

**Plans For Red Cross Drive**

A meeting of Roll Call District Chairmen was held last Thursday, at the home of Mrs. David Williamson, County Chairman.

Mrs. Franklin Everett of Church Hill, Roll Call Chairman, has asked Mrs. Guy Harmon of Queenstown to serve as District Chairman.

The Rev. Thomas Donaldson, Chairman of Publicity, gave a brief report of his activities, a part of which is his intention to secure persons in the various Districts to serve with him on the Publicity Committee.

Mrs. Everett outlined the procedure of the Roll Call to the District Chairmen present and asked for the hearty support and cooperation of everybody.

The most significant item in the Roll Call this year is the unprecedented number of members which Queen Anne's County will be asked to enlist. We have been given a Quota of 2200 members. The Red Cross Chapter realizes that this will take a lot of hard work, but we are all confident that the people of Queen Anne's County when they fully appreciate the work which the Red Cross is doing and must do on an increasingly larger scale due to the emergency through which our Country is passing, will gladly come forward and make their contributions.

Are you patronizing the Red Cross Center in your town? If anyone can sew or knit, there are many articles which you can obtain, with full instructions from those in charge. The Red Cross is getting into full swing now and needs the help of many more women to sew and knit. Stop in the Rooms on Mondays, Wednesdays, and Fridays, between 9 and 12, or call—Telephone 324—Red Cross.

Rev. W. H. Revelle pastor of the church performed the ceremony. A reception followed the ceremony at the home of the bride's parents, Mr. and Mrs. W. Sherman Councill of Centreville.

**Kieffer Pears For Sale**—100 baskets. Bring your own containers. HOWARD MELVIN, Queenstown.

**Kieffer Pears In Demand**

After many years of unsatisfactory market prices, Kieffer pears are being sought by canners who will take all the canning stock available. Many of the orchards have been removed since they did not offer satisfactory returns for the land they occupied. However for those who still have suitable Kieffer pears for sale, there may be a profitable outlet at hand. County Agent Miller will be pleased to refer pear owners to those seeking pears for canning. Preserving the pears by canning is a defense measure in that the food so saved is of value and would otherwise go to waste.

**WHEN IN DOUBT ABOUT THE NUMBER YOU WANT, CONSULT THE TELEPHONE DIRECTORY BEFORE CALLING**

By Doing So You May Avoid the Annoyance of Wrong Numbers

Memory is often faulty—and faulty memory is responsible for many wrong numbers. The best of memories may recall a number as 4-3-2-1 when it is really 4-2-3-1.

Save your time, and avoid inconvenience to others, by consulting the telephone directory before telephoning.

NOTE: you'll find a blank page in the front of the directory on which to write down numbers you call frequently.
