THE YOUNGER SET

The Younger Set

What about those two freshmen girls not speaking all on account of some boy. Is he that popular?

Mary Skinner is all smiles these days. I finally found out her one and only has been discharged from the army. Now who wouldn't be all smiles?

You don't see Bill Legg around any more. You know Bill and his group of "friends". Have you found a newer hiding place, Bill?

Beard Ted bowling has been particular in the graveyard. Weren't you afraid Ted, or did you think that blonde with you would protect you? What a place to park!

Heard a girl say she wished Mr. Pratt, our new school marker, would come in some of the dances, she'd like to get a look at him. Don't fret, my pet, he's married. Three wolves!

Warning for Betty Thomas, Stevensville, you had better watch Warren, we hear two girls from Grasonville have been going to see him. Better watch him!

Since Harold Legg had those stitches taken in his mouth last week, he's much better, he talks a lot better now as they say.

Violet Tolson, former nurse of Pocomoke Hospital, has been spending part of last week with her parents, Mr. and Mrs. Wilmer Tolson, of Chester. Violet has now returned to the Memorial Hospital at Easton to finish her training. Her many friends wish her all the luck there is.

What's wrong with Miss Keefe's nose. Who you been fighting with Miss?

Betty Thomas from Fisherman's Inn, spent the weekend with some friends in Hagerstown, Md.

It seems Sadie Chronister got disgusted with the girls down here as he went to Baltimore. Do you like the Baltimore girls best, Sadie?

Hear Johnny Gurney's in Missouri. Kids, wonder if Johnny likes the climate down there? If I know Johnny, he'll not waste time talking about the weather. They tell it around he can go out every nite. Nice Army life if you can get it. What do you do on your nights off, Johnny? he goes to town, Ethel.

Hear Speckled Trader is off the wagon. Who are you trying to kid, Speckled?

Who was that unseen person who was suppose to be outside the armistice Friday night. Hear they were suppose to be taking notes on events happening around school. Honest, it wasn't us, because we weren't at the dance even though we had reporters there.

Buddy Coleman better watch his step next time or watch those steps! Whose fault was it, Buddy, yours or the steps?

Would like to know what John Ford does when he goes to Salisbury on Sunday and comes back Thursday. Also why are you talking about going to Florida?

Honest, Kids, from all the complaints I'd think you'd talk Mr. J. F. Herrera into loving you do something different. Does the usual school dances. You can tell J. Ford his school dances are Bugs they need something to stir them up a little. They die before they ever get started.

Heard a certain girl from Grasonville was looking for Faye Johnson. Where were you, Faye?

It seems Donald Wyatt got all dressed up the other night. He looked simply dressy, if you know what I mean, and guess what he did—send bowling with Billy Schaible—! What a life. They can keep it too!

Question for three boys—Joe Hines, Roland Taylor, William Smith —who were you looking for Sunday night?

Jake Chance, Marion and Charlie Quimby and Annabell Gurney—where were you—Bet I know! It seems they weren't alone long for Elwood Thompson, Mildred Nash, Frances Holden and Carville Tolson joined them later on! I was telling you couldn't find me. Ha!! Ha!

Hear Marvin Thompson got himself blotted Friday. That's nice. His bride was the former Betty Baker of Queenstown.

Billy Bush never gives up. What's the matter, Billy, won't she give you a break?

Who was Billy Legg with Sunday night. Better no let a certain fellow from Dundalk know about it. I wouldn't dream of telling—ah no—no!

Where was Jean Sunday night. Did she go out with someone else?

That all now kids'

Maryland Oysters Free of iDsease

Maryland's oyster beds "are hopefully free" from the protozoan parasite, Dr. Reginald T. Truitt, director of the Chesapeake Bay Biological Laboratory, said yesterday.

The parasite doesn't seem to interfere with oysters in the colder waters of the bay, like it does in the Southern states he said.

He emphasized that while the parasite causes mortalities among oysters it in no way interferes with the oysters for human consumption.

Bald Eagle Safe Within Maryland

From now on, the bald eagle, national emblem of the United States is safe in Maryland. The State Game and Inland Fish Commission had adopted a regulation making it unlawful to kill or catch this symbol of democracy. The penalty is $10 to $50 fine or 30 days in jail or both.

The State's act is in line with the national campaign conducted by the Department of Interior to preserve the few remaining eagles in the country.

The Baltimore Orioles led by their manager, Tommy Thomas, greased to Florida on Sunday to start their spring training. Jim McLeod and Jack Dunn, III, manager and business manager for their Centreville farm accompanied them. They expect to return to Maryland around the 20th of April. Tommy Thomas stated last week that he had most of his players picked out for the Centreville club. He said that the majority of them would be young and from somewhere in Maryland. Work started Wednesday on the Centreville ball park. A section of the grand stand has to be rebuilt and the lighting system also needs some repairs.

The Centreville Highschool team has defeated Chestertown on Friday night by large scores. Massey was high scorer for the boys with Gibson doing some fine playing, both offensively and defensively. This club will play the Cambridge High in Cambridge on Friday night. If they work against Cambridge as they did against Chestertown, they will come out on the long end of the score.

The County Legion Team spent an idle week. It has a game pending with Easton tonight. The unfortunate is caused by Easton's tournament match with Vienna. If they are defeated by Vienna, they'll be meeting the County legion team on the Centreville Armory tonight. The Legion Team will probably play the Cambridge Trio at home and return game next week. The series between the Legion Team and the Centreville High quintet is still pending.

Mrs. Dave Pribik is really doing a swell job with her Wednesday night badminton sessions at the Centreville Armory. She really has some fine material there and next winter could very easily produce some champions for Queen Anne's County.

Well, Bill Nicholson has signed with the Chicago Cubs and is on his way to their training camp at Catalina Island in California. Bill agreed to the terms of the third contract sent him by the Cubs. Bill now weighs 205, his best playing weight.
