For Supervisor.

I MOST respectfully announce myself to the Voters of Election District No. 2, of Talbot county, as an independent Candidate for *Supervisor of the Roads*, in said district. I have heretofore acted with the Whig party, and shall so continue to do whenever called on to exercise the elective franchise.

THOMAS BRIDGES of Thomas.
Broad Creek Neck, Aug. 30 sep 10—te

To the Voters of District No. 2, of Talbot County:

I BEG leave most respectfully to offer myself as an independent candidate for *Overseer of the Roads* in District No. 2 of Talbot County. I have served first and last thirty-two years as Overseer under the old road system. I served twenty-two years without intermission, and am now in commission. I think I may say this service for public good with the small pay heretofore attached to the office, gives me some small claim to your support now that the office will pay a moderate remuneration. Your obedient servant,

MORDECAI OXENHAM.
Ferry Neck, Sept. 9, 1853. sep 10—te S

BURLINGTON, Sept. 8.

Vermont Election.—Returns from 97 towns, being the most populous in the State, give Fairbanks, Whig, 10,200; Robinson, Democrat, 8,400; Brainard, Free Soil, 3,500. The remaining towns will not alter the result. The Temperance Whigs voted for Robinson in large numbers. Ninety-six towns elect 49 Whigs, 37 Democrats, and 10 Free Soilers to the Legislature. The Whigs will probably have a majority.

SECOND DESPATCH.—*Boston, Sept.* 8.—The Atlas has received returns from 104 towns of Vermont, which give Fairbanks, Whig, 14,410; Robinson, Dem., 12,230, and Brainard, F. S., 4,930. Senate probably Whig. To the House 64 Whigs, 59 Democrats, and 15 Free Soilers have been so far chosen.

SERIOUS COLLISION IN THE HARBOR.—Yesterday afternoon, about 5 o'clock, as the steamer Champion, Capt. Strandberg, on her return from her usual trip to Annapolis and West River, was coming up the basin to her wharf on Light street, she was run into by a vessel, which struck her amidships, carrying away her water closet, and forcing through the partition of the pantry, smashed almost to atoms nearly every article of crockery ware therein; a portion of the wheel-house was also carried away, and other damages sustained. The total loss is about $200. Fortunately, no loss of life or limb ensued, although the collision created quite a sensation, for a moment, among the passengers. The steamer Cambridge, it appears, was going out as the Champion was coming in, and the latter, to allow room for the former, steered closer in than usual towards the south side of the basin, when a vessel suddenly came out from the wharf, and, as is alleged, by bad management, ran forcibly afoul of the steamer. The accident will not prevent the Champion from performing her usual trips. The repairs, it is said will be completed this morning.—*Balt. Sun.*

Baltimore is not, at present, so well supplied with water as its rapid growth demands. Springs being very abundant through the city, and quite prolific in their supply, the people have been hitherto, much dependent upon them, the remainder of the required quantity of water being furnished by a joint stock company, whose works are located upon Jones' Falls. A much larger supply, however, is needed; and a committee of the City Councils, after an elaborate investigation on the subject, has just submitted to that body a report embracing estimates and plans for procuring water from various points on the Patapsco river and Jones' Falls, at an expense of from $2,618,460 to $4,873,194.

WASHINGTON, Sep. 6.

The Hon. Robert J. Walker's resignation of the Chinese mission has been accepted. The cause of the resignation is believed to be the remonstrances of his relatives against going, as his health does not improve as rapidly as it promised to do when he accepted the appointment. The appointment of his successor may be expected at an early day.

Mr. John W. Davis, of Indiana, has been appointed Governor of Oregon.

GEN. CASS AND THE FRENCH MISSION.—We feel perfectly certain that the mission to France has not been tendered to Gen. Cass, as stated in the telegraphic columns of many Northern papers. The truth, probably, is, that the Administration are too anxious to retain him in the Senate to dream of sending him to any Court, whereat the services of his great experience and well known abilities may not be absolutely necessary for the successful protection of our most important national interests.—*Wash. Star.*

A DUEL AMONG THE WOMEN.—The Buffalo Republic says.

"Officer Harris ascertained that a girl named Jane Hall had come from Rochester for the purpose of having a regular duel with Catharine Hurley, they having chosen seconds and repaired to the toll-bridge on Ohio street, for the engagement. A large crowd assembled to witness the scene. As soon as possible Harris was on the spot, and took the belligerents to the watch-house."

FROM TEXAS.—The returns of the election are still incomplete. The Galveston papers publish the votes of 63 out of the 90 counties in the State. In these Pease (D.) received 9,798, and Ochiltree (W.) 7,506. The remaining counties will hardly overcome Pease's majority, though the Journal thinks the election close, and the result doubtful. Governor Bell is elected to Congres in one of the districts, and Mr. Smythe in the other—the latter without opposition.

THE friends of the Maine Liquor Law in Baltimore have nominated a candidate for Sheriff, and a full ticket for the Legislature, composed of five Whigs and five democrats, as follows: Whigs—Sterling Thomas, Jas. M. Lester, S. Morris Cochran, Joseph A. Ramsay, Jas. B. George, Sr. Democrats—John H. Barnes, N. T. Dushane, John S. Tough, David Irelan, Richard H. Diggs.

Admiral Sir George Cockburn died recently in England, at the advanced age of 82 years. He will be remembered in the United States by his operations upon our Atlantic coast during the last war with Great Britain. He also commanded the vessel which bore Napoleon to St. Helena.

SUICIDE.—H. F. Jebb, who was recently appointed to a clerkship in the Pension Office, and was subsequently arrested for being drunk and disorderly, drowned himself in the Potomac, on the 4th inst.

STABLER'S ANODYNE CHERRY EXPECTORANT and DIARRHŒA CORDIAL being recommended so highly by many Physicians, Apothecaries and Pharmaceutists of high standing in the City of Baltimore, there can be no doubt of their superior virtues. Those suffering with *Colds, Coughs, Hoarseness,* &c., or *Diarrhœa,* should give them a trial.

NEW
Stove, Tin, and Sheet Iron MANUFACTORY.

THE subscriber takes this method of informing the citizens of Talbot and the adjoining counties, that he has opened in the room under the Sons of Temperance Hall, in the town of Easton, an establishment for the manufacture and sale of all the various articles appertaining to the *TIN* and *SHEET IRON* business, which for cheapness, quality and workmanlike finish, cannot be surpassed in either country or city. He respectfully solicits the liberal patronage of a generous public, and particularly those who buy to sell again, promising to make it to their advantage to deal with him. **Roofing and Spouting,** to which branches he pays particular attention, done at the most moderate rates, (costing little more than good shingles) in the best manner and satisfaction ensured or the money refunded. The attention of persons purposing to build is called to the fact that while metallic roofs cost but very little more, they make a much neater and safer covering and are much more durable than shingles; taking this into consideration, I solicit a call from all purposing to build, feeling assured that I can give them satisfaction.
