has sold without an effort, and we have not seen the first person who has not been greatly benefited by its use. A gentleman of our neighborhood was induced to try the "Tincture" for a violent palpitation of the heart. He had suffered so much from it that he said he had prayed for death. He had taken but three doses when he assured us he would not take five hundred dollars for the benefit he had derived, and that he should never cease to remember us with gratitude for calling his attention to so valuable a medicine.

Yours, truly, GRAY & PENDLETON.

The Whole World, Attention—Hear him, ye sick, and do likewise!

Baltimore, Feb. [illegible], 1852.

Messrs. Mortimer & Mowbray:—Gentlemen:—It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Sometime during last November I was taken with a very bad and serious cough. I was advised to take Cod Liver Oil, and did so, but getting no better I was induced to try your Tincture. I got one bottle, and before I had used it all my cough had left me.—Permit me also to state that for the last fifteen years I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am fully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, at liberty to use this as you may think proper, and believe me,

Yours, very respectfully, G. DUNAN.

N. B.—I can be seen at any time at the Mayor's office. G. D.

THE ALMOST MIRACULOUS CURES made by Hampton's Vegetable Tincture on our most respectable citizens—men well known and tried—we challenge the world to show anything on record in medicine to equal it. *Many hundreds who have felt its healing powers bear the same testimony.*

BALTIMORE, July 6, 1852.

Messrs. Mortimer & Mowbray—Gents: Last September I was attacked with erysipelas, from which a dreadful ulcer formed on my right leg.—Getting better of this, last November I took a deep cold, which led to what my physician told me was bilious pleurisy, which left me with a constant, deeply seated, and painful cough, having no rest day or night, and constantly throwing up from my lungs a thick matter. I became much emaciated, growing weaker every day, and keeping my bed the greater part of the time. My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend advised me to try DR. HAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved; and now, having taken but *two* bottles, my *cough* and *pains have entirely left me,* and I am enabled to attend to business. I can truly say that, with the blessings of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine. Yours,

WESLEY ROCK,
Schroeder, near Saratoga street.

Truth stranger than Fiction—None need despair; —A Lady's Testimony after thirty eight years of suffering!

Were there not real virtue in this wonderful medicine, could it perform the astonishing cures made by it?

NORTHAMPTON, Co., April 13, 1852.

Messrs. Tyler & Adair:—I have been afflicted with Rheumatism, at times, from my twelfth year; I will be fifty years of age the 18th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, side, back, and hips; I could not rest, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to try HAMPTON'S VEGETABLE TINCTURE; before I had taken one of which I felt much better, and as I continued taking it I felt strength coming into my back and limbs, and my stomach strengthened and revived every way; I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequalled. Yours,

ELIZABETH BAGWELL.

REV. VERNON ESKRIDGE, U. S. N.
Portsmouth, Va., Aug. 18, 1851.

Mr. J. E. Boush—Dear Sir: While I am in general opposed to Patent Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

I am, respectfully, yours,
VERNON ESKRIDGE,
