THE EASTON GAZETTE

WILSON M. TYLOR,
EDITOR AND MANAGER.
EASTON, MD.

SUBSCRIPTION PRICE.—$1.50 per year, or $1.00 in advance. 50 cents for six months or 30 cents for 3 months in advance.

DISCONTINUANCE.—No paper will be discontinued until the subscriber so ordering pays all arrearage then due. Persons paid up in full can order their paper discontinued by notifying the editor at any time.

COMMUNICATIONS.—All communications to the GAZETTE must be accompanied by the name of the writer; otherwise they will not be inserted. Personal and abusive communications will not be published.

ADVERTISING Rates given on application.

The Date on the Label on Your Paper will Show the time to which your Subscription is paid. If the month only is mentioned it means to the end of that month.

Persons receiving sample copies of the GAZETTE need not fear to take same from the office when the word "sample" is printed on wrapper. The law only holds the person responsible who allows the publisher to continue the paper under the assumption that it is wanted and will be paid for. The GAZETTE is as careful to discontinue a name as to place on list, if the subscriber makes his wishes known and his paper is not in arrears. But the GAZETTE does not insult a subscriber by removing his name the very date of expiration if same subscriber is presumed to wish to continue. It does frequently remove names though, when it finds out the parties are defrauding the paper, wilfully and knowingly.

Saturday, Jan. 12th, 1895.

THE St. Michaels *Argus* has suspended publication and the editor, Mr. Richardson, has removed to Harrington, Del., where he will continue the drug business and probably edit a paper in that town.

REAL, white, fleecy, snow fell to the depth of six inches Wednesday morning. It had mud for a foundation and an atmosphere of 32, with tendencies for warmer weather. With such a reception it gave no promise for sleighing.

MR. WALTER T. TODD, late of the Easton *Democrat* has located in St. Michaels and on last Saturday issued the initial number of the *St. Michaels News*, a creditable 7-col. folio. Mr. Todd understands as he says the "get up" of a paper, and we do not doubt as editor he will have some of the necessary "get up" to make his paper a success.

THE Baltimore *Evening News* has discontinued its Sunday edition and will now give exclusive attention to its daily issues. While the Sunday edition will be greatly missed, the value of the daily editions is so great that no one will censure the company for the change. The *News* is one of the phenomenal papers of the South, and should be seen in the homes of all Marylanders at least.

THE *Democratic Messenger*, of Snow Hill, one of our most esteemed exchanges, has just enterred upon its 27th volume. Messrs. Purnell and Vincent know what to do to make a newspaper grow in popularity and beauty as well as in size. It is now a nine column folio and is brim full of good reading. May the next nine years of the present management still find them improving their paper as they have in the past.

ON January 1st the income tax law went into effect. A person with a yearly income of $4,000 or below is exempt from taxation, but all of an income over $4,000 is assessed 2 per cent. A person having an income of $5,000 must pay an annual tax of $20; on an income of $6,000, $40; on an income of $7,000, $60, etc. In case of wilfully false and fraudulent returns, the collector can add 100 per cent. as a penalty.

HON. J. M. SATTERWAITE, of Douglass, Butler county, Kansas, is a Representative-elect and is here to get in touch with the various situations. He is a man who will not be long in finding his proper place in the Legislature, and that place will not be an insignificant one.—*Topeka (Kan.) Capital.*

Mr. Satterthwaite's early youth was spent near Denton and he still has many acquaintances and friends in Caroline county. In 1870 he went to Kansas and engaged in the newspaper business and has since given this field of labor his constant attention. He is pen always gave hope and courage to the early settlers when threatened by the dark cloud of adversity, and through grasshopper famines, Indian raids, droughts, cyclones, prairie fires and blizzards—down to the recent populist craze which made that crank, Lewelling, Governor, Joe has never failed to sing the praises of Kansas and has been devoted to her interests. He was elected last fall for the second time to represent his county, which is most as large as the State of Delaware, in the Kansas legislature.

A HANDSOME calendar comes from the Western Maryland College, Rev. T. H. Lewis, D. D., president. The building is beautifully etched and the lettering is handsomely embossed on heavy card.

Blotches And Pimples

indicate inactivity of the skin. They show that the pores are clogged and that poisonous refuse matter has been denied an egress. The accumulation of this matter under the skin shows in red lumps, blotches and possibly in pimples.

Foster's German Army and Navy Cure

softens the impeding matter, penetrates the pores and draws the poison out. All the time it is soothing the inflammation caused by the congested state, and finally leaves the skin smooth, clear, active and healthy. It is absolutely the best and most efficacious skin medicine in the world. Its action on the skin is perfectly in accord with science, but its curative effect is almost miraculous in its quickness and thoroughness.

It has cured innumerable stubborn cases of pimples, blotches, ring worm, tetter, eczema, dandruff, itch and salt rheum. It will cure the worst kind of itching piles.

That Tired Feeling

So common at this season, is a serious condition, liable to lead to disastrous results. It is a sure sign of declining health tone, and that the blood is impoverished and impure. The best and most successful remedy is found in

HOOD'S Sarsaparilla

Which makes rich, healthy blood, and thus gives strength to the nerves, elasticity to the muscles, vigor to the brain and health to the whole body. In truth, Hood's Sarsaparilla

Makes the Weak Strong

Be sure to get Hood's and only Hood's

Hood's Pills are purely vegetable, perfectly harmless, always reliable and beneficial.

Another calendar with the compliments of the Dixon, Bartlett Co., Baltimore, is received. It represents a beautiful little girl in fur wraps and muff, seated comfortably in a Candee rubber shoe. She is all ready for a ride and her little dog pokes his head out from her arms ready to warn intruders that they must keep hands off. The colors are fine and artistic.

OF LITERARY INTEREST.

Interesting Announcements of Forthcoming Magazines.

An old fashioned sea story full of interest and adventure, with a strong love motive, is begun by W. Clark Russell, in the January *Cosmopolitan*. "Ouida" succeeds Froude, Goose, Lang, and other distinguished writers with an instalment of the "Great Passions of History" series, which has been appearing in *The Cosmopolitan*. A discussion is aroused by Mr. Edward Bok's article on "The Young Man and The Church," which will consume tons of ink before it is settled. Just preceeding the famous Charcot's death he prepared an article for *The Cosmopolitan* on Pasteur, to be published after Pasteur's death. But Charcot has died first, and so with the consent of Charcot's executors, the article is given now. The present "Theatrical Season in New York" is critically considered by Mr. James S. Metcalfe, editor of *Life* and there are stories By Tourgee, Howells and the famous French writer Francois Coppee.
