Thanksgiving Dance.

There will be a dance in the Town Hall, Prince Frederick, on Thanksgiving night, November 25th, from 10.30 to 2., for the benefit of St. Paul's Parish House, Prince Frederick. Music will be furnished by "The Ramblers," the same orchestra which played at Seaside Park the past summer, and admission will be 75 cents per person. Mrs. Thomas H. Williams is chairman of the committee making arrangements for the dance and she is being assisted by several members of the Prince Frederick Cotillion Club. A number of out-of-county visitors are expected for the affair, and much interest is being shown in the county. The public is cordially invited to attend.

Death of Mr. George Johnson.

Mr. George Johnson, of Solomon's, died about 6 o'clock on Saturday evening last at the Calvert County Hospital as the result of a fall at his home Wednesday of last week, when he fractured his right hip. Mr. Johnson was the husband of Mrs. Anna C. Johnson, and was in his 87th year. He was a well known and much respected citizen of Solomon's, and at one time was successfully engaged in the mercantile busines there. He was a member of the Solomon's Lodge A. F. & A. Masons. He is survived by his widow.

The funeral was held on Wednesday morning at 11 o'clock at Solomon's Methodist Episcopal Church, and was in charge of the Solomon's Masonic Lodge.

Red Cross Meeting.

The local chapter of the American Red Cross held its regular monthly meeting at the Calvert County Hospital on Tuesday, November 2nd. Plans were made for the annual Red Cross membership roll call drive, which will take place from November 11th to November 25th.

Mrs. Arthur R. King, chairman of the roll call, is distributing material throughout the county. Calvert county ranked seventeenth among the counties of Maryland in last year's roll call. The co-operation of all citizens of the county is urged in an effort to improve its standing during the current membership drive.

The Red Cross makes but one appeal during the year for funds to carry on its regular work of preserving life and insuring good health to those in need, regardless of race or creed. Funds raised for disaster relief are used only for that purpose. Shall we not take advantage of the opportunity of participating in the many and far-flung Red Cross services?

Admiral Carey T. Grayson says: "For the contributor and the nation, it is not the money alone that counts. It is the spirit of the membership, the voluntary consecration of part of one's heart to service for the rest of mankind."
