HIGHLY IMPORTANT INTELLIGENCE
TO THE AFFLICTED FAR & NEAR!
A Never Failing Panacea!
FOR MAN AND BEAST.

The Farmer's Friend and the Poor Man's Companion, When Disease and Afflic ion Come Upon him, Cure Guaranteed.

Culpa sua damnum sentiens, non intelligitur damnum."—He who suffers by his own fault, is not to be deemed a sufferer.

This celebrated Remedy, wherever introduced, has given the most unbounded satisfaction, and its merits have received, from a discriminating public, encomiums of the most flattering character. Numerous certificates can be produced, if necessary, from practical source showing the good effects accruing from the use of this powerful and never-failing Agent. But we deem it unnecessary, knowing its intrinsic worth will speak with a more convincing and acceptable language, than any other utterance which might be given to advance its sale and use. When applied in strict accordance with the directions given, the following cases have been treated with unparalleled success. Man finds in its immediate virtues relief for the many ills he is by nature heir to, viz: Rheumatism, Stiffness and Weakness of the Limbs, Sciatic or Hip Pains, Swellings, Sprains and Ulcers of year's standing, which have baffled the skill of Medical science, and the self-laudation of humbug and quackery. The Horse finds in it a healing and soothing balm, for when used as directed, a cure is certain in many of those concomitant diseases so frequently found in this invaluable beast, such as String Halts, Blood and Bone Spavin, Wind Galls, Weakness and Stiffness of the Limbs, Burns, Scratches, Old Sore,s Saddle Galls, &c, &c.

MEXICAN
MUSTANG LINIMENT.

THE properties of this Liniment have never been equalled for the cure of *Rheumatism, Neuralgia, Sprains, Burns, Swellings, Stiff Joints, Piles, Broken or Caked Breast, Sore Nipples, Old Sores* or pains in any part of the body an external application can reach. We have hundreds of certificates from those that have been cured of those diseases, and also from those that have had Horses cured of *Ringbone, Spavin, Fistaloes, Pollevil, Founder,* any enlargement of the Bone and Muscle.

WONDERFUL CURE.

Messrs. A. G. Bragg & Co.—Gentlemen:—We have been using your *MEXICAN MUSTANG LINIMENT* with the most perfect success. One of our most valuable Express Horses had been much troubled by large swellings or tumors on the footlocks; they had grown larger than hen's eggs. Besides being disfigured by these appendages, the limbs and joints appeared quite stiffened, swollen and lame. We had tried many liniments and other remedies, but nothing appeared to produce any effect upon them. We would willingly have given twenty-five dollars to have had them removed, and the horse restored to soundness. Our hostler obtained some of your Liniment, and applied it without our knowledge. A few days ago he called our attention to the horse—and, to our surprise and gratification, his legs were perfectly smooth—*the Tumors having entirely disappeared!* We asked him by what magic he had effected such a remarkable cure? His reply was, that he had been using the MUSTANG LINIMENT on them about ten days—and the result was the entire removal of the tumors, without producing any soreness, or leaving a scar!

We therefore take great pleasure in recommending the Liniment, and shall continue to use it whenever occasion requires, in preference to any other preparation, so long as it produces such remarkable results. KINSLEY & Co.,

Southern and Eastern Express, No. 1 Wall street,
June 30, '52. Corner of Broadway, N. Y.

Having been afflicted with the Rheumatism many years without being able to obtain any relief from Doctors, or popular remedies, I determined to try the *MUSTANG LINIMENT.* Much to my surprise, and *joy,* as you may well imagine, I received almost immediate relief, and began to recover rapidly. One 50 cent bottle has nearly cured me, and I am satisfied that a few more applications of the Liniment will perfectly eradicate the disease from my system. A. FREEMAN.

Savanah, Geo. Feb 2, '52. Attest,
HUMPHREYS & JOHNSON.

G. F. SECCHI DE CASSALI, Editor of the "*L' Eco De Italia,*" No. 9, Spruce-street, New York, had a very severe attack of Neuralgia in the face, occasioned by taking cold in a decayed tooth. At first it was a real "jumping tooth-ache," but soon the whole side of the face and jaw became swollen and inflamed, and the pain was most excruciating. In this condition he came into the store a few days ago, with his hands convulsively pressing his cheek, and his features very much distorted into expressions of great agony. We immediately applied the Mustang Liniment and gave him a bottle to continue its use. This morning he called with smiles of pleasure and feelings of gratitude, illuminating his countenance, to say that the Liniment gave him almost instant relief, and had effected a perfect cure. Comments are unnecessary. Facts speak for themselves.

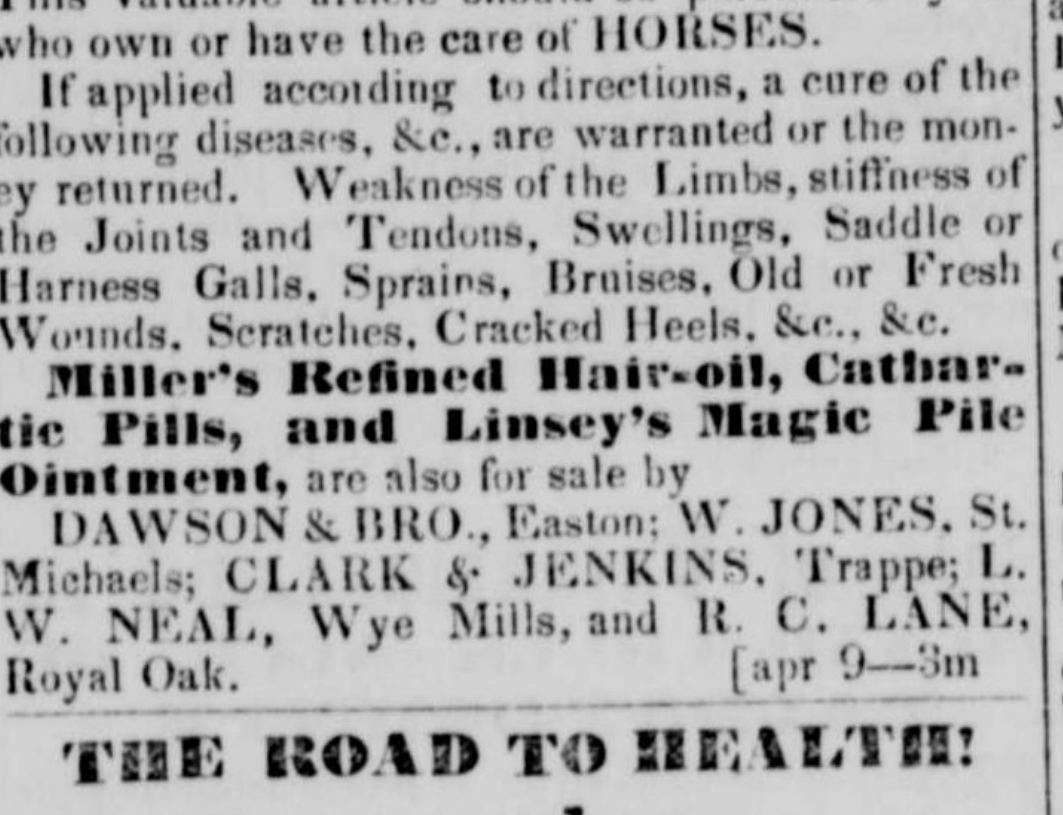
THE ROAD TO HEALTH!



HOLLOWAY'S PILLS.

Cure of a disordered Liver and bad Digestion
Copy of a Letter from Mr. R. W. Kirkus, Chemist, 7, Prescot St., Liverpool, dated 6th June, 1851.

To Professor HOLLOWAY,

SIR,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion.—On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the *severity of the attack,* and the *speedy* cure, I think, speaks much in favor of your astonishing Pills. (Signed) R. W. KIRKUS.

An Extraordinary Cure of Rheumatic Fever in Van Dieman's Land.

Copy of a Letter inserted in the Hobart Town Courier, of the 1st March, 1851, by Major J. Walch.

Margaret M'Connigan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs; during this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an incredible short space of time they effected a perfect cure.

Cure of a Pain and Tightness in the Chest and Stomach of a Pesrson of 84 Years of Age.

From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement.—August 2nd, 1851.

To Professor HOLLOWAY,

SIR,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed)

BALTIMORE, June 23, 1852.—I hereby certify that I had been suffering for a long time with Rheumatism in my hip, to such an extent that I was never without a pain, and had tried everything I had heard of that was recommended for Rheumatism, but no relief was afforded me, until by the advice of Mr. Bickley, (with whom I worked,) I tried one bottle of your valuable Liniment, and I now feel thankful to say, that before using it I was, as if by magic, relieved of my sufferings.—I have now used only two bottles, and can safely say I am free from pain as ever I was in my life, and am a well man. $500 CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that the *Worms,* according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote Worms, and you should at once apply the remedy:—

Hobensack's Worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect. Where *Bowel Complaints and Diarrhœa* have made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with *Dyspepsia,* the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM.

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach, effecting the health so as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is *Tape Worm* hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfulls 3 times a day, these directions followed have never been known to fail in curing the most obstinate case of *Tape Worm.*

HOBENSACK'S LIVER PILLS.

No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every system that might indicate a wrong action of the Liver. These Pills being composed of ROOTS & PLANTS, furnished by nature to heal the sick, namely; 1st, An EXPECTORANT, which augments the secretion from the Pulmonary mucus membrane or promotes the discharge of secreted matter. 2nd, An ALTERATIVE, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd. A TONIC, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A CATHARTIC, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject. GOOD MEDICINES!!

STABLER'S
ANODYNE CHERRY EXPECTORANT

Is confidently recommended to Invalids, as UNSURPASSED by any known preparati n for the cure of COUGHS, HOARSENESS, and other forms of Common Colds; BRONCHITIS, ASTHMA, CROUP, CONSUMPTION in an Early Stage, and for the RELIEF of the Patient even in advanced stages of that Fatal Disease.

It combines, in a scientific manner, remedies of long esteemed value, with others of more recent discovery, and besides its *soothing* and *tonic* qualities, acts through the skin gently, and with great efficacy, for the cure of this class of diseases.

Stabler's Diarrhœa Cordial

Is a pleasant Mixture, compounded in agreement with the rules of Pharmacy, of therapeutic agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA, and similar affections of the system. In its action, it ALLAYS NAUSEA and produces a healthy condition of the LIVER, thus removing the cause at the same time that it cures the disease.

The valuable Medicines above named have recently been introduced, with the approval of a number of the MEDICAL PROFESSION in the City of Baltimore and elsewhere, and in practice have succeeded most admirably in curing the diseases for which they are prescribed. They are offered to the Country Practioner, as medicines which he can in all respects depend upon, as prepared in agreement with the experience of some of the most learned and judicious Physicians, and strictly in conformity with the rules of Pharmacy, and as especially serving his convenience, who cannot so readily as the City Physician have his own prescription compounded by a practical Pharmaceutist.

See the descriptive Pamphlets, to be had gratis of all who have the Medicines for sale, containing recommendations from Doctors *Martin, Baltzell, Addison, Payne, Handy, Love,* &c.

Doct. S. B. MARTIN, says "I do not hesitate to recommend your *Diarrhœa Cordial* and *Anodyne Cherry Expectorant,*" &c.

Doct. JOHN ADDISON, says "It gives me much pleasure to add my testimony to that of others, in favor of the *extraordinary efficacy* of your *Diarrhœa Cordial,*" &c.; and of the *Expectorant,* "I have no hesitation in recommending it, as a most valuable medicine," &c.

Doct. R. A. PAYNE, says he has used the *Diarrhœa Cordial* in his practice "with the happiest effect, and thinks it one of the most convenient and efficient combinations ever offered to our profession."

Doct. L. D. HANDY, writes, "I have administered your *Anodyne Expectorant,* in several cases of Bronchial affections, with the *most happy results,* and from a knowledge of its *admirable* effects, I can with the greatest confidence recommend it," &c.

Doct. W. S. LOVE, writes to us that he has administered the *Expectorant* to his wife, who has had the *Bronchitis for fourteen years,* and that she is fast recovering from her long standing malady. It has in a few weeks done her more good than all the remedies she has heretofore used under able medical counsel.

SIXTEEN of the best APOTHECARIES and PHARMACEUTISTS in the City of Baltimore, write "We are satisfied the preparations known as *Stabler's Anodyne Cherry Expectorant* and *Stabler's Diarrhœa Cordial* are Medicines of GREAT VALUE and *very efficient* for the relief and cure of the diseases for which they are recommended, they bear the evidence of skill and care in their preparation and style of putting up, and we take pleasure in recommending them.

TWENTY-SEVEN of the most respectable MERCHANTS, residents of MARYLAND, VIRGINIA and NORTH CAROLINA, who have sold and also used these medicines themselves, say, "From our own *experience* and that of our *customers,* we do confidently recommend them Pro Bono Publico. We have never known any remedies used for the diseases for which they are prescribed, to be so efficient and to give such entire satisfaction to all."

The above notices of recommendation from members of the MEDICAL FACULTY, PHARMACEUTISTS of high standing, and MERCHANTS of the first respectability, should be sufficient to satisfy all, that these medicines are worthy of trial by the afflicted, and that they are of a different stamp and class from the "Quackery" and "Cure Alls" so much imposed upon the public.

For sale by Druggists, Apothecaries and Country Store-keepers generally.

PHILEMON FLOYD again takes this method of informing his patrons and the public generally, that he still continues to carry on his business at the old stand one door south of the Bank. Having incurred some additional expense in refitting his saloon, he hopes the public will continue to favor him with the same liberal patronage as heretofore, as he intends to leave nothing on his part undone to please them.
