Fashionable Weddings.—This week has marked several prominent weddings in this vicinity. On Wednesday last two of our young men, Dr. Geo. F. Nickerson and Mr. Thomas H. Jenkins, took to the nestles fair brides, the former from a neighboring county and the latter from a neighboring state and are now each enjoying extended tours through the north. The GAZETTE extends hearty congratulations to both couples, and welcome them and their ladies home.

HEADQUARTERS

Democratic Colored Club.

Dover Street.

The regular meeting of the "C. R. Leonard Colored Club" was held at its meeting room on Dover St., just above Mr. Turner's office, on Friday night, Oct 23 1891. The meeting was called with the President in the chair.

Our candidate for Clerk of Court was the first speaker introduced. He said—"We are the Democratic party!

We want you brothers to stand as men on the battle-field!

Remember we democrats are your friends!

We always stand by you as brothers!"

He then read over the by-laws of the Republican Club regarding the publishing of the name of all persons who intend to sell their votes—and said, "But brothers, do not let that frighten you in the least!"

The "Great Boss" was then introduced. He said in part—"Now brothers, you men shall be rewarded for your votes if I have to sell my farm to satisfy you."

Our popular candidate for the Legislature then took the floor and electrified his audience by forcible argument and knock down blows. He said—"If any Republican asks you what way you are going to vote, take a club and knock him in the head; we will protect you in it, for we have got the power to do it!"

The next speaker was one of the satellites of the Ring.

"We do not want to lead you people to the polls like sheep—like the Republicans will lead some of their voters; but we want you to go there like *'Brave Democrats'*, because we are the ones that gives your little ones their schooling; we do not want you to be all of your lives without *some* sense!"

The great colored men of our club then took up a collection from the white speakers Maj. General Abe collected $35.00. Chief of Staff Gray, $40.00. Captain Cornish $10.00, and Lieut. Chas. Walker, $5.00.

The meeting after this became *very* enthusiastic and the colored brothers all thought they would be strong enough to be Democrats until after Nov. 3rd, and hastened to assure the speakers of their fidelity and trustworthyness, and after an exortation to meet the speakers at the same place on Monday night, Oct. 26th, the light was turned low. We quietly and silently dispersed one by one.

Hymeneal.—A very pretty wedding took place at the Trappe M. E. Church, South, Wednesday night, Oct. 28, at 8 o'clock. The contracting parties were Miss Mary Merrick and Col. Percy McKnett. The bride wore tan color traveling suit trimmed in a darker color of brown, with hat and gloves to match. The ushers were Hon. Wm. Collins and Mr. George Hart. The church was handsomely decorated with water bush roses, colored leaves and potted flowers. The church and gallery were well packed—half of the gallery was reserved for the groom's hired men and women. The bride carried a large bunch of pink roses, tied with pink ribbon, to match the family's and relatives' ribbon.

Rev. W. L. Dolly officiated. The bride and groom took the boat at Oxford to go to Baltimore, and from there a trip north. We wish them much happiness and prosperity in the future. Miss Edith Hardcastle presided at the organ and played the pretty wedding march entitled "Lohengrin's March."

Trappe Items.—*From our Regular Correspondent.*—The Reading Circle of the teachers of this town re-organizid last week with seven members, with Mr. D. M. Long, Leader.

The High School students have purchased several good books as a nucleus for the library that is to follow.

Protracted meetings at Bruceville still continue with interest.

Dr. E. M. Hardcastle, Jr. has located at Abington, Va.

The appearance of L. Hill Wullikin's house has been greatly improved by a coat of paint.

Mr. Tilghman Seymour suffered a great loss by fire in the destruction of his barn, corn house, stables, seven horses, four mules, a lot of fodder and seed wheat. The farm is owned by Capt. Hardcastle, Easton. There was no insurance and the loss falls very heavily on Mr. Seymour. It is supposed that the fire originated from a match or pipe in the hands of a colored man.

Miss Lucy Tuthill will return to Easton the first of next year, to locate permantly as an instructor in art work. She has equipped herself thoroughly for this work.

W. C. T. U. Formed at Royal Oak.—Mrs. Lucy C. Washington, of the National W. C. T. U., addressed a large and attentive audience in the Royal Oak Methodist Episcopal Church on Friday evening, October 23rd. A Union of twenty five members was organized and the following officers elected: Pres., Mrs. A. M. C. Moore; Vice Pres., Mrs. Henry Cheers; Sec., Mrs. John Harper, and Treas., Miss Susanna Cox.

Church Dedication.—The new M. E. Church in the lower part of Tilghman's Island will be dedicated, weather permitting, Sunday November, 1st, or if stormy then, on Nov. 8th. Rev. Dr. Morris of St. Michaels and the Rev. W. R. McFarlane of Trappe and possibly others are engaged to officiate.

Tilghman Items.—*From our regular correspondent.*—Mr. James H. Covey has had his property adjoining W. F. May & Co's store, enclosed, improving its appearance very much.

Mr. George L. Mason is building a new canoe. Mr. W. J. Lowery has two in course of construction, and Capt. J. L. Harrison has bought enough timber to build two or three.

The new M. E. Church at the lower end of the island is to be dedicated on Sunday, Nov. 1 unless something unforeseen should prevent it.

An oyster supper will be given for the benefit of the new M. E. Church South, by the lady members on Friday and Saturday nights, Oct. 30 and 31st.

The oyster business is improving a little but is still far behind last year.

The Easton *Democrat* has some twaddle about the Republicans and the "colored brother". I have noticed that Democrats generally harp on that string as election draws nigh; and right here I will say; I have attended elections from New York to Louisiana, and I have never yet seen a Republican hug the "colored brother" on election day, while I have seen Democrats do it, and I have seen it right here in Talbot Co. And that same "Dear colored brother" is considered of quite as much importance by Democrats, provided, they can capture his vote, as he is by Republicans.

Rev. Messrs Morris of St. Michaels and Mac Farlane of Trappe are engaged to attend the dedication of the Lower Island M. E. Church.

Piles! Piles! Itching Piles!

SYMPTOMS—Moisture; intense itchin and stinging; most at night; worse by scratching. If allowed to continue tumors form, which often bleed and ulcerate, becoming very sore. SWAYNE'S OINTMENT stops the itching and bleeding, heals ulceration, and in most cases removes the tumors. At druggists, or by mail, for 50 cts. Dr. Swayne & Son, Philadelphia.

St. Michaels Items.—*From Our Regular Correspondent.*—The people of St. Michaels are situated in about the same conditions regarding mail matters as your correspondent of McDaniel town describes the arrangements that they have for getting news from abroad. We are looking backward in full earnest, and the thing to be most regretted was that "Veto Grover" was the father of a nice little girl several days before the good people of this part of the world knew anything of it. We hope that the gentleman who presides over our destines will have things put in shape before election next Tuesday, so that the news of a Republican victory may travel swiftly from Tilghman's Island to Squedunk.

George Collins will build on the corner of Mulberry and Church Sts., a two story building. Part of it to be used as a photograph gallery.

Robert Brown has placed an engine in his coal and wood yard.

City Fathers are putting our side-walks in order for the coming winter.

Democrats state publicly and loudly that they have plenty of money—that they will buy the colored voter as they would buy sheep. Those are the exact words as spoken to me by a Democrat. Colored men, please make a note of this assertion.

Harry Hambleton is foreman at the *Comet* office.

We trust that Judge Stump keeps in good health and that he will continue so. There is a spark of recount about the Democratic ticket that he may have to put his foot on.

Dr. Emerson, our popular dentist, and his wife, who is the daughter of County Collector John S. Hambleton, will leave here about the first of November for Brazil, South America, where the Doctor will pull the aches out of the Brazillians with a vim.

Samuel H. Willey, of Pittsburgh, Pa., has been visiting in St. Michaels.

Walter Skinner has been visiting his father, Jno. K. Skinner.

Fayette Gibson, son of the late Jno. C. Gibson, and at one time editor and proprietor of the "*Comet*", who has been living in Washington, D. C., the last few years, died in that city Oct. 16. His remains were brought to his old home and there carried to Christ Church for interment. Rev. Dr. Chesley officiating at the funeral services.

Republican Club met at headquarters last Wednesday night. Everything is progressing finely. All is harmonious and pleasant. No grinding of teeth and saying cuss words over or about their ticket as our Democratic friends did, and still do.

Circulars from *Star* office scattered over our quiet town. The same thing was done two years ago. All about the oyster and the man who catches him—telling what good friend the Democrat is to the oysterman. That is what the spider said once upon a time to the fly. The oystermen in this district are an intelligent class of people and they give this circular just the attention that it is worth and that is none. They have been fooled that way before. "You may fool some of the people sometime, and you may fool all the people sometime—but brother, you can't fool all the people all the time."

FIVE TWO-cent stamps will get you a sample of ARTHUR'S HOME MAGAZINE, Phila.—Agents wanted.

We Know our Clothing is the Best.

We Know our Prices are Lowest.

Direct dealing between manufacturer and wearer is full of advantages to both—solid advantages. It's the only way to combine good goods with satisfactory prices. We manufacture: we sell direct. Put us to the comparison.

There's a saving by us in buying cloth from first hands; a saving in having large lots of clothing manufactured; a saving in the profits through having only one selling to deal with; a saving in the certainty to the buyer of dependable quality and dependable sewing. You insure in every sewing we make. Put us to the comparison.
