Blood Poisoned

A Running Sore on the Ankle

Yields to the Blood-Purifying Powers of Hood's Sarsaparilla.

"I want to tell what Hood's Sarsaparilla has done for me. I am an old sea trader, some years since retired, 73 years of age. A little sore broke out on my ankle, and after some effort to cure it, grew considerably worse. Home doctors failed and different medicines and ointments did not give me any help. I endured untold suffering for four years, when I was persuaded by my friends to go to the hospital for treatment. I did so, but the surgeon in charge said they could do nothing for my case. The breaking out spread over my limb, ulcerating the flesh almost to the bone.

Mr. John Hurley, Fairmount, Md.

I Was Almost Past Walking

and I could scarcely sleep on account of the severe pain. It was during the fifth year of my suffering that I decided to give Hood's Sarsaparilla a trial. I took

Hood's Sarsaparilla Cures

two bottles and could see improvement. I continued with the medicine, and shortly the sores entirely healed, and

I am Now Perfectly Well.

I owe all to Hood's Sarsaparilla, the wonderful blood purifying medicine. If it had not been for Hood's Sarsaparilla I do not think I would now be alive. Today I am a well and hearty man for one of my age, and shall always speak highly of Hood's Sarsaparilla." JOHN HURLEY, Fairmount, Maryland. Remember, Hood's Cures.

WANAMAKER'S.

PHILADELPHIA, Monday, Feb. 10, 1896.

February is Furnishing Time.

Not because Mrs. Grundy says so, but because money goes farthest at Wanamaker's just now. Prove it by our selling of Bedroom Suites, of Carpets, of Curtains.

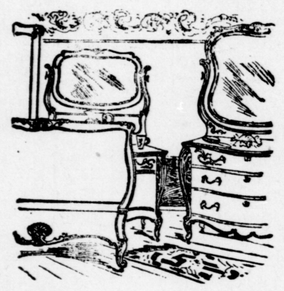

We improve opportunities; we create opportunities, and keep this helpful business growing in volume and in helpfulness every month in the year.

Resolute and intelligent work for months past is bearing fruit in the developments of these February days.

Interest is not bounded by this trio of large movements—they simply get first telling in the papers. There is much of newness that comes and goes before we get a chance to tell its story. Who sees the Wanamaker's of yesterday hasn't kept abreast of the times unless the seeing is repeated today. And tomorrow and each tomorrow.

BEDROOM FURNITURE

This third February sale of Bedroom Suites is a foregone success. There is little basis for comparison in furniture selling except the history we

have made. Instead of poorly made and over-priced furniture we have created standards of excellence. These have influenced the trade to a large degree—and to general advantage. We have brought fair prices. But they are based on the advantages of big buying—possessed through your co-operation in taking the goods. That refers to every-day selling. That is why every-day prices are unmatched in other stores.

But February selling knows no every-day law. We helped manufacturers when orders were few; we've planned for months. And *February prices on Bedroom Suites have never touched so low a point.* Housekeepers and hotel-keepers for a hundred miles around should comprehend that fact.

There are *Two Hundred and Thirty-seven* patterns shown—

Antique Oak Suites, $8 to $175.

Curly Birch Suites, $16 to $100.

Bird's-eye Maple Suites, $30 to $120.

Mahogany Suites, $33 to $450.

At $8—Two-piece suites of Antique Oak, well finished; full size double bedstead with headboard 6 ft. 2 in. high, neatly carved. 3 drawer combination bureau, brass trimmings, with 18x20 German beveled mirror.

At $10—Three-piece suites of Antique Oak; full size double bedstead with headboard 6 ft. 2 in. high. 3 drawer bureau, with 18x37 in. top and 18x20 in. German beveled mirror. Double-door enclosed washstand, with 1 long drawer above and 18x20 in. top, splasher back.

At $15—Three-piece suites of Antique Oak; full size double bedstead with headboard 6 ft. 6 in. high, neatly carved. Serpentine top bureau 20x42 in., with two long and two short drawers; 24x30 in. German beveled mirror. Combination washstand, 3 drawers, closet, splasher back.

At $17—Three-piece suites of Antique Oak, polished finish; solid brass trimmings; full size double bedstead with headboard 6 ft. 3 in. high, raised carvings. 3 drawer bureau, with 20x44 in. top; swell front; upper drawer partitioned; 24x30 in. German beveled mirror. Combination washstand, 19x36 in. top; swell front; 3 drawers and closet, splasher back.

At $18—Three-piece suites of Antique Ash, polish finish; full size double bedstead with headboard 6 ft. 3 in. high. Cheval-glass bureau 18x46 in.; 2 long drawers, 2 small drawers and bonnet box to right of 18x40 in. German beveled mirror. 3 drawer combination washstand, with 17x32 in top, splasher back.

At $18—Three-piece suites of Light Birch, polish finish; full size double bedstead with headboard 6 ft. 3 in. high, raised carving; 3 drawer bureau, 20x44 in. top, with 24x30 in. French plate oval mirror; combination washstand, with 3 drawers and closet, 19x36 in. top, splasher back.

At $20—Eight-piece solid Oak suite, polish finish; full size double bedstead with neatly carved headboard 6 ft. 3 in. high, raised panels; 3 drawer bureau with 20x44 in. top, rounded front, upper drawer partitioned, 24x30 in. German beveled mirror; combination washstand, 1 long drawer with 2 small drawers and closet beneath, 19x36 in. swell top, splasher back; solid oak table with 17x17 in. top, turned legs and shelf; 2 antique oak chairs, woven cane seat; 1 antique oak rocker, woven cane seat; 1 antique oak clothes pole.

of winter with its leafless trees and ice-bound streams offers the amateur photographer as many opportunities for artistic work as do the most pleasant days of summer, and one need not think that a Pocket Kodak purchased now need be laid away until summer before using.

The little instrument is hardly larger than a well filled purse, yet it takes beautiful "snow-scapes" and is always ready for making a flash-light picture when congenial companions are gathered about the fireside in the long winter evenings

THE IMPROVED AMERICAN ROUND WASHER,

IT IS IMPORTANT

That every purchaser of a Washing Machine should note carefully the many points of superiority these washers have over others similarly designed.

WHY USE THIS MACHINE?

IT WORKS EASY, having good leverage and small gears.

IT WASHES CLEAN, having large rubbing surface over entire circumference and bottom, with no ends or corners into which small garments can drift and escape rubbing.

IT CANNOT WEAR OR TEAR THE CLOTHES OR PULL OFF BUTTONS, as the entire inside surface of the tub is smoothly corrugated.

IT REQUIRES ONE-THIRD LESS WATER than most washers, having no waste room in corners and ends to be filled with water.

ITS GREAT CAPACITY, holding from one-fourth to one-third more than other machines.

LEAKAGE IMPOSSIBLE, it being tightened as a wash tub, and requiring no calking, which is the only remedy for leakage in most washers, and the large end being down, the hoops cannot drop off.

NO SLOPPING OF WATER OR ESCAPING OF STEAM, it having a tight cover enables the lady to do her washing on a carpeted floor, and protects her from the steaming suds, besides retaining the heat of the water, which is the secret of quick and easy cleansing of soiled garments.

CONVENIENT TO EMPTY AND RINSE, it standing without support when tipped onto an ordinary wooden pail.

WILL LAST A LIFE TIME, being made of the best yellow pine, thoroughly seasoned, and the inside wood work is made of the best white oak.
