TRAPPE ELECTION OFFICERS.

EDITORS GAZETTE:—

The officers who are to conduct the election next month have been appointed and if the rest of the County is to be judged by Trappe District there is to be but little improvement over last year. This is both a surprise and a disappointment to us. When the present Board of Election Supervisors was appointed we thought there was to be an end of the Willis-Wheeler methods. We knew Mr. John H. Craig well and believed him to be honorable, honest and fair. Mr. George was very little known to our people but from what we could hear of him, we were favorably impressed notwithstanding the fact that he was a member of the famous grand jury of '93 of which School Commissioner Moore was foreman. Mr. Biery is not well known down here but we assumed that he was a loyal republican. In view of these facts you can imagine our surprise when we learned that the same Ballot clerks had been appointed for this district that we had in last year's farce. Can you explain it? Who is to blame for it? If there was no other objection to these appointments the very fact that they were the choice of the last Board of Election Supervisors and received their appointment last year at their hands in utter disregard of the provisions of the election law, would be enough to make them objectionable to our people. But there are other reasons not necessary to mention now, why these appointments should not have been made. Again we ask who is responsible for them? Did Mr. Craig nominate Mr. Bryan and if so did Mr. Biery consent to his appointment? Did Mr. Biery nominate Mr. Carroll and if so we would be glad to know on whose recommendation. If Mr. Biery did not nominate him, how did he get the appointment? Did the Board try to follow in the footsteps of their illustrious predecessors and appoint him contrary to law and the instructions of the Court?

Mr. Editor, we would be glad if you would explain these things. We do not want to change our opinion of our neighbor, John Craig who has heretofore had the respect and confidence of our whole Community. Is he responsible for these appointments or are we to blame our Republican Supervisor? *Trappe Republican.*

We understand that in the case of Mr. Bryan that Mr. Craig nominated him for Ballot Clerk—that Mr. Biery objected and that then Mr. Craig submitted the names of Isaac Bryan, William S. Merrick and William Reddie, as the law provides, from which number was selected Mr. Bryan, believing that notwithstanding the objections to Mr. Bryan that he would be more acceptable to the Republicans of Trappe than either of the others. As to the other appointment we have as yet, no information. EDITORS.

WHOM do men banquet, their friends or their foes? The men whose views coincide with theirs or those who differ from them? America is the only formidable competitor that England has either in manufacturing or trade. Just in proportion as we advance, England must suffer. When England controls the markets of the world the United States must suffer. Mr. Wilson, Democratic Congressman from W. Va., has just visited England, where he was banqueted, feasted, toasted and applauded by English free traders and shown more attention than any prominent American has ever received. Why? Because he is their enemy? No. Because his policy would injure England? No. Because it would build up the trade and the manufactories of the United States? No, but for every workshop closed in America one would be opened in Great Britain. For every workingman thrown out of employment in America, one would be put to work in England. For every market closed to us, one would be opened to them. They did right to banquet Mr. Wilson. They did right to applaud his views, they ought to be grateful to him. Will the American farmer, mechanic and merchant vote for men in sympathy with Mr. Wilson's views, or will they vote for men who will look to our interests? Or are we so charitable that for the sake of helping England we will injure our own people? The 6th of November will settle the question and we think in favor of American toilers and American interests.

Hood's Saved My Life

I Can Honestly Say This

"For years I was in a very serious condition with catarrh of the stomach, bowels and bladder. I suffered intensely from dyspepsia, and in fact was a miserable wreck, merely a skeleton. I seemed to go **from bad to worse.** I really wished I was dead. I had no rest day or night. I did not know what to do. I had taken so much medicine of the wrong kind that it had poisoned me, and my finger nails **began to turn black** and come off. I began to take Hood's Sarsaparilla. I had faith in the medicine, and it did more for me than all prescriptions. I have gradually **regained perfect health,** am entirely free from catarrh of the bowels, and pain in my back. My recovery is simply marvelous." W. R. YOUNG, Potter's Mills, Pa.
