Valuable Farms for sale.

WHEREAS the subscriber intends leaving this state, offers for sale the following LANDS, lying and being in Dorchester county, in the state of Maryland.

No. 1—*That valuable Farm* where J Summers now lives, on the head of Little Choptank River, about six miles from the town of Cambridge, and one mile from Great Choptank River, containing about 200 acres of land; for quality and convenience equal to any in the county,—good water, and good for fish and oysters in their seasons.

No. 2—*That valuable Farm* where the subscriber now lives, on Great Choptank River, open to the Chesapeake bay, about eight miles from Cambridge, containing about 600 acres of land. The whole will be sold together, or in parcels, as may best suit the purchaser or purchasers, being a sufficient quantity of timber for two or three farms. This farm is remarkably good for fishing and fowling, in good repair, and a good apple orchard.

No. 3—*Also, sundry Lots* adjoining the said farm, lying on Little Choptank and Great Choptank Rivers, beautifully situated for mechanics, containing from three to five acres of land in each lot. The subscriber deems it unnecessary to say any thing more about the improvements on either of the farms, as it is presumed that those who wish to purchase will first view the premises. A generous credit will be given, and liberty to seed wheat next fall. For further particulars apply to the subscriber, living on one of the said farms.

For Rent.

THE subscriber will rent for the ensuing year, the FARM on which he resides, now in a high state of cultivation, divided into six fertile fields—The situation, improvements, &c. would render it a desirable acquisition to an industrious man; to such an one he would have no objection to give a lease. 1200 *Acres of Land for sale.*

THE subscriber offers for sale the above quantity of Land, which lays in a compact body in the upper part of Caroline and Queen Ann's counties. About 500 acres are cleared, well ditched and drained, and under good fence, cultivated in a farm. The canal cut by act of assembly for ditching and draining the Long Marsh, passes through a considerable part of the above land, and gives sufficient fall for draining about 400 acres of low grounds, well adapted to produce Timothy grass of the best quality. The roads from Centreville to Dover and from Greensborough to the Head of Chester, intersect each other nearly at right angles about the middle of this farm—on which are orchards containing about 1000 apple trees of the choicest fruits, from which more than 800 gallons of brandy have been distilled in one year. The soil is well adapted to the culture of corn, wheat, rye, clover, timothy, grass, &c. This farm lies about 12 miles from Smyrna, 17 from Centreville, Chestertown, Dover and Cambden, and 12 miles from Greensborough, Head of Chester and Church Hill. It will be sold together, or divided to suit purchasers. It can be laid off in three parcels, one containing 300, one 400, and one 500 acres; so as to give to each about an equal part of the cleared land, and bounded by two of the above public roads, terminating at the cross roads.

For further particulars, enquire of col. Richard Keene, who lives on the premises, or the subscriber in Talbot county, near Easton.
