LIVER COMPLAINT, DEBILITY.
[Extract from Jas. Harris, Esq's Letter, Alexandria, Va.]
After speaking of wonderful cures on himself, he says: "Mrs. H. has been suffering with the liver complaint and with inability, constantly complaining, from weakness, through her whole system. She now enjoys better health than for thirty years, being entirely restored by the use of Hampton's Vegetable Tincture."

MERCURIAL RHEUMATISM.
Mr. Jarrett Plummer, 158 East Baltimore st., suffered with this disease intensely six years; could not sleep; dreadful ulcers formed in his limbs, from which splinters of bones issued. His physician pronounced him incurable; but Hampton's Vegetable Tincture cured him.

HEREDITARY SCROFULA.

The Farmer's Friend and the Poor Man's Companion, When Disease and Afflic ion Come Upon him, Cure Guaranteed.
Culpa sua damnum sentiens, non intelligitur damnum."—He who suffers by his own fault, is not to be deemed a sufferer.
This celebrated Remedy, wherever introduced, has given the most unbounded satisfaction, and its merits have received, from a discriminating public, encomiums of the most flattering character. Numerous certificates can be produced, if necessary, from practical source showing the good effects accruing from the use of this powerful and never-failing Agent. But we deem it unnecessary, knowing its intrinsic worth will speak with a more convincing and acceptable language, than any other utterance which might be given to advance its sale and use. When applied in strict accordance with the directions given, the following cases have been treated with unparalleled success. Man finds in its immediate virtues relief for the many ills he is by nature heir to, viz: Rheumatism, Stiffness and weakness of the Limbs, Sciatic or Hip Pains, Swellings, Sprains and Ulcers of year's standing, which have baffled the skill of Medical science, and the self-laudation of humbug and quackery. The Horse finds in it a healing and soothing balm, for when used as directed, a cure is certain in many of those concomitant diseases so frequently found in this invaluable beast, such as String Halts, Blood and Bone Spavin, wind Galls, weakness and Stiffness of the Limbs, Burns, Scratches, Old Sore,s Saddle Galls, &c, &c.

Prof. Alex. C. Barry's Tricopherous,
or MEDICATED COMPOUND,

FOR Beautifying, Curling, Preserving, Restoring, and Strengthening the Hair, relieving diseas of the Skin, curing rheumatic pains and healing external wounds. Bounded by no geographcial lines, the reputation of Barry's Tricopherous pervades the Union. The sales of the article of late years have increased in a ratio that almost exceeds belief. Professor Barry, after a careful examination of his sales book, finds that the number of bottles delivered to order, in quantities of from half a gross upward, during the year 1852, was within a trifle of 950,000.
It is unnecessary to present at length the evidences of the wonderful properties of the Tricopherous when the public have furnished such an endorsement as this. The cheapness of the article, and the explanations given of its chemical action upon the hair, the scalp, and in all cases of superficial irritation, first recommended it to the attention of the people. This was all that the inventor desired. Every bottle advertised itself.—The effects of the fluid exceeded expectation. It acted like a charm. The ladies would not be without it. Country dealers in every section of the United States found they must have it; and thus was built up a wholesale trade of an extent hitherto unheard of as regards articles of this kind. The highest point has not yet been reached, and it is believed that the sales this year will be a million and a half of bottles.
Depot and Manufactory, No. 137 Broadway, New York. Retail price, 25 cents a large bottle.
Liberal discount to purchasers by the quantity. Sold by the principal Merchants and Druggists throughout the United States and Canada, Mexico, West Indies, Great Britain, France, &c., and by Messrs. DAWSON & BRO., Easton.

MEXICAN
MUSTANG LINIMENT.

THE properties of this Liniment have never been equalled for the cure of *Rheumatism, Neuralgia, Sprains, Burns, Swellings, Stiff Joints, Piles, Broken or Caked Breast, Sore Nipples, Old Sores* or pains in any part of the body an external application can reach. We have hundreds of certificates from those that have been cured of those diseases, and also from those that have had Horses cured of *Ringbone, Spavin, Fistaloes, Pollevil, Founder*, any enlargement of the Bone and Muscle.

WONDERFUL CURE.
Messrs. A. G. Bragg & Co.—Gentlemen:—We have been using your *MEXICAN MUSTANG LINIMENT* with the most perfect success. One of our most valuable Express Horses had been much troubled by large swellings or tumors on the footlocks; they had grown larger than hen's eggs. Besides being disfigured by these appendages, the limbs and joints appeared quite stiffened, swollen and lame. We had tried many liniments and other remedies, but nothing appeared to produce any effect upon them. We would willingly have given twenty-five dollars to have had them removed, and the horse restored to soundness. Our hostler obtained some of your Liniment, and applied it without our knowledge. A few days ago he called our attention to the horse—and, to our surprise and gratification, his legs were perfectly smooth—*the Tumors having entirely disappeared!* We asked him by what magic he had effected such a remarkable cure? His reply was, that he had been using the MUSTANG LINIMENT on them about ten days—and the result was the entire removal of the tumors, without producing any soreness, or leaving a scar!
We therefore take great pleasure in recommending the Liniment, and shall continue to use it whenever occasion requires, in preference to any other preparation, so long as it produces such remarkable results. KINSLEY & Co.,
Southern and Eastern Express, No. 1 Wall street,
June 30, '52. Corner of Broadway, N. Y.

Having been afflicted with the Rheumatism many years without being able to obtain any relief from Doctors, or popular remedies, I determined to try the *MUSTANG LINIMENT*. Much to my surprise, and *joy*, as you may well imagine, I received almost immediate relief, and began to recover rapidly. One 50 cent bottle has nearly cured me, and I am satisfied that a few more applications of the Liniment will perfectly eradicate the disease from my system. A. FREEMAN.
Savanah, Geo. Feb 2, '52. Attest,
HUMPHREYS & JOHNSON.

G. F. SECCHI DE CASSALI, Editor of the "*L' Eco De Italia*," No. 9, Spruce-street. New York, had a very severe attack of Neuralgia in the face, occasioned by taking cold in a decayed tooth. At first it was a real "jumping tooth-ache," but soon the whole side of the face and jaw became swollen and inflamed, and the pain was most excruciating. In this condition he came into the store a few days ago, with his hands convulsively pressing his cheek, and his features very much distorted into expressions of great agony. We immediately applied the Mustang Liniment and gave him a bottle to continue its use. This morning he called with smiles of pleasure and feelings of gratitude, illuminating his countenance, to say that the Liniment gave him almost instant relief, and had effected a perfect cure. Comments are unnecessary. Facts speak for themselves.

HERE IS YOUR REMEDY.

HOLLOWAY'S OINTMENT.
A most miraculous cure of Bad Legs, after 43 years' suffering.
Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.
To Professor HOLLOWAY,
SIR:—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the suffering of a fellow creature. (Signed) WILLIAM GALPIN.

A person 70 years of age cured of a Bad Leg, of thirty years' standing.
Copy of a Letter from Mr. William Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31st, 1851.
To Professor HOLLOWAY,
SIR:—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the facts.
(Signed) WILLIAM ABBS.
The truth of this statement can be verified by Mr. W. P. England, Chemist, 13 Market Street, Huddersfield.

A dreadful Bad Breast cured in one Month.
Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated Dec. 13, 1850.
To Professor HOLLOWAY,
Dear Sir, My wife had suffered from bad breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.
(Signed) FREDERICK TURNER.
