SPRING AND SUMMER HATS 1853,

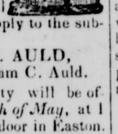

AT THE OLD STAND.

I AGAIN avail myself of the pleasure of returning my *sincere* thanks to the citizens of Talbot and adjoining counties for the *very* liberal support with which they have favored me during the last fifteen years. VALUABLE REAL ESTATE FOR SALE.

THE subscriber offers at private sale, that beautiful situation immediately opposite the old town of Oxford, in Talbot County, well known as "Goose Neck Point," together with a sufficient quantity of first rate TIMBER LAND, to make the quantity of

Two Hundred Acres,

being part of the estate called "Plaindealing."—This land is beautifully situated on Tred Haven Creek, which abounds with fine Fish, Oysters and Wild Fowl in their season. It is believed to be as susceptible of improvement as any land in the County, and will require but little fencing to enclose it. As a healthy location it cannot be surpassed, and is certainly one of the handsomest sites for a country residence on the Eastern Shore of Maryland. This land is naturally fertile and having inexhaustible resources, may be made to produce abundantly.

☞ If the above property is not disposed of at Private sale, before TUESDAY, the 17th of May next, it will upon that day be offered at public sale, before the Court House in Easton. Terms made known on the day of sale. Information in regard to them may be had previous to that time, by application to the subscriber.

NEW Stove, Tin, and Sheet Iron MANUFACTORY.

THE subscriber takes this method of informing the citizens of Talbot and the adjoining counties, that he has opened in the room under the Sons of Temperance Hall, in the town of Easton, an establishment for the manufacture and sale of all the various articles appertaining to the *TIN* and *SHEET IRON* business, which for cheapness, quality and workmanlike finish, cannot be surpassed in either country or city. He respectfully solicits the liberal patronage of a generous public, and particularly those who buy to sell again, promising to make it to their advantage to deal with him. **Roofing and Spouting,** to which branches he pays particular attention, done at the most moderate rates, (costing little more than good shingles) in the best manner and satisfaction ensured or the money refunded. The attention of persons purposing to build is called to the fact that while metallic roofs cost but very little more, they make a much neater and safer covering and are much more durable than shingles; taking this into consideration, I solicit a call from all purposing to build, feeling assured that I can give them satisfaction.

STOVES.

I have some very good Cook and other stoves of different patterns on hand, and towards Fall purpose laying in a large assortment. Persons in want of these indispensable articles are requested to call and examine for themselves. My prices are low for CASH.

ALL KINDS OF REPAIRING in my respective branches done with neatness and despatch. Old Castings, old Copper, Brass, &c. taken in exchange for stoves, tinware, &c. As I purpose trying to sell low and make a living, my terms are CASH. JAIRUS LEWIS.

Valuable Farm in Bay Side FOR SALE.

I WILL sell my plantation situated on the Bayside, in Talbot County, now occupied by Mr. Jas. E. Denny. It is the same farm which formerly belonged to Dr. Absalom Thompson, and commonly known as the "Kemp Farm." The tract runs from the Bay Shore to Harris' Creek, and is very beautifully located, and makes a handsome and beautiful residence.

Newell's Patent Safety Lamp & Lamp Feeder.

A NEW article warranted to prevent all accidents from the use of Burning Fluid, Camphine and other Explosive Compounds used for the production of Light. This Lamp and Feeder has been subjected to the best of experiments *by the most scientific men, who failed to explode it.*—For the use of any of the burning fluids it is certainly the *best safety Lamp* now in use.

The following certificates are a sufficient guarantee of the entire safety and efficiency of the safety Lamp and Feeder:

CERTIFICATES.

We have had an opportunity to test the Patented safety Lamp and Lamp Feeder of Mr. John Newell of this city, in regard to the measure of protection which their construction affords. In the trials to which we subjected them, we endeavored, without effect, to produce explosion of the vapor of the fluid mixed with air, and to burst them by the pressure of vapor alone.

The principal adopted by Mr. Newell is that of the well known Davy Lamp. He has so combined the parts that we are satisfied that all risk of explosive action is removed.

CHARLES T. JACKSON,
Boston, Aug 30, '52 AUG. A. HAYES,
Assayers to State of Massachusetts.

We have examined the Patent safety Lamp Feeder of Mr. John Newell of Boston, and are fully convinced from due experiments we have with them, that he has obtained the great desideratum of preventing the risk of explosive action in the use of the burning fluids in Lamps and Feeders. In this respect we entirely concur in the opinion of Drs. Hayes and Jackson. JOHN TORRY,

Electro--Magnetic Remedies for CHRONIC DISEASES,

By HENRY HALL SHERWOOD, M D

DR. H. H. SHERWOOD'S Electro Magnetic Remedies for Chronic Diseases, including all the forms of Scrofula. These remedies of the late eminent Henry Hall Sherwood, M. D., are prepared for a class of diseases for which, as all medical experience testifies, no other efficient remedies are known. They are offered with a confidence which is justified by the pathological principles upon which they are prescribed, and by a practice of many years, in which they have been successful. Their effects, though slow, when compared with those of medicines used in acute diseases, are nevertheless sure, even in the worst cases of chronic diseases, unless there be extensive organic destruction and loss of organic substance. Under their influence, extensive tuberculations of the Lungs, Liver, stomach and Intestines, and tuburculous enlargements of the heart and others, as well as the most obstinate scrofulous swellings, have been entirely subdued. Cases even of advanced Consumption have been cured by them, in periods varying from eight weeks to four months. An abridgement of the elaborate treatise of Dr. Sherwood upon the electro-magnetic Chronic Diseases, will be sent to any one desirous of further information, without charge.

The price of these remedies has long been fixed at $10. One half the usual quantity required can be sent, if preferred, at $5.

HAMPTON'S VEGETABLE TINCTURE,

THE GREAT RESTORATIVE AND INVIGORATOR, *and cure for Rheumatism, Dyspepsia, Scrofula, &c.* This medicine is altogether FROM THE VEGETABLE KINGDOM, and may be used by any one *without injurious consequences.*

By a wise choice and combination of some of the best of each class of co-operative simple remedies, it fully reaches all the essential organs of the human system, and thus it has proved itself so effectually curative of the *whole round of the Chronic Affections.*

This article was discovered by Dr. JESSE HAMPTON, now in fine health in the 79th year of his age. He was born in Virginia in 1775, emigrated to Kentucky—then a wilderness—with his father, in 1779. In early manhood he was so reduced by disease as to be almost wrecked in constitution. He spent much of his living for medical advice and attention, and grew nothing better, but worse. Finding no relief from his physicians, he resolved to try the restorative powers of the roots, barks, leaves, plants, &c., of the forest. He then dwelt in the midst of the Red Men of the Western wilds. Having heard much of their skill in the use of vegetable remedies of the forest, and knowing their mode of medicinal practice must be one of practical experience and not of theoretical speculation, he made himself acquainted with their remedies, and also with the practical medicinal knowledge of the early settlers of Kentucky had obtained from the "medicine men" of the Indians.

He carefully studied the nature of the medicines used by them, combined them according to the light he had received, used them as he had been taught, and had the cheering satisfaction of finding disease driven from his emaciated body, and vigorous health given in its stead. His case was of no ordinary kind, but astonishing to his friends and neighbors. The fame of it spread; the people far and near sent to the doctor for his successful and wonderful combination of Indian remedies; which was freely given them, until the cases became so numerous and the demand so great that the doctors was advised by his friend, and induced through justice to himself, to put up his Vegetable Tincture in bottles, and charge a price for it which was freely given. Finding its way into the first and most intelligent families, and astonishing all by its wonderful cures; commanding certificates and testimony in its favor from the leading and some of the most talented men of the country.

UNPARALLELED SUCCESS.

The many cures made by it, and the great demand, have induced the proprietors to offer it to the afflicted in this city, with the honest conviction that the same happy results will follow its use here, as in numerous other places.

HON. HENRY CLAY AND HON R M. JOHNSON have certified to its merits. CAPTAIN CANOT, brother of the celebrated physician to the

EMPEROR OF FRANCE

was cured by it of Chronic Inflamatory Rhuematism of seven years duration, after the skill of the physicians of Paris, London, and of this country had failed. Rev. Vernon Eskridge, chaplain U. S. Navy, was cured by it. Also, Judge Davies, Hon. T. H. Shelby, Members of Congress, with members of the State Department, Washington, and hundreds of others, who give their testimony to this wonderful discovery.

PHYSICIANS

have cured themselves, and the members of their families, by its use, after their own remedies had failed; and some of them are so generous as to recommend it to their patients.

It has shown itself most powerfully curative of

NERVOUS DISEASES

in their various forms, giving new life and vigor, restoring the shattered constitution, and thus infusing hope in place of despondency. By its mild, pleasant and safe action on the stomach, liver, kidneys, lungs, and the nervous system, it cures DYSPEPSIA, LIVER COMPLAINT, DISEASES OF THE URINARY ORGANS, COUGHS, ASTHMA, BRONCHIAL AFFECTIONS, CONSUMPTION, SCROFULA, KING'S EVIL, WORMS, RHEUMATISM, GOUT, NEURALGIA, ST. VITUS' DANCE, FITS, FISTULA, PILES, *with all diseases arising from impure blood.*

THE FEMALE SYSTEM

has in Dr. HAMPTON'S VEGETABLE TINCTURE, a cure for its numerous and complicated derangements. Hundreds who have been debilitated and dispirited, and on the verge of a premature grave, have been restored by its use to blooming health, which we are abundantly able to prove by such a host of

LIVING WITNESSES

as we think no other medicine can produce.

To publish all the testimony in its favor, would make a large volume.

Numerous Letters and Certificates, showing its Restorative and Healing Qualities, are published in a pamphlet, which, with their originals, and a host of other commendatory letters not yet published, the proprietors will be pleased to exhibit to the public.

Attention is not called alone to the quantity of the testimony, but also to its

HIGH CHARACTER.

Thousands will testify to cures on themselves, wives, children and friends, after all other remedies had failed. We give below a few extracts.

We request all to call and get pamphlets (gratis,) and see history of the discovery of this medicine, and read the certificates of its cures, showing a mass of testimony, such, as we believe was never given to any other medicine.

LIVER COMPLAINT. DEBILITY.

[Extract from Jas. Harris, Esq's Letter, Alexandria, Va.]

After speaking of wonderful cures on himself, he says: "Mrs. H. has been suffering with the liver complaint and with inability, constantly complaining, from weakness, through her whole system. She now enjoys better health than for thirty years, being entirely restored by the use of Hampton's Vegetable Tincture."

DISEASED SIDE. BREAST. EYES.

[Extract from a Letter from J. Grimes, Esq., Loudon co., Va.]

"My wife has been for years afflicted with great weakness; pain in the breast, side and back; palpitation of the heart; feebleness of the nervous system; loss of appetite; complexion sallow; the sight of one eye almost gone, the other very weak. I am pleased to say, Hampton's Tincture has restored her to perfect health. Her eyes are as good now as ever they were.

MERCURIAL RHEUMATISM.

Mr. Jarrett Plummer, 158 East Baltimore st., suffered with this disease intensely six years; could not sleep; dreadful ulcers formed in his limbs, from which splinters of bones issued. His physician pronounced him incurable; but Hampton's Vegetable Tincture cured him.

HEREDITARY SCROFULA.

A boy in the family of Hon. W. H. P. Thomasson, once member of Congress from Kentucky, was a mass of sores from head to foot. His eyelids turned inside out, protruding over the eyeballs so as to produce blindness. He was cured by *Hampton's Vegetable Tincture.*

Dyspepsia, Nervous Disease, &c.

Mr. Wm. Oldham, of Baltimore custom house, suffered these complaints for eighteen months, with both body and mind seriously affected. He was cured by Hampton's Vegetable Tincture, after other things failed.

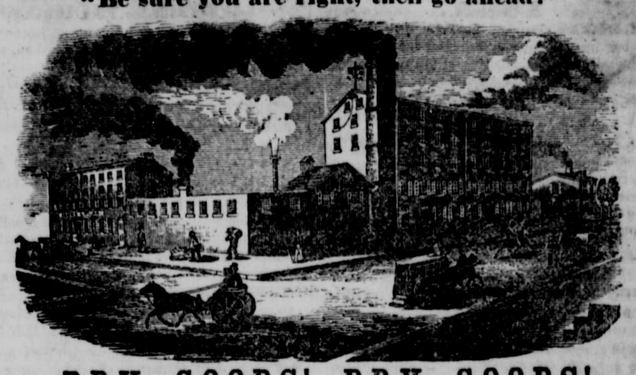

Cough, Consumption, &c.

Mr. Henry C. Winn had a cough for 5 years, great weakness, &c; had, in all, five or six physicians: tried all their remedies, but was cured only by HAMPTON'S VEGETABLE TINCTURE. Call and get a Pamphlet gratis. Sold by
