ISAAC A. BARBER,
H. CLAY DODSON,
GEORGF H. TRAX,
R. EMMETT WELSH,
State Central Committee.

Mr. Editor.—In last week's issue of your paper you have an editorial not only commending the political services of Senator Gibson, but speaking in terms of the severest censure and ridicule of such newspapers and citizens of Maryland as presume to criticize Senator Gibson and his methods.

While the undersigned is willing to concede to every one the fullest liberty in the expression of their opinions editorially or otherwise; yet, as you are the Editor of the only Republican paper in Talbot county, and your paper is presumed to be the party's county organ, any political editorial in your paper, if allowed to pass unchallenged, would be presumed to express to a great extent at least the sentiments of the party.

As the article in question is so utterly at variance with the sentiment of the republican party of the county we, the undersigned, feel it to be but just to the party we represent to officially declared that your sentiments there expressed are not in any sense the sentiments of the Republicans of this county, as our party is just as much opposed to the rule of Senator Gorman in Maryland at this junction as at any time in the past, since he first presumed to act as dictator to rule by fair means or foul means if necessary the political fortunes of our State.

We specially favor the return of Senator Gibson to private life, as by his claims and practices, he is the living embodiment of all that Gormanism implies.

As our county has been the victim of more stuffed ballot-box and printed ticket frauds than any other county in the State, and as those who are the most active in perpetrating such frauds and aiding other corrupt practices at elections, are selected as special objects for political preferment, thus giving official sanction and encouragment to such infamy. Surely the Republican party of Talbot has special cause to rejoice that the independent elements of our State is more determined than ever to get rid of a one man boss rule that is more undesirable than an absolute monarchy.

ISAAC A. BARBER,
H. CLAY DODSON,
GEORGE H. TRAX,
R. EMMETT WELSH,
Republican State Central Committee for Talbot County.

A SEMI-WEEKLY NEWSPAPER.

The Harford Dispatch is the name of a new newspaper started last week in Bel Air by Mr. Harold Scarboro, a former associate editor of the Bel Air Ægis. The new paper is a semi-weekly, issued on Wednesday and Saturday mornings. The editor announces that "this age of electricity, bringing even remote country districts into close communication with each other and with the outside world, calls for better and more active service in the gathering and transmission of local news." The Dispatch enters into competition with the excellent weeklies of Harford with 104 issues annually against their 52, at the same subscription price. The first issue is very creditable, and up to date.

The Crisfield Leader has purchased a cylinder press, and been enlarged to an eight column paper. Its appearance is much more attractive.

There will be good shooting, base ball and horse racing at Idlewild Park July 4th. 25 cents admits to all. 2t

Republican Voters of the County

WILLIAM T. MALSTER,
FOR GOVERNOR.

Once a Plow boy of Cecil County, now the master mind of a great firm, which builds the magnificent United States Cruisers and the Iron Bridges at Baltimore.

His recent declarations, in a public speech, on Reassessment, Taxation, Public Schools and other impending State and National issues, have marked him out beyond other men as the

PEOPLE'S CANDIDATE
FOR GOVERNOR.

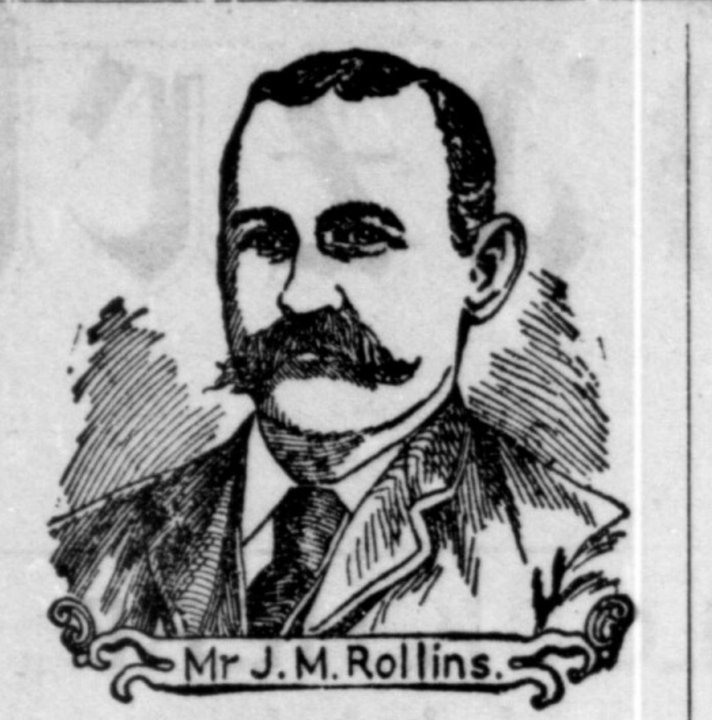

His splendid Campaign for Mayor of Baltimore in 1893, settled, at that time, all factional Republican Party Strife.

A large employer of labor, a man of the people, who is not allied to any political faction or machine, a man of broad knowledge and splendid executive capacity, his friends, who are unsupported by any machine influences, believe his nomination will insure his election, as a Republican Governor of Maryland.

But the people must organize if they would win.

The "William T. Malster Citizens Republican Campaign Committee," invites the cordial co-operotion of Republicans and Patriotic citizens in every county.

Inflammation Removed and Wound Healed by Hood's Sarsaparilla.
