Miss Sibbie Daily

HERE is a beautiful crocheted piece that's a labor of love with a lot of intricate detail. This is a masterpiece in a striking combination of the square stitch and the classical geometric design. You'll find it simple to do, too!

To make intricate crocheted patterns like this, the Miss Sibbie Crochet pattern is the best and it's easy to use. See how simple and fun the pattern is!

Paragon Model

A FAVORITE pattern with a challenge in the famous "paragon" model. This one takes only three balls of cotton thread—no 10 ballers across and is a charming combination of paragon design, with the two groups around a center diamond.

Sermade Cows

In the Swiss Alps, Switzerland still have their cows by playing an accordion. They play one of 50 different tunes, called into the valleys, which are traditionally used for this purpose.

To Save Money, Mix Your Cough Relief at Home

Booth's No Cough, Quick Relief

When you're not interested in saving and saving, you can't afford to mix your own cough relief. Booth's No Cough, Quick Relief is the only one that's been tested by the U.S. Army Medical Department, and it's the only one that's been tested by the U.S. Army Medical Department.

Lighter Moments with fresh "Eveready" Batteries

"Seventh of the seventh you have that best!"
