## Still Coughing?

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

In managing a home . . . guarding limited family income . . . we've simply got to do better than Mary did. We ust sharpen our buying wits . . . ascertain where the dollars of extra value rk . . . take five dollars to town and get much more for the money spent. Fortunately, there are ever-willing guides right at hand—*the advertise-ents in this newspaper*. Advertised merchandise is often exceptional lue merchandise. It makes dollars S-T-R-E-T-C-H.
