A Letter from a Grateful Heart.

WELL MAY DR. HAMPTON, now aged 80 years, exclaim this Tincture is the Gift of a Gracious Providence.

BALTIMORE, Sept. 21st. 1853.

Messrs. Mortimer & Mowbray:—

I have been afflicted with the Liver Complaint for the last five years during which time I had the attention of one of the *best Physicians* in the city, who prescribed various remedies all of which I tried and received little or no relief, the disease gradually becoming *worse*; the pain in my right side at length grew so severe and so constant that I could not rest day or night. I was also afflicted with a sore pain in my breast, under the shoulders and across the back, palpitation of the heart and the most excrutiating pain in my head, which was so intense as almost to deprive me of reason. My breast was so weak, that for months I was unable to raise my hand to my head without suffering pain. For two years previous to using the Tincture, I was not able to walk two squares, or sit more than fifteen minutes at intervals during the day, and I can say that during this period (two years,) I was not free from pain one half an hour at a time.

I heard of *Dr. Hampton's Vegetable Tincture*, but my means being very much limited owing to my long affliction, and to the money expended for medicines which done me no good, I felt myself entirely unable to try it, but through the agency of a kind friend, to whom I shall ever feel my indebtedness, and the kindness and generosity of Messrs. Mortimer & Mowbray, which will ever be remembered by me with heartfelt gratitude, I was enabled to test its *virtues*. I have used several bottles, and there is that improvement in my health which surprises my friends and myself, for previously to using the Tincture I had given up all hopes of ever being free from pain, and despaired of ever being able to walk abroad again, but since taking the medicine the pain in my head and breast have entirely left me; my appetite is good, before I had none; the pain in my side, which had weakened it so that I could not walk at all, is now slight, and I can walk any moderate distance with very little inconvenience, a thing I have not been able to do for four years.

Such is the benefit I have derived from this Hampton's Tincture that I sincerely believe a few more bottles, under the blessings of Divine Providence, will effect a perfect and permanent cure.—I write this trusting that Messrs. Mortimer & Mowbray will have it published, and in hopes that those who are afflicted as I have been will give Dr. Hampton's vegetable Tincture a trial, and they will soon be convinced it is the best medicine ever offered to the public.

Yours, ALPHONSA MORTON,
No. 50 Oregon street.

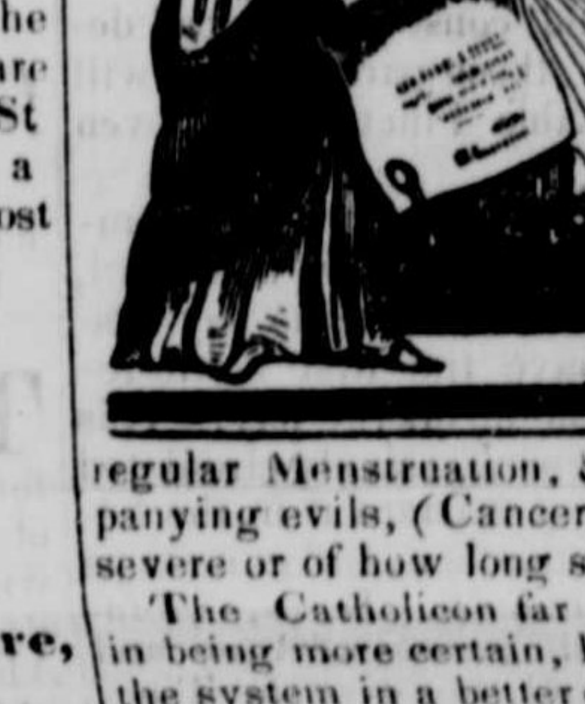

☞ Hundreds in this city will bear the same testimony.

☞ Delicate females and children will find this a great remedy.

DR. J. B. MARCHISI'S CELEBRATED CATHOLICON

For the Relief and Cure of Suffering Females.

IT stands pre-eminent for its curative powers in all the diseases for which it is recommended, called **Female Complaints.** Of these are Prolapsus Uteri, or Falling of the Womb; Flour Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful, Suppressed, and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted) no matter how severe or of how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition. Let all interested in such a remedy call and obtain a pamphlet (free) containing ample proof, from highly respectable sources, of the happy results of its use, together with letters from first-class experienced physicians, who have used it in their practice, and speak from their own observations.

Letter addressed to Messrs. Beach & Brownson, Agents at Newberry C. H., S. C., by Rev. C. S. Beard, of same State:

GLENN SPRINGS, Jan. 9th, 1853.

Messrs. Beach & Brownson—Sirs: I send for another bottle of your "Marchisi's Uterine Catholicon." My wife has been afflicted for eleven years, and a variety of means has been resorted to for relief, but none was obtained until I received this medicine from you. Its influence seems almost magical; there was a manifest improvement from the day it was taken.

As there are a great many females in our country laboring under the affliction for which your medicine proposes a remedy, I feel it a duty to recommend it to all such. (Signed)
CLOUGH S. BEARD.
