

Dance At Armory

For Infantile Paralysis

The 1946 fundraising appeal of the National Foundation for Infantile Paralysis will continue through January 31 and in the 13th annual campaign in the war against infantile paralysis, Queen Anne's County Community Council, Executive E. Thomas said in announcing the county's plans for participation.

"Last year," Mr. Thomas said, "approximately 100,000 people were stricken and many more of 1945's victims still require medical care and treatment, for a long period of time."

"We do not know what is in store for this county or any other county of the nation in 1946. But it is up to all of us who value the health and welfare of America's children to prepare now for any emergency," Mr. Thomas added.

This year headquarters headquarters of the Maryland State Council under the direction of Sydney Gould will sponsor a "March of Dimes" dance in the Centerville Armory on the President's Birthday, Wednesday, January 30th. All proceeds of the dance will be given to the Ilse-Louise Pennington Fund, Mrs. Esther Thomas is the chairman of the dance for the Infantile Paralysis Fund.

One-half of the money raised will remain in the county for local use. In 1945 percentage of a local fund raised, children of this county to assist treatment in fighting the disease.

Public in the local treasury are now depleted and treatment is still going on for the local children. Mr. Thomas urges residents to give liberally to replenish the fund as these children may later treatment and others who might fall victims to the dreaded disease may have the opportunity to receive care.

Guernsey and Hobbs
Pure Bred Sale April 26

The Dairy Extension Committee of Queen Anne's County, Maryland, in conjunction with the Eastern Shore Guernsey Breeders' Association and the Eastern Shore Holstein Breeders' Association will again hold an auction sale on April 26.

Entries are invited from all stock men on the Eastern Shore and must be sent in at once so that the inspection committee may arrange to pass on the entries. Bids must be from dairy having records of at least 300 lbs. butterfat on 2 time daily milkings or 600 lbs. butterfat on 2 time daily milkings. Entries should be sent to the committee, in care of the County Agent's Office, Centerville, Md.

Through the courtesy of Pioneer Paper Farm, Centerville, Md., 10 copies, Mr. L. J. Shook, and its manager, Mr. Clarence E. Wood, said, their excellent filling system will be available for the sale. This site contributed greatly to the success of last year's sale as it provides ideal facilities for a public sale, being under cover and having plenty of exhibition stall room.

The Younger Set

Ray: "What goes around comes around" is a motto from Shakespeare and one of the Ten Commandments. But Curly Howard joined "The Younger Set Club" and did not know how to go on a certain break from Shakespeare?

Recently, a regular business was going to night school. Wonder if they're taking a course in Shakespeare?

Really: A certain person is going to get out if they don't stop smoking cigars!

Did you know: King and Thompson's store on the corner of 1st and 2nd, is a regular meeting place for a group of Queenstown girls and Kent-Park boys. Maybe they ought to get up a sign, "Queenstown, Meets and Romance."

It seems the Tyler's carrying a tooth for a brown haired outie down Davidson way. The tooth is not, as search and John, you might get bored!

Were glad at this writing that Edna Thomas is much better and her many friends are glad to see her home for a while.

Poor Martin Quincey is sleeping in Jane Chance "Is You Is or Is You Ain't My Baby?" Well Jane?

Why does Dorothy Jones say she doesn't have a beau—yet—her eyes light up every time E. J. goes in sight?

Girls Out—There's those two women around—C. & D. R. & D. W. Parker much out girls, they might puff and puff and then your door door!

It's Bound to
Be a Sure Success
Cooked
With an Electric
Range

experience is not necessary to turn out complete meals with an electric range. Simple instructions give time and temperature and methods of preparation (just in case you need them). All you need do is set the temperature control to proper degree, turn on the switch, pop in the food — and wait the cooking time on the automatic clock. Meal cooks without further attention — no open pecking — no concern — until you're ready to sit down to a piping-hot dinner, cooked to a turn.

New electric ranges are now on display at most electrical dealers. Stop in today!
