WASHINGTON LETTER.

FROM OUR REGULAR CORRESPONDENT.

Washington, April 3, 1893.

Democratic Senators are figuratively moving Heaven and earth to prevent the investigation of the charge of criminal em'bezzlement that was made against Senator Roach, of North Dakota, directed by Senator Hoar's resolution. They first tried a bluff by stating that other Senators were in the same boat with Roach, and intimating that Power, of Montana, was one of them. That did'nt work, not even a little bit, for Senator Power promptly denounced it as false and demanded the most searching investigation, two things which Roach has not done. The democratic Senators have good reason to fear any thing that promises to expose the true inwardness of the election of Roach to the Senate, which was brought about by special and explicit directions from Senator Gorman, who was chairman of the democratic Senatorial "steering" committee. There is good reason for the belief that the actual facts in the deal by which Roach became Senator would, if made public, cause a national scandal with more or less disgraceful ramifications in a number of states. The democratic Senators are now making personal appeals to the most easy-going republican Senators, to let the whole matter drop, because whatever the result of the investigation so far as Roach is concerned it will bring a scandal upon the good name of the Senate that will cling to it at home and abroad for many years. I have no authority to speak for republican Senators, but I violate no confidence in stating that a number of them have made up their minds that something has got to be done, and if Roach doesn't resign before the Senate gets through with the cases of the appointed Senators, now under consideration, they propose to have some action taken upon Senator Hoar's resolution, or to let the country know why. It has just been learned that the new program of the democratic Senators is to force an immediate adjournment of the Senate as soon as the cases of the appointed Senators are disposed of.—They are perfectly willing to postpone the election of the Senate officers until the meeting of the extra session, which Mr. Cleveland has decided to call in September. The excuse given is that it will be impossible to keep a quorum here after these cases are voted upon. It has been suggested that if the Senate fails to act Mr. Roach may be arrested and tried in the criminal court for embezzling the funds of the bank of which he was cashier, but such a proceeding is not probable.

The break between Mr. Cleveland and ex-Speaker Crisp, which last week as though it would result in bringing forward a new candidate for the Speakership of the House, in opposition to Crisp, and backed by all the influence of the administration, has been patched up by the administration of an extra heavy dose of humble pie to Crisp. It was not forced upon him, he went to the White House and asked for it. Under this agreement he is to be elected Speaker of the House again and to draw the salary and perform the routine duties of the office, but the real authority is to be exercised by Mr. Cleveland, who has already determined that Mr. Springer, chairman of the Ways and Means committee, and Mr. Holman, chairman of the Appropriation committee, shall not again be placed at the head of those committees.

The reason why Mr. Cleveland has not appointed a commissioner of Pension has leaked out. He has so far failed to find a man who comes up to all his requirements and is at the same time willing to pledge himself to do certain things which are to be required of the new commissioner.—It has been definitely decided by Mr. Cleveland that the commissioner must be an Eastern man who does not belong to the G. A. R., and that he shall be willing to inaugurate a system of handling applications that will place as many restrictions and as much humiliation upon the applicants for pensions as can possibly be done by stretching existing laws to the limit, in the wrong direction, to say nothing to treating pensioners already on the rolls as frauds who have no right to be there.

Democrats are making a mare's nest out of the pretended new discovery that ex-Secretary of State Foster, who is in charge of the interest of the United States before the Behring Sea Arbitration tribunal, made a liberal allowance for expenses to the employees of the government who were ordered to Paris in connection with the arbitration proceedings. This is poppy-cock, pure and simple. Would any business establishment send its employees to a foreign country without making them an allowance in addition to their salaries, to pay expenses? And is the wealthy government of the United States to treat its employees with less liberality than private firms? Common sense can have but one answer to these questions.

THE TITAN OF CHASMS.

A Mile Deep, 13 Miles Wide, 217 Miles Long, and Painted Like a Flower.

The Grand Canon of the Colorado River, in Arizona, is now for the first time easily accessible to tourists. A regular stage line has been establisdhe from Flagstaff, Arizona, on the Atlantic & Pacific Railroad, making the trip from Flagstaff to the most imposing part of the Canon in less than 12 hours. The stage fare for the round trip is only $20.00, and meals and comfortable lodgings are provided throughout the trip at a reasonable price. The view of the Grand Canon afforded at the terminus of the stage route is the most stupendous panorama known in nature. There is also a trail at this point leading down the Canon wall, more than 6,000 feet vertically, to the river below. The descent of the trail is a grander experience than climbing the Alps, for in the bottom of this terrific and sublime chasm are hundreds of mountains greater than any of the Alpine range.

A book describing the trip to the Grand Canon, illustrated by many full-page engravings from special photographs, and furnishing all needful information, may be obtained free upon application to Jno. J. Byrne, 723 Monadnock Block, Chicago, Ill.

Ashby Stock Farm, 1893.

ASHBY HANNIBAL, 7059.

Sired by Hannibal 2:33; dam Lady Ashby [dam of Ashby Girl 2;25] by Roe's Morgan, 109, sire of the dams of Ashby Girl 2:25 and Martin K, **2:20 1-4**

In Ashby Hannibal is found style, action, beauty and symmetry, all the requisites which an ideal general purpose horse should possess. He possesses splendid trotting action, for with very little handling has trotted a full mile in 2.52, and has shown quarters in 40 seconds, a 2,40 gait. His style and beauty needs no comment, as he speaks for himself in that respect; but he has been classed by many as one of the handsomest horses in the county.—His breeding is of the highest order, as both his sire and dam are producers of both speedy and game race horses. His sire, Hannibal, record, 2.33, produced Martin K., 2:20¼; Sleepy Ned 2.28½; Oakly B., 2.29¾, and Rosa Lee,2.32¼ his dam, Lady Ashby, has produced that game and speedy race mare Ashby Girl, 2.25, by Roe's Morgan, 109, the sire of Delaware, 2 28. This is breeding that will suit the most fastidious, as it is a combination of Woodford's Mambrino and the Morgans. His colts are all young, but they are all straight, sound and handsome.

His fees are within the reach of all, being $10 the season and $20 to insure a mare with foal.

WELCOME.

Welcome is too well known to the people of Talbot county to need any comment. He has a reputation for producing fast and reliable roadsters — Welcome is by Aberdeen, the sire of Kentucky Union, 2:13¾ (3); Alabaster, 2:15 (4); and 30 others with marks better than 2:30.

Welcome's fee is $15 the season.

The Bright and Genial Spring

Shuffle off the weighty overcoat Hang up the winter suit

Set your faces and your wishes to Spring Overcoats and Spring Suits.

The hands and the wit of our thousands of workers—cutters, helpers, sewers — have been gathering Spring goods into our house for many days. All ready now—we're glad to say.

Spring promises big for business. We've prepared big. The cloth buying amid the hum of mills, the quiet purchases from cloth makers who hunt us up, the making-up of one, two, five hundred suits at a stroke —interesting and perennially new as the story of how the wool off the sheep's back grows through a hundred processes into its perfect use is to your thoughtful mind—skip it all.

Don't skip this; you'll buy from the manufacturer direct or from a store that buys to sell again. Which will you do? Your dollars are at stake.

Will you buy your $10 suit from us?
Will you buy your $20 suit from us?
Will you buy your Spring overcoat from us?
Silk-lined or not, long or short—we have all.

We can save you 15 to 25 per cent., surely—perhaps more.

The goodness of the Clothing—that's another thing. Stores, like people, make their own reputations. After more than thirty years of selling reliable, all-wool clothing, under guarantee of standing by our goods, we'll not swap horses now. If you buy our clothing, you buy the best.

The prices are the lowest because we sell as well as make the goods. The money saving and the good wear go to you.
