NEW Stove, Tin, and Sheet Iron MANUFACTORY.

THE subscriber takes this method of informing the citizens of Talbot and the adjoining counties, that he has opened in the room under the Sons of Temperance Hall, in the town of Easton, an establishment for the manufacture and sale of all the various articles appertaining to the *TIN* and *SHEET IRON* business, which for cheapness, quality and workmanlike finish, cannot be surpassed in either country or city. He respectfully solicits the liberal patronage of a generous public, and particularly those who buy to sell again, promising to make it to their advantage to deal with him. **Roofing and Spouting,** to which branches he pays particular attention, done at the most moderate rates, (costing little more than good shingles) in the best manner and satisfaction ensured or the money refunded.* The attention of persons purposing to build is called to the fact that while metallic roofs cost but very little more, they make a much neater and safer covering and are much more durable than shingles; taking this into consideration, I solicit a call from all purposing to build, feeling assured that I can give them satisfaction.

STOVES.

I have some very good Cook and other stoves of different patterns on hand, and towards Fall purpose laying in a large assortment. Persons in want of these indispensable articles are requested to call and examine for themselves. My prices are low for CASH.

ALL KINDS OF REPAIRING in my respective branches done with neatness and despatch. Old Castings, old Copper, Brass, &c, taken in exchange for stoves, tinware, &c. As I purpose trying to sell low and make a living, my terms are CASH. JAIRUS LEWIS.

A Never Failing Panacea!

FOR MAN AND BEAST.

The Farmer's Friend and the Poor Man's Companion, When Disease and Afflic ion Come Upon him, Cure Guaranteed.

Culpa sua damnum sentiens, non intelligitur damnum."—He who suffers by his own fault, is not to be deemed a sufferer.

This celebrated Remedy, wherever introduced, has given the most unbounded satisfaction, and its merits have received, from a discriminating public, encomiums of the most flattering character. Numerous certificates can be produced, if necessary, from practical source showing the good effects accruing from the use of this powerful and never-failing Agent. But we deem it unnecessary, knowing its intrinsic worth will speak with a more convincing and acceptable language, than any other utterance which might be given to advance its sale and use. When applied in strict accordance with the directions given, the following cases have been treated with unparalleled success. Man finds in its immediate virtues relief for the many ills he is by nature heir to, viz: Rheumatism, Stiffness and weakness of the Limbs, Sciatic or Hip Pains, Swellings, Sprains and Ulcers of year's standing, which have baffled the skill of Medical science, and the self-laudation of humbug and quackery. The Horse finds in it a healing and soothing balm, for when used as directed, a cure is certain in many of those concomitant diseases so frequently found in this invaluable beast, such as String Halts, Blood and Bone Spavin, wind Galls, weakness and Stiffness of the Limbs, Burns, Scratches, Old Sores, Saddle Galls, &c, &c.

Prof. Alex. C. Barry's Tricopherous, or MEDICATED COMPOUND,

FOR Beautifying, Curling, Preserving, Restoring, and Strengthening the Hair, relieving diseas of the Skin, curing rheumatic pains and healing external wounds. Bounded by no geographical lines, the reputation of Barry's Tricopherous pervades the Union. The sales of the article of late years have increased in a ratio that almost exceeds belief. Professor Barry, after a careful examination of his sales book, finds that the number of bottles delivered to order, in quantities of from half a gross upward, during the year 1852, was within a trifle of 950,000.

It is unnecessary to present at length the evidences of the wonderful properties of the Tricopherous when the public have furnished such an endorsement as this. The cheapness of the article, and the explanations given of its chemical action upon the hair, the scalp, and in all cases of superficial irritation, first recommended it to the attention of the people. This was all that the inventor desired. Every bottle advertised itself.—The effects of the fluid exceeded expectation. It acted like a charm. The ladies would not be without it. Country dealers in every section of the United States found they must have it; and thus was built up a wholesale trade of an extent hitherto unheard of as regards articles of this kind. The highest point has not yet been reached, and it is believed that the sales this year will be a million and a half of bottles.

Depot and Manufactory, No. 137 Broadway, New York. Retail price, 25 cents a large bottle. Liberal discount to purchasers by the quantity. MEXICAN MUSTANG LINIMENT.

THE properties of this Liniment have never been equalled for the cure of *Rheumatism, Neuralgia, Sprains, Burns, Swellings, Stiff Joints, Piles, Broken or Caked Breast, Sore Nipples, Old Sores* or pains in any part of the body an external application can reach. We have hundreds of certificates from those that have been cured of those diseases, and also from those that have had Horses cured of *Ringbone, Spavin, Fistaloes, Pollevil, Founder,* any enlargement of the Bone and Muscle.

WONDERFUL CURE.

Messrs. A. G. Bragg & Co.—Gentlemen:—We have been using your *MEXICAN MUSTANG LINIMENT* with the most perfect success. One of our most valuable Express Horses had been much troubled by large swellings or tumors on the footlocks; they had grown larger than hen's eggs. Besides being disfigured by these appendages, the limbs and joints appeared quite stiffened, swollen and lame. We had tried many liniments and other remedies, but nothing appeared to produce any effect upon them. We would willingly have given twenty-five dollars to have had them removed, and the horse restored to soundness. Our hostler obtained some of your Liniment, and applied it without our knowledge. A few days ago he called our attention to the horse—and, to our surprise and gratification, his legs were perfectly smooth—*the Tumors having entirely disappeared!* We asked him by what magic he had effected such a remarkable cure? His reply was, that he had been using the MUSTANG LINIMENT on them about ten days—and the result was the entire removal of the tumors, without producing any soreness, or leaving a scar!

We therefore take great pleasure in recommending the Liniment, and shall continue to use it whenever occasion requires, in preference to any other preparation, so long as it produces such remarkable results. KINSLEY & Co.,

Southern and Eastern Express, No. 1 Wall street,

June 30, '52. Corner of Broadway, N. Y.

Having been afflicted with the Rheumatism many years without being able to obtain any relief from Doctors, or popular remedies, I determined to try the *MUSTANG LINIMENT.* Much to my surprise, and *joy,* as you may well imagine, I received almost immediate relief, and began to recover rapidly. One 50 cent bottle has nearly cured me, and I am satisfied that a few more applications of the Liniment will perfectly eradicate the disease from my system. A. FREEMAN.

Savannah, Geo. Feb 2, '52. Attest,

HUMPHREYS & JOHNSON.

G. F. SECCHI DE CASSALI, Editor of the "*L' Eco De Italia,*" No. 9, Spruce-street, New York, had a very severe attack of Neuralgia in the face, occasioned by taking cold in a decayed tooth. At first it was a real "jumping tooth-ache," but soon the whole side of the face and jaw became swollen and inflamed, and the pain was most excruciating. In this condition he came into the store a few days ago, with his hands convulsively pressing his cheek, and his features very much distorted into expressions of great agony. We immediately applied the Mustang Liniment and gave him a bottle to continue its use. This morning he called with smiles of pleasure and feelings of gratitude, illuminating his countenance, to say that the Liniment gave him almost instant relief, and had effected a perfect cure. Comments are unnecessary. Facts speak for themselves.

Electro--Magnetic Remedies for CHRONIC DISEASES,

By HENRY HALL SHERWOOD, M. D.

DR. H. H. SHERWOOD'S Electro Magnetic Remedies for Chronic Diseases, including all the forms of Scrofula. These remedies of the late eminent Henry Hall Sherwood, M. D., are prepared for a class of diseases for which, as all medical experience testifies, no other efficient remedies are known. They are offered with a confidence which is justified by the pathological principles upon which they are prescribed, and by a practice of many years, in which they have been successful. Their effects, though slow, when compared with those of medicines used in acute diseases, are nevertheless sure, even in the worst cases of chronic diseases, unless there be extensive organic destruction and loss of organic substance. Under their influence, extensive tuberculations of the Lungs, Liver, stomach and Intestines, and tuburculous enlargements of the heart and others, as well as the most obstinate scrofulous swellings, have been entirely subdued. Cases even of advanced Consumption have been cured by them, in periods varying from eight weeks to four months. An abridgement of the elaborate treatise of Dr. Sherwood upon the electro magnetic Chronic Diseases, will be sent to any one desirous of further information, without charge.

The price of these remedies has long been fixed at $10. One half the usual quantity required can be sent, if preferred, at $5.

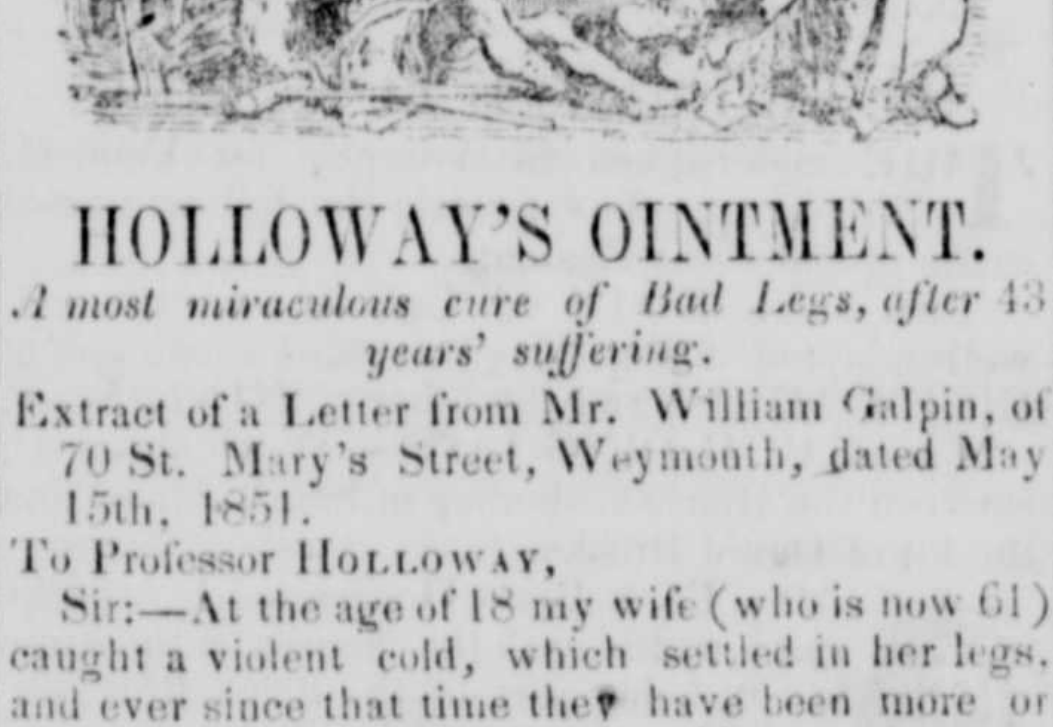
HERE IS YOUR REMEDY!



HOLLOWAY'S OINTMENT.

A most miraculous cure of Bad Legs, after 43 years' suffering.

Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.

To Professor HOLLOWAY,

Sir:—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the suffering of a fellow creature. (Signed) WILLIAM GALPIN.

A person 70 years of age cured of a Bad Leg, of thirty years' standing.

Copy of a Letter from Mr. William Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31st, 1851.

To Professor HOLLOWAY,

Sir:—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.

(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13 Market Street, Huddersfield.

A dreadful Bad Breast cured in one Month.

Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated Dec. 13, 1850.

To Professor HOLLOWAY,

Dear Sir, My wife had suffered from bad breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FREDERICK TURNER.

HAMPTON'S VEGETABLE TINCTURE,

THE GREAT RESTORATIVE AND INVIGORATOR, *and cure for Rheumatism, Dyspepsia, Scrofula, &c.* This medicine is altogether FROM THE VEGETABLE KINGDOM, & may be used by any one *without injurious consequences.*

By a wise choice and combination of some of the best of each class of co-operative simple remedies, it fully reaches all the essential organs of the human system, and thus it has proved itself so effectually curative of the *whole round of the Chronic Affections.*

This article was discovered by **Dr. JESSE HAMPTON,** now in fine health in the 79th year of his age. He was born in Virginia in 1775, emigrated to Kentucky—then a wilderness—with his father, in 1779. In early manhood he was so reduced by disease as to be almost wrecked in constitution. He spent much of his living for medical advice and attention, and grew nothing better, but worse. Finding no relief from his physicians, he resolved to try the restorative powers of the roots, barks, leaves, plants, &c., of the forest. He then dwelt in the midst of the Red Men of the Western wilds. Having heard much of their skill in the use of vegetable remedies of the forest, and knowing their mode of medicinal practice must be one of practical experience and not of theoretical speculation, he made himself acquainted with their remedies, and also with the practical medicinal knowledge of the early settlers of Kentucky had obtained from the "medicine men" of the Indians.

He carefully studied the nature of the medicines used by them, combined them according to the light he had received, used them as he had been taught, and had the cheering satisfaction of finding disease driven from his emaciated body, and vigorous health given in its stead. His case was of no ordinary kind, but astonishing to his friends and neighbors. The fame of it spread; the people far and near sent to the doctor for his successful and wonderful combination of Indian remedies; which was freely given them, until the cases became so numerous and the demand so great that the doctors was advised by his friend, and induced through justice to himself, to put up his Vegetable Tincture in bottles, and charge a price for it which was freely given. Finding its way into the first and most intelligent families, and astonishing all by its wonderful cures; commanding certificates and testimony in its favor from the leading and some of the most talented men of the country.

UNPARALLELED SUCCESS.

The many cures made by it, and the great demand, have induced the proprietors to offer it to the afflicted in this city, with the honest conviction that the same happy results will follow its use here, as in numerous other places.

HON. HENRY CLAY AND HON R. M. JOHNSON have certified to its merits. CAPTAIN CANOT, brother of the celebrated physician to the

EMPEROR OF FRANCE

was cured by it of Chronic Inflamatory Rheumatism of seven years duration, after the skill of the physicians of Paris, London, and of this country had failed. Rev. Vernon Eskridge, chaplain U. S. Navy, was cured by it. Also, Judge Davies, Hon. T. H. Shelby, Members of Congress, with members of the State Department, Washington, and hundreds of others, who give their testimony to this wonderful discovery.

PHYSICIANS

have cured themselves, and the members of their families, by its use, after their own remedies had failed; and some of them are so generous as to recommend it to their patients.

It has shown itself most powerfully curative of

NERVOUS DISEASES

in their various forms, giving new life and vigor, restoring the shattered constitution, and thus infusing hope in place of despondency. By its mild, pleasant and safe action on the stomach, liver, kidneys, lungs, and the nervous system, it cures DYSPEPSIA, LIVER COMPLAINT, DISEASES OF THE URINARY ORGANS, COUGHS, ASTHMA, BRONCHIAL AFFECTIONS, CONSUMPTION, SCROFULA, KING'S EVIL, WORMS, RHEUMATISM, GOUT, NEURALGIA, ST. VITUS' DANCE, FITS, FISTULA, PILES, *with all diseases arising from impure blood.*

THE FEMALE SYSTEM

has in Dr. HAMPTON'S VEGETABLE TINCTURE, a cure for its numerous and complicated derangements. Hundreds who have been debilitated and dispirited, and on the verge of a premature grave, have been restored by its use to blooming health, which we are abundantly able to prove by such a host of

LIVING WITNESSES

as we think no other medicine can produce.

To publish all the testimony in its favor, would make a large volume.

Numerous Letters and Certificates, showing its Restorative and Healing Qualities, are published in a pamphlet, which, with their originals, and a host of other commendatory letters not yet published, the proprietors will be pleased to exhibit to the public.

Attention is not called alone to the quantity of the testimony, but also to its

HIGH CHARACTER.

Thousands will testify to cures on themselves, wives, children and friends, after all other remedies had failed. We give below a few extracts.

We request all to call and get pamphlets (gratis,) and see history of the discovery of this medicine, and read the certificates of its cures, showing a mass of testimony, such, as we believe was never given to any other medicine.

From Hon. John H. T. Jerome, Mayor of the City of Baltimore.

MAYOR'S OFFICE—*Baltimore,* Aug. 23, 1852.

I take great pleasure in stating, that I have examined the names of those who have signed certificates, respecting "Hampton's Vegetable Tincture," and among them I recognize gentlemen of the first respectability, viz: JOS. K. STAPLETON, WM. A. SCHAEFFER, G. DUNAN, and others. I also cheerfully testify to the high standing of the house of Messrs. Mortimer & Mowbray, who, for the past twenty years, have enjoyed the entire confidence and esteem of both our merchants and citizens generally. JNO. H. T. JEROME.

LIVER COMPLAINT, DEBILITY.

[Extract from Jas. Harris, Esq's Letter, Alexandria, Va.]

After speaking of wonderful cures on himself, he says: "Mrs. H. has been suffering with the liver complaint and with inability, constantly complaining, from weakness, through her whole system. She now enjoys better health than for thirty years, being entirely restored by the use of Hampton's Vegetable Tincture."

MERCURIAL RHEUMATISM.

Mr. Jarrett Plummer, 158 East Baltimore st., suffered with this disease intensely six years; could not sleep; dreadful ulcers formed in his limbs, from which splinters of bones issued. His physician pronounced him incurable; but Hampton's Vegetable Tincture cured him.

HEREDITARY SCROFULA.

A boy in the family of Hon. W. H. P. Thomasson, once member of Congress from Kentucky, was a mass of sores from head to foot. His eyelids turned inside out, protruding over the eyeballs so as to produce blindness. He was cured by *Hampton's Vegetable Tincture.*

Dyspepsia, Nervous Disease, &c.

Mr. Wm. Oldham, of Baltimore custom house, suffered these complaints for eighteen months, with both body and mind seriously affected. He was cured by Hampton's Vegetable Tincture, after other things failed.

Cough, Consumption, &c.

Mr. Henry C. Winn had a cough for 5 years, great weakness, &c; had, in all, five or six physicians; tried all their remedies, but was cured only by HAMPTON'S VEGETABLE TINCTURE. Call and get a Pamphlet gratis. Sold by DAWSON & BRO., Easton, MANSFIELD & HARRISON, St. Michaels, DR. FLINT, Cambridge, MORTIMER & MOWBRAY, Baltimore, and by Storekeepers generally. [may 7—tnov6
