THERE are two sides to most questions and two prominent sides to the liquor question, and to all laws that are either prohibitory or otherwise.—The action of the late Grand Jury for Talbot county in not recognizing the petitions from Chapel District nor making any report whatever for or against the persons who petitioned for licenses has been criticised by the public. No report is even worse than a turndown because it gives no ground for action or appeal. So in this the advocates of Local Option for that district feel that they have scored a point and that the Grand Jury have nobly performed a heroic duty.

On the other hand the law has been disregarded, not by commission but by omission, and the aggrieved parties feel that they have not had the consideration paid them that they were entitled to under the laws of the state pertaining to this county. While juries are not law-makers but law performers it would seem that they should be governed entirely by law and not by sentiment. But as there are often laws on the books which are not enforced either because of public sentiment against them or because they have become obsolete, and juries are not held responsible for not enforcing them, we do not see why they should not be allowed the same privelege in this case if they saw fit to act as they did, and that without hostile criticism. Their action certainly has worked no ill to the community at large even if it has disappointed a few petitioners who wanted to sell liquor in a non-local option district.

IN this age of enlightenment, not to say refinement in the sense of fine and refined feelings toward charity and mercy, (those intrinsic and exalted traits of man's makeup, which when cultivated, raise him above the savage,) it seems strange that sports of cruelty should be tolerated even in the minds of those who would be participants, much less in the minds of those who are merely lookers on.

Live pigeon shooting is a relic of barbarous torture. There is no necessity for it. It is neither for game nor for science. It panders to no taste but an inhuman one for killing something that has blood and breath. If the pigeon was a wild bird that feared man and rapidly flew for life there might be some slight excuse for practicing on that kind of markmanship; but to take one of our tamest of birds, liberate it before the muzzle of a gun, have it soar over the heads of the shooters unmindful of danger to be maimed or killed, evidences no great markmanship, no heroic bravery [illegible] ought to pride himself upon. We hope the next legislature will enact laws to protect the wanton destruction of life, and prevent inhuman cruelty to beasts and birds so freely indulged in here in Maryland.

JUDGES Bennett, Dudley and Benson have retired from the bench of the Orphans' Court and have been succeeded by the new made judges, Messrs. Bartlett, Woodall, and Roe, all of whom are well known to the county. The retiring Judges have not failed in the discharge of their duties and retire with the assurance of public confidence in their late administration. The present Bench is not entirely new but filled with men long familiar with the routine of business and thoroughly capable of passing judgment.

SOME of the candidates for the House offices are trying to turn it into a sectional contest—this office for the South, that for the West, the other for the East, etc., but it is not probable that the caucus will make its selections upon that basis. There has been too much sectional politics in this country. The republican party has always proclaimed itself a national party, even when one section was solidly arrayed against it, and it is not likely to endorse sectionalism in any form now.

IT will do Maryland no harm to pay close attention to the great Exposition at Atlanta and we are glad that the day has been fixed and that such liberal inducements have been offered for people to attend. The special trains will leave Baltimore and Washington on the fourth of December and arrive at Atlanta on the evening of the fifth, round trip from Baltimore ten dollars.

Nervous

People should realize that the only true and permanent cure for their condition is to be found in having

Pure Blood

Because the health of every organ and tissue of the body depends upon the purity of the blood. The whole world knows the standard blood purifier is

Hood's Sarsaparilla

And therefore it is the only true and reliable medicine for nervous people. It makes the blood pure and healthy, and thus cures nervousness, makes the nerves firm and strong, gives sweet sleep, mental vigor, a good appetite, perfect digestion. It does all this, and cures Scrofula, Eczema, or Salt Rheum and all other blood diseases, because it

Makes

Pure Blood

Results prove every word we have said. Thousands of voluntary testimonials fully establish the fact that

Hood's Sarsaparilla Cures

Be Sure to Get Hood's

"I had no appetite and could not rest well at night, but Hood's Sarsaparilla cured me." ALICE YOUNG, Cooptown, Maryland.

Hood's Pills cure all liver ills, biliousness, headache. 25c.

IT is seldom that such absolute indifference is shown by senators and representatives a week before the meeting of Congress as to what recommendations the President's message may contain as exists among those now in Washington. This indifference is not confined to either party. Everybody seems to have arrived at the conclusion that it makes no difference what Mr. Cleve- may say or leave unsaid; that it is the wisdom of the republicans in Congress that must be depended upon and not Mr. Cleveland's Message.

MR. W. T. H. SEYMOUR has qualified and is now duly installed in office as the Sheriff of Talbot County. He is highly spoken of by those who know him and doubtless he will make friends rapidly in this place. The retiring Sheriff, Mr. Dukes, measured up to the standard of requirements set for him and won a lasting place in the hearts of his new-made friends. He will reside in Easton for a while.

THE members of the Library will be treated to a rare and profitable glimpse of life and customs in Holland this afternoon.

THE SOUTHERN RAILWAY.

For The Cotton States And International Exposition, Atlanta, Ga.

The Southern Railway operates nearly five thousand miles of road in eight of the Southern States and its lines enter Atlanta Ga., from five different points of the compass. Washington D. C., is the Northern or Eastern terminus of one of its lines, which is operated in connection with the Pennsylvania Railroad "the standard railroad of America," between New York through Philadelphia, Baltimore, Washington, D. C., Lynchburg and Danville, Va., Greensboro and Charlotte N. C., Spartanburg and Greenville, S. C., Atlanta, Ga., Montgomery and Mobile, Ala. and New Orleans, with connection at Salisbury for Asheville, Hot Springs; Knoxville and Chattanooga, at Charlotte for Columbia, Augusta, Savannah and Jacksonville, and at Atlanta for Birmingham, Memphis, Macon and Southern Georgia. Solid vestibuled limited trains, with through day coaches, Pullman Drawing-room Sleepers and Dining-cars. Time between Washington and Atlanta, eighteen hours, without change of cars of any class.

The Southern Railway is the only line which enters and lands passengers in the Exposition Grounds, and no effort or expense has been spared by the management in the improvement of its roadbed, increasing the number of its coaches and inaugurating its own dining car service preparatory to handling expeditiously and comfortably the heavy travel to and from Atlanta during the Cotton States and International Exposition, which opens September 18 and closes December 31, 1895.

On Tuesdays and Thursdays, from September 17 to December 24, inclusive, excursion tickets will be sold from Washington, D. C., to Atlanta, Ga., at $14, good for return 10 days from date of sale.

Excursion tickets will be sold every day from September 16 until December 15, inclusive, from Washington at $19.25, good for return 20 days from date of sale, and excursion tickets for the entire Exposition season with final limit of January 7th, 1896, will be sold from September 16 until December 15, inclusive, $26.25.

Map folders furnished and Pullman Sleeping Car reservations made upon application.

Tours To The Golden Gate And Florida via Pennsylvania Railroad.

That the public are quick to recognize the advantages of the Pennsylvania Railroad Company's perfect personally-conducted tourist system is exemplified by the annual increase in the number of participants in tours organized under that system. Aside from this the growing desire of Americans to see the wonders of their lands is also an important factor in advancing this healthy sentiment in favor of travel.

This season's tours to California will be conducted in all respects as those of preceding years, and will leave New York and Philadelphia February 12 and March 11, 1896. On the first tour a stop will be made at New Orleans for the Mardi-Gras festivities, and four will be allowed in California. On the second tour four [illegible] California.

In addition to the tours to the Golden Gate a series of tours to Jacksonville has been arranged. The tours will leave New York and Philadelphia January 28, February 4, 11, 18 and 26, and March 3, 1896, and allow two weeks' stay in the "Land of Flowers."

Detailed itineraries of these tours will be sent on application to Tourist Agent, [illegible] Broadway, New York, or Room 411, Broad Street Station, Philadelphia.

Piles Itching Piles!

Symptoms—Moisture, intense itching and stinging, most at night, worse by scratching. If allowed to continue tumors form which often bleed and ulcerate, becoming very sore. Swayne's Ointment stops the itching and bleeding, heals ulceration, and in most cases removes the tumors. At all druggists, or by mail for 50 cents. Dr. Swayne & Son, Philadelphia. 6-22-1y

WANAMAKER'S

PHILADELPHIA, November 25, 1895.

Matchless Merchandising—Upwards of Five Millions of Dollars worth of intensely interesting goods to give momentum! Is it strange that the business goes forward with a bound? New records are making! The store was never so helpful—bright!

Limitations of space bound the telling, but the whole store is aglow with interest!

WOMEN'S WRAPS

There is just one best collection of Women's Cloth, Plush and Fur Garments in Philadelphia—and that is at Wanamaker's.

Why? Because being unhampered by manufacturing, our buyers have for years traversed the world to establish supply points and to keep us in closest touch with Paris, Berlin and London.

And the business has grown under such care until it is unrivaled in America. That helps us to give you best prices on regular goods. And it makes Wanamaker's the one output available for lots that would otherwise demoralize the markets. Such gathering is often at half current prices.

FUR CAPES

Women's Canada Seal Capes, made from selected skins well matched. Thirty in. deep, 110 in. sweep; full double faced storm collar; lined throughout with brown satin. $30 Capes at $18.

WOMEN'S COATS

At $5—Walking Coats of mixed cheviot in dark effects; box front, coat back, back hip pockets, inlaid velvet collar, large sleeves; coat half lined with satin rhadame; seams bound.

At $6.50—Diagonal Cheviot Reefers, correct walking length; ripple back; seams double stitched; large sleeves; notched collar; bone buttons.

At $8—Special lot of Jackets of Boucle-finished cheviot, made with the new box front; rolling collar; full sleeves. Coat is half lined with satin rhadame; inlaid pearl buttons.

At $12—Astrakhan Cloth Coats; new walking length; fly front; finished with large inlaid pearl buttons; rolling collar with band; ripple back, and entire coat lined with satin rhadame.

IMPORTED CORSETS $1

Yvonne Corset is made of French coutil with sateen strips; is extra long waisted, heavily boned; has corded bust finished off with lace and ribbon.

To import such a corset and sell it for a dollar is a master stroke! And so big and interesting was the arrangement that the maker gladly confined the American selling to Wanamaker's.

QUAKER CITY SEWING MACHINES

There is no $60 Sewing Machine sold that is either better or handsomer than the QUAKER CITY MACHINE at $35. Any machinist or cabinet maker will prove that for you.

There are fifteen special points of goodness about the QUAKER CITY SEWING MACHINE—we did not invent one of them. They are the strong points from all other sewing machines which have become public property through expiration of patents.

If your husband is a machinist he can make a sewing machine—but not so cheaply as we have these made by a great manufacturing plant that turns out maybe thousands.

The machine part of every style of Quaker City is exactly the same. The different prices are necessary to pay for more or less elegance of cabinet work.

No. 3 —Sewing Machine, $18—full set of attachments.
No. 3½—With three drawers, $19.
No. 4 —With four drawers, $20.
No. 4½—Still handsomer and higher-priced attachments, $22.50.
No. 5 —Six drawers and drop-head, closing the machine like a fine typewriter outfit, $25.
At $35—Same, finished with complete closed cabinet case.

The bent wood work, oak and walnut, and all the workmanship are of the very best.

And this is how we save the money—

We don't sell on installments.
We don't employ agents.
We don't trade you out of what machine you have.
We don't send out instructors—but teach purchasers right here.
We don't have agents or [illegible]

If you pay over $35 for a sewing machine you are guilty of wilful waste.

HARNESS

First-rate [illegible] BUGGY HARNESS [illegible]. It is hard to believe some statements, even from reliable houses. There might be some mistake. Come and see. The harness is well made—machine sewed, of course. $10.

The Bull's Eye Carriage-Dash Lamp is strong and so rightly made as not to easily go out from wind or jolting. Japanned, $1.25; brass, $2.50; nickel, $3.

The most interesting harness store in Philadelphia is at Thirteenth and Market.

What Shall They Do?

Portraits, of course. What is more appropriate than a portrait of your friend, of yourself or deceased relative. We are headquarters for Portraits in Crayon, Oil, Pastel, and India Ink. Our framing department is well stocked with choice Mouldings and fine Engravings. We make all our own frames and do it promptly. No long waiting. Kindly place your holiday work in our hands as soon as possible. There is always a rush at the last moment, you know. Look up that old likeness at once and bring it to us. Are you aware that we repair old frames, refit old pictures, improve and repair crayon portraits, or any kind of a portrait, that perhaps was never satisfactory. We think it will pay you to look into this peculiar branch of our work, peculiar because we seem to be the only men who attend to that class of work. We are not particular as long as the dollar is clean.
