A Letter from a Grateful Heart.

WELL MAY DR. HAMPTON, now aged 80 years, exclaim this Tincture is the Gift of a Gracious Providence.

BALTIMORE, Sept. 21st. 1853.

Messrs. Mortimer & Mowbray:—

I have been afflicted with the Liver Complaint for the last five years during which time I had the attention of one of the *best Physicians* in the city, who prescribed various remedies all of which I tried and received little or no relief, the disease gradually becoming *worse;* the pain in my right side at length grew so severe and so constant that I could not rest day or night. I was also afflicted with a sore pain in my breast, under the shoulders and across the back, palpitation of the heart and the most excrutiating pain in my head, which was so intense as almost to deprive me of reason. My breast was so weak, that for months I was unable to raise my hand to my head without suffering pain. For two years previous to using the Tincture, I was not able to walk two squares, or sit more than fifteen minutes at intervals during the day, and I can say that during this period (two years,) I was not free from pain one half an hour at a time.

I heard of *Dr. Hampton's Vegetable Tincture,* but my means being very much limited owing to my long affliction, and to the money expended for medicines which done me no good, I felt myself entirely unable to try it, but through the agency of a kind friend, to whom I shall ever feel my in debtedness, and the kindness and generosity of Messrs. Mortimer & Mowbray, which will ever be remembered by me with heartfelt gratitude, I was enabled to test its *virtues.* I have used several bottles, and there is that improvement in my health which surprises my friends and myself, for previously to using the Tincture I had given up all hopes of ever being free from pain, and despaired of ever being able to walk abroad again, but since taking the medicine the pain in my head and breast have entirely left me; my appetite is good, before I had none; the pain in my side, which had weakened it so that I could not walk at all, is now slight, and I can walk any moderate distance with very little inconvenience, a thing I have not been able to do for four years.

Such is the benefit I have derived from this Hampton's Tincture that I sincerely believe a few more bottles, under the blessings of Divine Providence, will effect a perfect and permanent cure.—I write this trusting that Messrs. Mortimer & Mowbray will have it published, and in hopes that those who are afflicted as I have been will [...] Dr. Hampton's vegetable Tincture a trial, [t]hey will soon be convinced it is the best med[icine] ever offered to the public.

[...]rs, ALPHONSA MORTON,
No. 50 Oregon street.

[...] Hundreds in this city will bear the same [te]stimony.

[...] Delicate females and children will find this [gre]at remedy.

[...]Sold in Easton by DAWSON & BRO.; St. [Mi]chaels, Mansfield & Harrison; Cambridge, Dr. [F]lint; Mortimer & Mowbray, Baltimore, and by [D]ruggists generally. [nov 5—1y

"TRUTH IS MIGHTY."

A PLAIN UNVARNISHED STATEMENT.—We commend the perusal of the extract below to our readers. Mr. Bull is a merchant of high character:—

SANDY BOTTOM, Middlesex Co., Va., Aug. 26, 1853.

Messrs. Mortimer & Mowbray—Gents: You may think it strange that I have taken the liberty to write you this letter, but I do so under circumstances that justify it. As you are the Agents for HAMPTON'S VEGETABLE TINCTURE, I deem it expedient to address you this note hoping it may be a part of the honorable means of giving this medicine that notoriety which its merits deserve.

Being in the habit of vending medicines which relate to the patent, and regular system, I consider myself, to some extent, a judge of the real merits of any of them. My experience teaches me that "Hampton's Tincture" is a medicine of real merit and intrinsic value. When I say this, I do not say that it is an infallible cure, in all cases, but I mean to say that "Hampton's Tincture" will favorably operate in all diseases originating from a want of proper secretions of the gastric juices, bad digestion, and consequently bad deposits of animal matter from that source. I believe that many diseases located in various parts of the system, such as Inflammation, Ulcers, Scrofula, &c., &c., originally have their being in the stomach, from bad food, bad digestion, and consequently bad deposits of the circulation to those parts; and I will believe Hampton's Vegetable Tincture will even reach those cases.

Having found out myself, what it is, I recommend it to others in such cases as I have described, and I have done it upon the "no cure no pay system" and I have yet to have the first bottle returned, or the first objection about the pay. It is a great pity it cannot be more extensively circulated among the people. * * I warrant it in the following cases: Gout, Rheumatism, Inflammations which proceed from the stomach. Sores, Scrofula, Dyspepsia, long standing cases of Ague and Fever: first stop the chill, and then give the Tincture.—the difficulty in this is not in stopping the chill, but the return of it. This the Tincture will certainly do. In general debilitations, I warrant it, and as I said before, I have procured a trial of it in this way, which otherwise I could not; the people have been humbugged by patent medicines so long, that they are afraid of all. This is clearly a stomach medicine, it works all its wonders there and in all such cases it is a specific, if any thing in the world is.

Having given the Tincture a fair trial with myself, in my family and neighborhood, I think I am warranted in what I say about it, and which I do without any other interest than the wish to see it in general circulation, and in every man's family, where it ought to be.

If what I say by doubted by any of the afflicted and they will write to me at Sandy Bottom Post Office, Middlesex county, Va., stating the nature of the diseases and I recommend it for such a case I will warrant it, and if it don't do good I will pay for the medicine. Respectfully,

THOS. R. BULL.

Delicate females and children will find this a great blessing. It has restored thousands to health.

Culpa sua damnum sentiens, non intelligitur damnum."—He who suffers by his own fault, is not to be deemed a sufferer.

This celebrated Remedy, wherever introduced, has given the most unbounded satisfaction, and its merits have received, from a discriminating public, encomiums of the most flattering character. Numerous certificates can be produced, if necessary, from practical source showing the good effects accruing from the use of this powerful and never-failing Agent. But we deem it unnecessary, knowing its intrinsic worth will speak with a more convincing and acceptable language, than any other utterance which might be given to advance its sale and use. When applied in strict accordance with the directions given, the following cases have been treated with unparalleled success. Man finds in its immediate virtues relief for the many ills he is by nature heir to, viz: Rheumatism, Stiffness and weakness of the Limbs, Sciatic or Hip Pains, Swellings, Sprains and Ulcers of year's standing, which have baffled the skill of Medical science, and the self-laudation of humbug and quackery. Prof. Alex. C. Barry's Tricopherous, or MEDICATED COMPOUND,

FOR Beautifying, Curling, Preserving, Restoring, and Strengthening the Hair, relieving diseas of the Skin, curing rheumatic pains and healing external wounds. Bounded by no geographical lines, the reputation of Barry's Tricopherous pervades the Union. The sales of the article of late years have increased in a ratio that almost exceeds belief. Professor Barry, after a careful examination of his sales book, finds that the number of bottles delivered to order, in quantities of from half a gross upward, during the year 1852, was within a trifle of 950,000.

It is unnecessary to present at length the evidences of the wonderful properties of the Tricopherous when the public have furnished such an endorsement as this. The cheapness of the article, and the explanations given of its chemical action upon the hair, the scalp, and in all cases of superficial irritation, first recommended it to the attention of the people. This was all that the inventor desired. Every bottle advertised itself.—The effects of the fluid exceeded expectation. It acted like a charm. The ladies would not be without it. Country dealers in every section of the United States found they must have it; and thus was built up a wholesale trade of an extent hitherto unheard of as regards articles of this kind. The highest point has not yet been reached, and it is believed that the sales this year will be a million and a half of bottles.

Depot and Manufactory, No. 137 Broadway, New York. Retail price, 25 cents a large bottle. Liberal discount to purchasers by the quantity. Sold by the principal Merchants and Druggists throughout the United States and Canada, Mexico, West Indies, Great Britain, France, &c., and by Messrs. DAWSON & BRO., Easton.

MEXICAN MUSTANG LINIMENT.

THE properties of this Liniment have never been equalled for the cure of *Rheumatism, Neuralgia, Sprains, Burns, Swellings, Stiff Joints, Piles, Broken or Caked Breast, Sore Nipples, Old Sores* or pains in any part of the body an external application can reach. We have hundreds of certificates from those that have been cured of those diseases, and also from those that have had Horses cured of *Ringbone, Spavin, Fistuloes, Pollevil, Founder,* any enlargement of the Bone and Muscle.

WONDERFUL CURE.

Messrs. A. G. Bragg & Co.—Gentlemen:—We have been using your *MEXICAN MUSTANG LINIMENT* with the most perfect success. One of our most valuable Express Horses had been much troubled by large swellings or tumors on the footlocks; they had grown larger than hen's eggs. Besides being disfigured by these appendages, the limbs and joints appeared quite stiffened, swollen and lame. We had tried many liniments and other remedies, but nothing appeared to produce any effect upon them. We would willingly have given twenty-five dollars to have had them removed, and the horse restored to soundness. Our hostler obtained some of your Liniment, and applied it without our knowledge. A few days ago he called our attention to the horse—and, to our surprise and gratification, his legs were perfectly smooth—*the Tumors having entirely disappeared.* We asked him by what magic he had effected such a remarkable cure? His reply was, that he had been using the MUSTANG LINIMENT on them about ten days—and the result was the entire removal of the tumors, without producing any soreness, or leaving a scar!

We therefore take great pleasure in recommending the Liniment, and shall continue to use it whenever occasion requires, in preference to any other preparation, so long as it produces such remarkable results. KINSLEY & Co.,

Having been afflicted with the Rheumatism many years without being able to obtain any relief from Doctors, or popular remedies, I determined to try the *MUSTANG LINIMENT.* Much to my surprise, and *joy,* as you may well imagine, I received almost immediate relief, and began to recover rapidly. One 50 cent bottle has nearly cured me, and I am satisfied that a few more applications of the Liniment will perfectly eradicate the disease from my system. A. FREEMAN.

G. F. SECCHI DE CASSALI, Editor of the "*L' Eco De Italia,*" No. 9, Spruce-street, New York, had a very severe attack of Neuralgia in the face, occasioned by taking cold in a decayed tooth. At first it was a real "jumping tooth-ache," but soon the whole side of the face and jaw became swollen and inflamed, and the pain was most excruciating. In this condition he came into the store a few days ago, with his hands convulsively pressing his cheek, and his features very much distorted into expressions of great agony. We immediately applied the Mustang Liniment and gave him a bottle to continue its use. This morning he called with smiles of pleasure and feelings of gratitude, illuminating his countenance, to say that the Liniment gave him almost instant relief, and had effected a perfect cure. Comments are unnecessary. Facts speak for themselves.

HERE IS YOUR REMEDY.

HOLLOWAY'S OINTMENT.

A most miraculous cure of Bad Legs, after 43 years' suffering.

Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.

To Professor HOLLOWAY,

SIR:—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature.
(Signed) WILLIAM GALPIN.

A person 70 years of age cured of a Bad Leg, of thirty years' standing.

Copy of a Letter from Mr. William Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31st, 1851.

To Professor HOLLOWAY,

SIR:—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment hav. effected a complete cure in so short a time, that few who had not witnessed it would credit the facts.
(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13 Market Street, Huddersfield.

A dreadful Bad Breast cured in one Month.

Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated Dec. 13, 1850.

To Professor HOLLOWAY,

Dear Sir. My wife had suffered from bad breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.
(Signed) FREDERICK TURNER.
