

Often "acid indigestion" is distressing to you — and offensive to others. But now there is no excuse for being guilty.

You simply carry your *alkalizer* with you — and use it at the first sign of "upset" stomach. Simply take two tiny tablets of Phillips' Milk of Magnesia when out with others. Or — if at home — you can take two teaspoons of liquid Phillips'. Both act the same way.

Relief is usually a matter of seconds. "Gas," nausea, "heartburn," acid breath — all respond quickly. Just make sure you ask for "Phillips."

Priceless Justice

Justice is such a fine thing that one cannot buy it too dearly.

HOW OFTEN CAN YOU KISS AND MAKE UP?

FEW husbands can understand why a wife should turn from a pleasant companion into a shrew for one whole week in every month.

You can say "I'm sorry" and kiss and make up easier before marriage than after. If you're wise and if you want to hold your husband, you won't be a three-quarter wife.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three ordeals of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."

Don't be a three-quarter wife; take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through."

MAGIC CARPET

It doesn't matter what you're thinking of buying—a bar-pin or a baby grand, a new suit for Junior or a set of dining-room furniture—the best place to start your shopping tour is in an easy-chair, with an open newspaper.

The turn of a page will carry you as swiftly as the magic carpet of the Arabian Nights, from one end of the shopping district to the other. You can rely on modern advertising as a guide to good values, you can compare prices and styles, fabrics and finishes, just as though you were standing in a store.

Make a habit of reading the advertisements in this paper every week. They can save you time, energy and money.
