NEW Stove, Tin, and Sheet Iron MANUFACTORY.

THE subscriber takes this method of informing the citizens of Talbot and the adjoining counties, that he has opened in the room under the Sons of Temperance Hall, in the town of Easton, an establishment for the manufacture and sale of all the various articles appertaining to the *TIN* and *SHEET IRON* business, which for cheapness, quality and workmanlike finish, cannot be surpassed in either country or city. He respectfully solicits the liberal patronage of a generous public, and particularly those who buy to sell again, promising to make it to their advantage to deal with him. **Roofing and Spouting,** to which branches he pays particular attention, done at the most moderate rates, (costing little more than good shingles) in the best manner and satisfaction ensured or the money refunded. The attention of persons purposing to build is called to the fact that while metallic roofs cost but very little more, they make a much neater and safer covering and are much more durable than shingles: taking this into consideration, I solicit a call from all purposing to build, feeling assured that I can give them satisfaction.

Electro-Magnetic Remedies for CHRONIC DISEASES,

By HENRY HALL SHERWOOD, M D

DR. H. H. SHERWOOD'S Electro Magnetic Remedies for Chronic Diseases, including all the forms of Scrofula. These remedies of the late eminent Henry Hall Sherwood, M. D., are prepared for a class of diseases for which, as all medical experience testifies, no other efficient remedies are known. They are offered with a confidence which is justified by the pathological principles upon which they are prescribed, and by a practice of many years, in which they have been successful. Their effects, though slow, when compared with those of medicines used in acute diseases, are nevertheless sure, even in the worst cases of chronic diseases, unless there be extensive organic destruction and loss of organic substance. Under their influence, extensive tuberculations of the Lungs, Liver, stomach and Intestines, and tuberculous enlargements of the heart and others, as well as the most obstinate scrofulous swellings, have been entirely subdued. Cases even of advanced Consumption have been cured by them, in periods varying from eight weeks to four months. An abridgement of the elaborate treatise of Dr. Sherwood upon the electro-magnetic Chronic Diseases, will be sent to any one desirous of further information, without charge.

The price of these remedies has long been fixed at $10. One half the usual quantity required can be sent, if preferred, at $5.

HAMPTON'S VEGETABLE TINCTURE,

THE GREAT RESTORATIVE AND INVIGORATOR, *and cure for Rheumatism, Dyspepsia, Scrofula, &c.* This medicine is altogether FROM THE VEGETABLE KINGDOM, and may be used by any one *without injurious consequences.*

By a wise choice and combination of some of the best of each class of co-operative simple remedies, it fully reaches all the essential organs of the human system, and thus it has proved itself so effectually curative of the *whole round of the Chronic Affections.*

This article was discovered by Dr. JESSE HAMPTON, now in fine health in the 79th year of his age. He was born in Virginia in 1775, emigrated to Kentucky—then a wilderness—with his father, in 1779. In early manhood he was so reduced by disease as to be almost wrecked in constitution. He spent much of his living for medical advice and attention, and grew nothing better, but worse. Finding no relief from his physicians, he resolved to try the restorative powers of the roots, barks, leaves, plants, &c., of the forest. He then dwelt in the midst ot the Red Men of the Western wilds. Having heard much of their skill in the use of vegetable remedies of the forest, and knowing their mode of medicinal practice must be one of practical experience and not of theoretical speculation, he made himself acquainted with their remedies, and also with the practical medicinal knowledge of the early settlers of Kentucky had obtained from the "medicine men" of the Indians.

He carefully studied the nature of the medicines used by them, combined them according to the light he had received, used them as he had been taught, and had the cheering satisfaction of finding disease driven from his emaciated body, and vigorous health given in its stead. His case was of no ordinary kind, but astonishing to his friends and neighbors. The fame of it spread; the people far and near sent to the doctor for his successful and wonderful combination of Indian remedies; which was freely given them, until the cases became so numerous and the demand so great that the doctors was advised by his friend, and induced through justice to himself, to put up his Vegetable Tincture in bottles, and charge a price for it which was freely given. Finding its way into the first and most intelligent families, and astonishing all by its wonderful cures; commanding certificates and testimony in its favor from the leading and some of the most talented men of the country.

UNPARALLELED SUCCESS.

The many cures made by it, and the great demand, have induced the proprietors to offer it to the afflicted in this city, with the honest conviction that the same happy results will follow its use here, as in numerous other places.

HON. HENRY CLAY AND HON R M. JOHNSON have certified to its merits. CAPTAIN CANOT, brother of the celebrated physician to the

EMPEROR OF FRANCE

was cured by it of Chronic Inflamatory Rhuematism of seven years duration, after the skill of the physicians of Paris, London, and of this country had failed. Rev. Vernon Eskridge, chaplain U. S. Navy, was cured by it. Also, Judge Davies, Hon. T. H. Shelby, Members of Congress, with members of the State Department, Washington, and hundreds of others, who give their testimony to this wonderful discovery.

PHYSICIANS

have cured themselves, and the members of their families, by its use, after their own remedies had failed; and some of them are so generous as to recommend it to their patients.

It has shown itself most powerfully curative of

NERVOUS DISEASES

in their various forms, giving new life and vigor, restoring the shattered constitution, and thus infusing hope in place of despondency. By its mild, pleasant and safe action on the stomach, liver, kidneys, lungs, and the nervous system, it cures DYSPEPSIA, LIVER COMPLAINT, DISEASES OF THE URINARY ORGANS, COUGHS, ASTHMA, BRONCHIAL AFFECTIONS, CONSUMPTION, SCROFULA, KING'S EVIL, WORMS, RHEUMATISM, GOUT, NEURALGIA, ST. VITUS' DANCE, FITS, FISTULA, PILES, *with all diseases arising from impure blood.*

THE FEMALE SYSTEM

has in Dr. HAMPTON'S VEGETABLE TINCTURE, a cure for its numerous and complicated derangements. Hundreds who have been debilitated and dispirited, and on the verge of a premature grave, have been restored by its use to blooming health, which we are abundantly able to prove by such a host of

LIVING WITNESSES

as we think no other medicine can produce.

To publish all the testimony in its favor, would make a large volume.

Numerous Letters and Certificates, showing its Restorative and Healing Qualities, are published in a pamphlet, which, with their originals, and a host of other commendatory letters not yet published, the proprietors will be pleased to exhibit to the public.

Attention is not called alone to the quantity of the testimony, but also to its

HIGH CHARACTER.

Thousands will testify to cures on themselves, wives, children and friends, after all other remedies had failed. We give below a few extracts.

We request all to call and get pamphlets (gratis,) and see history of the discovery of this medicine, and read the certificates of its cures, showing a mass of testimony, such, as we believe was never given to any other medicine.

LIVER COMPLAINT DEBILITY.

[Extract from Jas. Harris, Esq's Letter, Alexandria, Va.]

After speaking of wonderful cures on himself, he says: "Mrs. H. has been suffering with the liver complaint and with inability, constantly complaining, from weakness, through her whole system. She now enjoys better health than for thirty years, being entirely restored by the use of Hampton's Vegetable Tincture."

MERCURIAL RHEUMATISM.

Mr. Jarrett Plummer, 158 East Baltimore st., suffered with this disease intensely six years; could not sleep; dreadful ulcers formed in his limbs, from which splinters of bones issued His physician pronounced him incurable; but Hampton's Vegetable Tincture cured him.

HEREDITARY SCROFULA.

A boy in the family of Hon. W. H. P. Thomasson, once member of Congress from Kentucky, was a mass of sores from head to foot. His eyelids turned inside out, protruding over the eyeballs so as to produce blindness. He was cured by *Hampton's Vegetable Tincture.*

Dyspepsia, Nervous Disease, &c.

Mr. Wm. Oldham, of Baltimore custom house, suffered these complaints for eighteen months, with both body and mind seriously affected. He was cured by Hampton's Vegetable Tincture, after other things failed.

Cough, Consumption, &c.

Mr. Henry C. Winn had a cough for 5 years, great weakness, &c; had, in all, five or six physicians: tried all their remedies, but was cured only by HAMPTON'S VEGETABLE TINCTURE. Call and get a Pamphlet gratis. Sold by
