DIED.

BREEDEN.—On June 5, 1938, MARY A. (nee Chase,) beloved wife of Frank A. Breeden. Funeral from her home, 604 Claremont avenue, on Wednesday last at 1.15 p. m. Services at First Nazarene church at 2 p. m. Interment in Loudon Park Cemetery.

YOE—On June 8, 1938, ADDIE L. (nee Carner,) beloved wife of James L. Yoe. Services on Thursday at 8 p. m. Further services at Asbury Methodist Episcopal Church, Baltimore, on Friday at 2.30 p. m. Interment in adjoining cemetery.

The Calvert County Youth Council at a recent meeting voted to present to the young people of the various churches a proposal to inaugurate a speedball league among the churches, to continue through the summer. All Sunday schools and young people's societies interested in entering a team, whether boys' or girls', or mixed, in such a league are asked to appoint a representative to meet with representatives of other churches at the M. E. Parsonage, Prince Frederick, Monday, June 13, at 8 p. m., to consider the possibilities.

Given under my hand, this 23rd day of April, 1938.

BERNARD JOSEPH CASASSA,
Ancillary Administrator c. t. a.

YES, Superfex saves money, by saving foods from spoilage, and by saving trips to markets, but one of its greatest savings is in making it possible to keep foods in the kitchen where they belong, thus eliminating thousands of tiresome steps daily. Consider the family's health—the joys of a greater variety of more appetizing foods, delicious frozen desserts, refreshing drinks cooled with ice cubes. Can you think of any other convenience that will do as much toward making home life attractive to the whole family? And you'll find Superfex especially advantageous when butchering, keeping dressed poultry, and making and keeping butter and other dairy products, for your own use or for marketing.

Burners Lit Only 2 Hours

Superfex is manufactured by the Perfection Stove Company, maker of the famous Perfection oil cook stoves. The burners of Superfex do 24 hours' work in about two hours and go out automatically. No continuous flame. No moving parts to wear or get out of order.

May we demonstrate this marvelous refrigerator in your kitchen? A postcard or telephone message is all that's required, and there's no obligation.

Order of Publication.

The Commissioners of Chesapeake Beach, a body politic and corporate,

vs.

Rose Ann Myers, J. Leo Kolb and Edward D. Coleman, Trustees

Petitions No. 921

UPON the foregoing petition, it is this 11th day of May, 1938, ordered by the Circuit Court for Calvert county that summons be issued for the defendants named in said petition commanding them and each of them to answer the petition of The Commissioners of Chesapeake Beach within ten days after their appearance, or after the return day to which they are summoned, whichever may sooner occur, and show cause why the easements described in said petition or such defendants' interest therein should not be condemned as prayed in said petition and that a copy of the petition and of this order be served on each of the defendants, and it is further ordered that the said summons shall be returnable on the 31st day of May, 1938; and be it further ordered that the petitioner give notice to Rose Ann Myers, J. Leo Kolb and Edward D. Coleman, Trustees, the non-resident defendants, by causing a copy of this order to be published once a week for three successive weeks in a newspaper published in Calvert county requiring each of such defendants to appear in the Court on or before the 22nd day of June, 1938, and show cause why a perpetual easement to construct, reconstruct and maintain a treated timber bulkhead, earth backfill and such appurtenances and facilities as may be necessary or desirable in connection therewith along the water front of the Chesapeake Bay in front of Lot 14 in Block 15 of Bay Crest as per plat thereof recorded among the Land Records of Calvert county in Liber A. A. H. No. 14, folio 347, said bulkhead to be constructed eastward of the present shore line of the Chesapeake Bay and in such a manner that at least ten feet of space shall intervene between the present fast land and the east side of said bulkhead, and a like easement to construct, maintain and use over a space ten feet wide lying contiguous to and parallel with the east side of said bulkhead and between the same and the present free land a walkway for use by pedestrian traffic to be constructed of gravel, cinders, boards, stone, concrete or similar material, it being the intention of the petitioner that the defendants shall have and retain, subject only to the easement hereinabove expressly provided for, the title to all land made or formed in front of the said land of the defendants by reason of said improvement or otherwise and that their riparian rights shall remain unimpaired by this condemnation, except as they may be affected by the construction of said bulkhead, should not be condemned as prayed in the petition filed in this case, the first insertion of a copy of this order to be not less than thirty days nor more than forty days before the said 22nd day of June, 1938, and be it further ordered that the Sheriff shall set up a copy of the summons in this case upon the property described in the Petition filed in the cause.

WM. MEVERELL LOEER, Judge.
True copy. Test:
ARTHUR A. HARKNESS, Clerk.

INTRODUCING LANSDALE SASSCER, MAN OF ACTION!

Listen to what owners say
[From actual letters by Thrifty "60" owners]

"ITS EASY STARTING, quiet running, and easy riding qualities are very pleasing, and the representation that we would experience mileage in excess of 25 . . . is already a determined fact."

"AFTER 10,000 MILES . . This car to date has not cost me one penny for repairs or replacements . . Mileage has ranged from about 23 per gallon over bad roads to several miles more on good roads."

"MY FORD V-8 "60" SEDAN has been driven approximately 7000 miles, and I have averaged about 25 miles to the gallon. The brakes have not been touched since taking delivery of the car."

"22 to 27 miles per gallon . . ." is only part of their story!

"50 MILES PER HOUR, and I averaged 23 miles per gal . . . have owned several automobiles . . but never used one that for ease of handling and efficiency of brakes . . . would compete with my 60 h.p. Ford."

"WE AVERAGED 25 miles to the gallon . . seats are very comfortable, and the car rode smoothly over rough roads, minimizing fatigue. The quick response of the brakes made us feel unusually safe . . ."

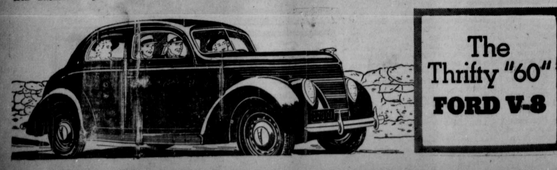

"WHAT I LIKE MOST in my Ford V-8 is the ease of operation, those quick-stopping brakes and excellent gasoline mileage . . better than 25 miles to the gallon . . and that is not ballyhoo—it is a fact!"

DELIVERED IN DETROIT
$644.00 EQUIPMENT INCLUDED
