GARDEN CLUB TO HAVE FLOWER SHOW

The regular monthly meeting of The Queen Anne's Garden Club was held on January 14 at the home of Mrs. William H. Carter, Jr., of Centreville.

The resumption of a garden tour in this county was postponed until 1947, at which time it was hoped that more homes and gardens would be available for exhibition and that better accomodations for visiting tourists could be provided.

The annual flower show was scheduled for this spring and the date selected will be announced shortly when final arrangements have been made.

The current events program proved to be most interesting. Each member attending had been requested to select articles from periodicals that would be of interest. The many different items presented provided new thoughts as well as practical suggestions of benefit to the membership.

STATE TROOPERS TO TO HELP IN EMERGENCY

The State Police announced today that in case of a serious tie-up in telephone communications because of strikes, they would help in cases of emergency. Citizens should in such cases, contact the headQuarter Trooper or the sheriff.

In cases of emergency when it is necessary to take a person to the hospital or doctor, the display of a white flag will show state troopers on the highway that it is an emergency and he will offer his assistance.

This Bill of Complaint states that the parties were married on October 19th, 1942 at Centreville, Queen Anne's County, Maryland, while he was in the armed forces of the United States and that they saw each other as man and wife until sometime in the month of April 1945, that though the comfort of the PLAINTIFF towards his wife, the Defendant, was always kind, affectionate and above reproach, the Defendant without any just cause or reason abandoned and deserted him, and has declared her intention to live with him no longer, and that such abandonment has continued uninterruptedly for at least 18 months, prior to the filing of this Bill, and said abandonment is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconciliation; that no children were born as a result of the said marriage; that the Plaintiff is a resident of Queen Anne's County, Maryland, where he has resided for 2 years immediately preceding the filing of this Bill; and that the Defendant is a resident of Piersburg, Pa.

Quiz For Marylanders

THE OLD JUDGE SAYS...

BUCK: "I wonder how the distillers feel about that new movie built around an alcoholic."

OLD JUDGE: "It's funny you asked that, Buck... I was just reading a piece about it."

BUCK: "What did it say?"

OLD JUDGE: "A very sensible statement. It said the beverage distillers are fully aware of the present and are cooperating in every way possible to help solve it. The alcoholic is to the beverage distilling industry what the reckless driver is to the automobile industry. There is nothing wrong with the automobile, but in the hands of a man who doesn't know how to drive it or in reckless, it becomes a menace. Likewise, it's not the use but the abuse of alcoholic beverages that causes trouble."

BUCK: "Wonder why it is most men can drink moderately and others can't?"

OLD JUDGE: "Intensive research at a great university has shown that most excessive drinkers are really sick people. They are suffering from some physical, social or emotional upset. And great strides have been made in developing clinical methods of helping these unfortunate people."
