Personally-Conducted Tours via Pennsylvania Railroad.

That the public has come to recognize the fact that the best and most convenient method of pleasure travel is to participate in the Pennsylvania Railroad Company's personally-conducted tours, is evidenced by their increased popularity with each succeeding year and the number of inquiries in regard to them.

Under this system the lowest rates are obtained, both for transportation and hotel accommodation, and none but the best hotels are used. An experienced tourist agent and chaperon accompany each tour to look after the comfort of the passenger.

The following tours have been arranged for the season of 1896.

To the north (including Watkins Glen, Niagria Falls, Thousand Islands, Montreal, Quebec, Au Sable Chasm, Lakes Champlain and George, Saratoga, and a daylight ride down through the Highlands of the Hudson,) July 21 and August 18. Rate, $100 for the round trip from New York, Philadelphia, Baltimore, and Washington, covering all expenses of a two weeks' trip.

To Yellowstone Park, covering a period of seventeen days,on a special train of Pullman sleeping,compartment and observation cars and dining car, August 27. Rate, $200 from New York, Philadelphia, Baltimore, and Washington.

Two tours to Gettysburg, Luray Caverns, Natural Bridge, Richmond, and Washington will be run in the early Autumn.

WANAMAKER'S.

PHILADELPHIA, Monday, June 22, 1896.

WE'LL TURN THEM INTO GOLD

Just about One Hundred Thousand Dollars' worth of Summer Dress Stuffs are here to be turned quickly into cash. The whole line of wanted fabrics is included in this movement—not every individual lot, to be sure, but such varied lots and such numerous lots as never went bargain-ward before.

DRESS GOODS STOCKS ARE LARGE

Trade conditions, present and prospective, justify their quick selling at such prices as shall surely accomplish the result. New stocks will be the better bought for having none of the present lots in the way.

So the Twenty-one Dress Goods Sections of the store are augmented by counters in the Arcade and Main Aisle.

We shall pass all records in the volume of business done—effect following cause. Philadelphia has not had such dress goods selling.

A third, half, two-thirds and more off the lowest prices this country ever knew! A week's selling cannot clear such mountains of stuff. Come! We shall expect dress goods wanters for a hundred miles around to share these offerings; hundreds of merchants will find it profitable to buy at retail at Wanamaker's rather than at wholesale anywhere else. The Summer girl will thank the good fortune that has brought dainty stuffs so low; so will those who pay for her outfit.
