

Exceedingly Important On the Percentage Basis

The lumber camp business is expected to make considerable changes in its monthly report. Among other things, it was told that all figures would be expressed in terms of percentages.

There had been other complaints concerning the figures served by the camp's work, and finally the lumber camp business was dispatched to take its place.

The real reason's report to headquarters read in part as follows: "There has been an important development of camp. Last week I put out of the camp more than 100 per cent of the work."

"I WAS A VICTIM OF CONSTIPATION!"

"Found Relief in Famous
Breakfast Food,"
User Writes

After years of constipation I found this wonderful relief!

I was a victim of constipation for many years. I tried many different remedies, but nothing seemed to help. I was very nervous and my health was suffering. I had heard of Kellogg's Corn Flakes and decided to try them. I was very skeptical at first, but after a few days I began to feel better. I was able to eat more food and I was no longer nervous. I was a victim of constipation, but now I am healthy and happy. I can recommend Kellogg's Corn Flakes to anyone who is suffering from constipation.

Yes, you may never need another laxative again, if you are able to get a box of Kellogg's Corn Flakes today. Just eat a dish of Kellogg's Corn Flakes every day, and drink plenty of water. If not satisfied after a few days, send money back to Kellogg's Corn Flakes, and get your money back! Kellogg's Corn Flakes is not a purgative. It's a wholesome food made from the whole grain of wheat. It provides "healthful" food, which helps promote natural laxation. Get Kellogg's Corn Flakes today. It's made by Kellogg's of Battle Creek and Chicago.

Beware Coughs That Hang On

When a cough hangs on, it is a sign of trouble. It may be a sign of a cold, or it may be a sign of a more serious condition. It is important to get it checked out as soon as possible. A doctor can tell you what is wrong and what to do about it. In the meantime, you can try some home remedies. One of the best is Creomulsion. It is a natural product that helps to loosen the mucus in the throat and chest. It also helps to soothe the inflamed tissues. Creomulsion is available in most drug stores.

CAN'T YOU SLEEP?

With the stress of modern living, you may find it difficult to get a good night's sleep. This can lead to many problems, including irritability, fatigue, and a weakened immune system. It is important to find a way to get a good night's sleep. One of the best ways is to use Dr. Miles' Nervine. It is a natural product that helps to relax the mind and body. It also helps to soothe the nerves. Dr. Miles' Nervine is available in most drug stores.

That's why a doctor's work and worry on a patient's well-being, never pay tribute, because of the importance of the Nervine. Dr. Miles' Nervine is a natural product that helps to relax the mind and body. It also helps to soothe the nerves. Dr. Miles' Nervine is available in most drug stores.
