That

Extreme tired feeling afflicts nearly everybody at this season. The hustlers cease to push, the tireless grow weary, the energetic become enervated. You know just what we mean. Some men and women endeavor temporarily to overcome that

Tired

Feeling by great force of will. But this is unsafe, as it pulls powerfully upon the nervous system, which will not long stand such strain. Too many people "work on their nerves," and the result is seen in unfortunate wrecks marked "nervous prostration," in every direction. That tired

Feel-

ing is a positive proof of thin, weak, impure blood; for, if the blood is rich, red, vitalized and vigorous, it imparts life and energy to every nerve, organ and tissue of the body. The necessity of taking Hood's Sarsaparilla for that tired feeling is, therefore, apparent to every one, and the good it will do you is equally beyond question. Remember that

NEVIUS & FRAMPTON,

Don't Stop Tobacco.

HOW TO CURE YOURSELF WHILE USING IT.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the nervous system, as tobacco to an inveterate user becomes a stimulant that his system continually craves. "Baco-Curo" is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, without a failure. It is purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want while taking "Baco-Curo." It will notify you when to stop. We give a written guarantee to cure permanently any case with three boxes, or refund the money with ten per cent. interest. "Baco-Curo" is not a substitute but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke.

Cured by Bacco-Curo and Gained Thirty Pounds.

From hundreds of testimonials, the originals of which are on file open to inspection, the following is presented:

Clayton, Nevada Co., Ark., Jan. 29, 1895

Eureka Chemical & Mfg. Co., La Crosse, Wis —Gentlemen: For forty years I used tobacco in all its forms. For twenty-five years of that time I was a great sufferer from general debility and heart disease. For fifteen years I tried to quit but couldn't. I took various remedies, among others "No-To-Bac," "The Indian Tobacco antidote," "Double Chloride of Gold," etc., but none of them did me the least bit of good. Finally, however, I purchased a box of your "Baco-Curo" and it has entirely cured me of the habit in all its forms, and I have increased thirty pounds in weight and am relieved from all the numerous aches and pains of body and mind. I could write a quire of paper upon my changed feelings and condition.

In The Bicycle Business

To Stay.

Some of our competitors seem to question our right to sell bicycles, and to all such parties we wish to say, as long as we pay for what we buy, and settle with the county and State for license to do business, we do not propose to consult them what we shall sell. We know several of the largest Dry Goods houses in this country do an immense bicycle business. This being our first season of course we do not expect to do as large a business as we shall do another year.

I intend to devote four times as much space to the wheel business next year. Our suceess, so far this season, has exceeded our most sanquine expectations. If you want to buy a wheel, come and get our prices. We will save you ten per cent. We are agents for the

We have a first class machinist who can do all kinds of repairing at reasonable prices. New tires kept in stock and sold at less than city prices.
