APRIL 9, 1936

The following excerpts from two copy, ty papers, one each from the extreme Eastern and Western sections of the State, indicate that support for the candidacy of Lansdale G. Sasscer for nomination as Governor will not be confined to Southern Maryland. His valuable services in the Maryland Senate, in which he was one of the outstanding leaders, has given him state wide recognition and influence. He is the first Southern Maryland candidate for the office in many years, and this section of the State will doubtless give him the support he richly deserves.

Excerpts:

Following a recent visit to Worcester county, where Senator Sasscer was a dinner guest at the Pocomoke Rotary Club, and also spoke at the Court House at a meeting of the Worcester County Fish and Game Associations, the Worcester Democrat paid high tribute to the Senator's record in the General Assembly, and commented favorably upon his "capacity for leadership," and stated that Senator Sasscer made a very favorable impression" during his visit.

The Cumberland Guide in last week's issue says:

"Many 'Sasscer for Governor' clubs have been organized in Allegany county. If these clubs continue to form with the enthusiasm and rapidity as they are now being organized, it is predicted that within the next two months there will be a Sasscer club in every town in the county."

Word has been received that Mr. and Mrs J. C. Webster, who have been spending the winter in Florida, will return to Solomon's at Easter.

Dr. and Mrs. R. V. Truitt and children, of the University of Maryland, visited Mr. and Mrs. T. Vaughn Thomas last Saturday. Dr. Truitt was here superintending some work at the Chesapeake Biological Laboratory, of which he is director.

Calvert Home to be Open During Garden Pilgrimage Week.

The oldest and most historic home in Calvert is "Charlesgift," or "Preston on the Patuxent," owned by Hulbert Footner, the well known novelist.

The place is a part of the original grant given to Richard Preston. The brick house, built in 1650, is located on the shore of the broad Patuxent river and is surrounded by an evergreen hedge, large weeping willows and lovely old fashioned flower beds.

The main room in the house is 43 feet long, spreading across the entire front of the house, with an immense fireplace at each end. This room has a charm and atmosphere of everything old. It was here the sessions of the House of Burgesses were held, after Cromwell became Lord Proctor of England, and records were removed from St. Mary's City to Charlesgift. The original seal of Maryland was supposed to be lost at Charlesgift, and has never been found.

A card party for the benefit of the Prince Frederick elementary school will be held at the school on Saturday, April 23rd.

Calvert Post No. 85, American Legion, will holds its card party in the Calvert County High School on Monday evening, May 4th.

The 11th annual card party for the benefit of the North Beach Volunteer Fire Department will be held at North Beach on April 30th.

The Lacies' Aid Society of Miranda M. E. Church will hold a supper in Huntington Hall on Saturday evening, April 25. Supper will consist of chicken salad, roast beef, gravy, potatoes, peas, rolls, butter and coffee. Price 35 cents. Public cordially invited.

SWEET POTATOES

POTASH *and* PROFIT
go hand in hand

USE fertilizers "high" in potash if you want large yields of good quality sweet potatoes which will return "high" profit. Potash is the plant food which not only increases the set, but rounds out the tubers into chunky and more uniform shapes that bring premium prices on consumer markets . . . Successful growers have found that analyses such as 2-8-10, 3-8-15, 3-3-15, and 4-4-20, applied in amounts to supply at least 150 lbs. of potash per acre, will give high yields and good quality. Application should be made about 10 days after planting . . . Consult your county agent or experiment station for the right fertilizer for your own farm. See your fertilizer dealer or manufacturer regarding high-potash fertilizers. You will be surprised how little extra it costs to apply enough potash to insure profits.

Write us for further information and literature on how to fertilize your crops.
