Rastus Sure Knew What Platform Was Used For!

On a train going from one cotton picking job to another a couple of colored boys were talking politics. Rastus, who wanted to see one of the local Republicans re-elected, was giving his friend, Sam, a red hot sales talk on his candidate.

"Well," Sam agreed after listening for some time, "uh guess he's all right — but uh sho don't like his platform."

"Platfo'm!" snorted Rastus. "Platfo'm! Say, don't you know dat a political platfo'm is jes like a platfo'm on one of dese yere railroad cabs—hit ain't meant to stand on, hit's jes meant to git in on."

TRUE TO A GREAT HERITAGE

LESSON TEXT: Deuteronomy 4:1 [illegible]
MEMORY SELECTION: [illegible]

A goodly heritage is the gift of God to his people. By faith they must enter into it and possess it. Thus they honor him who has provided, and they witness to all the earth that he is a good God and a loving heavenly Father. It magnifies his name to believe on his word and to act on his promises.

Israel, having failed God and plunged themselves into years of wandering by their unbelief when they had come up to the Promised Land, were now ready to go over Jordan and take the land.

A new generation had grown up, and for their instruction Moses rehearsed the history of the people, repeated the promises of God, and renewed their remembrance of his law. The book of Deuteronomy gives that "second law" — actually a review of what had been given before.

As they entered upon God's rich heritage for them they were admonished to

I. Hearken to God's Law (v. 1).

To hearken means more than to hear and forget. It carries with it the giving of attention to what is heard with the purpose of doing something about it.

[illegible]

II. Remember God's Law (vv. [illegible]).

[illegible]

III. Depend on God's Promise (vv. [illegible]).

[illegible]

That is as true now as ever. Yes, let's be accurate and say that it is more true than ever, for believers now are indwelt by the Holy Spirit of God who makes real to and through them all the grace and beauty and power of God.

The Washington MERRY-GO-ROUND

FARMERS AND LABORERS

WASHINGTON. — [illegible]

What most people don't realize is that the public is squarely in between two powerful, well-organized pressure groups, [illegible] One is organized labor. The other is the farm organizations, [illegible]

Both groups work against each other in the following manner: When labor raises wages in the cities, this sucks labor away from the farms. [illegible]

At present, the farmer can't increase prices because of OPA. [illegible]

All this operates in a vicious circle. For, the minute food prices go up, labor will come in for more wage increases, based upon the cost of living.

Organized labor, of course, can better take care of itself. [illegible]

Creating a Modern Air in Living Room

HOUSES of glass are realities today and, if you want to give any house a modern air, try to make the windows seem important. One way is to frame them in a group by covering the wall and leaving the glass exposed.
