### Charter Election.

Our city municipal election on Tuesday was hard fought and spirited. The advocates of those favoring the bond issue and those opposing the adoption left no stone unturned to bring out the voters and get an expression from the majority and how well they succeeded is shown by the unprecidented vote, 134 being cast, the largest in the history of our city. The vote on the bond issue was, For bond issue 45, Against 87. For Commissioners B. Kennedy Abell received 100, Dr. Louis E. Payne 81. J. P. Greenwell 46, L. F. Abell 39, I. S. Johnson 1. Messrs. ### To Elect Women to Membership.

At a meeting of the St Mary's Reading Room and Debating Society, held in the office of the Clerk of the Circuit Court on Wednesday evening last, Miss Carleton, of the Public Library Commission of Maryland, suggested that a number of Ladies of the town and county desired to become members. The Society accepted the suggestion and adopted the following resolution amending Sec. 24 of the By-Laws of the Society: "That women of this County shall be entitled to become members of the Society and as such have all privilges of full membership upon election thereto by a vote of two thirds of the members present at the meeting at which her, or other names may be presented; and by the payment of such tax or dues as may be prescribed by the By-Laws of the Society."

We believe that this action by the Society will go a long way toward reviving the Library and putting in circulation good reading, The Library is to be turned over to a committee and used as a meeting place for the ladies. The meeting also authorized the putting on of a new roof to the building.

The bill states among other things that he being seized and possessed of said real estate, departed this life on or about the 2nd day of March 1915, intestate, leaving surviving him his widow, Nannie Wise, a resident of St. Mary's County, Maryland, who is of full age and entitled to her dower interest therein and the following children to whom said real estate descended and who are severally, entitled to interests therein as such children and decendents.

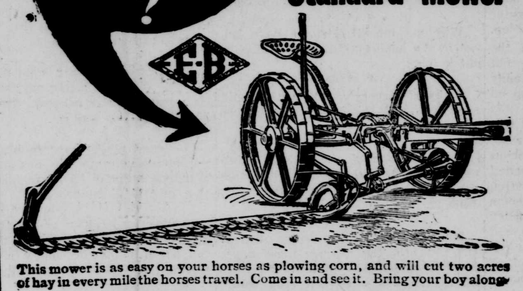
How Would You Like to Save Half the Work Time and Cost of Mowing?

HERE is the *only successful* wide-cut mower. It saves 50% of your mowing cost by cutting twice as much in the same time. Compensating lever and spring carries the cutter bar on the drive wheels instead of dragging it on the ground. This increases traction, does away with side draft and weight on horses' necks—greatly lengthens life of machine.

**E-B Standard Mower**



This mower is as easy on your horses as plowing corn, and will cut two acres of hay in every mile the horses travel. Come in and see it. Bring your boy along.
