The applicant must either make oath, as heretofore, before the Clerk of the Circuit Court of the County where he is engaged in business, of the amount of goods kept on hand at the principal season of sale, or the oath may be administered by a Justice of the Peace when the person wanting the License applies through an agent. If the latter course be adopted, the following form will be deemed a sufficient compliance with the act:

Kent County, to Wit:

On this —— day of ——— 1866, before the subscriber, a Justice of the Peace of the State of Maryland in and for said County, personally appeared —— —— and declared that he intends to apply for a trader's license, under the laws of the State, to the Clerk of the Circuit Court for Kent county, and made oath that the amount of the stock of goods generally kept on hand by him (or by the concern in which he is engaged, in case it is a partnership) at the principal season of sale, (or if the applicant has not previously engaged in such trade, that the amount of the stock of goods which he expects to keep, &c.,) does not (or will not) exceed $

"	20000	" "	30000	150 50

Persons applying for Ordinary Licenses, in which spirituous or fermented Liquors or Lager Beer is sold in quantities less than a pint, must make application to the Clerk of the Circuit Court in the County in which they reside, and must also be recommended by two respectable freeholders of the immediate vicinity of the applicant, which may be made in the following form:

To the Clerk of the Circuit Court for Kent County:—We, the undersigned, free-holders of Kent County, living in the immediate vicinity of —— ——, who is about to apply to you for a license to keep an ordinary at ——, in said County, do hereby recommend him as a suitable person to obtain the license.

In addition he shall also make oath to the Clerk of the rate of rent or annual value of the house or place at or in which the business to be authorized by the License may be done or intended to be done. If the said rent or annual value does not exceed $100 the rate is $25 50

Every person or company of circus riders or equestrian performers, who shall exhibit for a reward in any county in this State, shall pay to the Clerk of the Circuit Court for such county, the sum of thirty dollars for a license therefor for one year.

Every person or company who shall exhibit for a reward any animal or animals, or natural or artifical curiosities of any kind, (except models of useful inventions,) shall pay to the said Clerk the sum of fifteen dollars for a License therefor for one year.

Each license shall contain a list of the personal performers, or animals, or other articles or things to be exhibited.

The owner or keeper of every stallion or jack shall, before being permitted to stand or station such animals, pay to the Clerk of the Circuit Court of some one of the counties in this State the highest sum which he intends to ask or receive for the season of one mare; and the receipt of the said clerk, with the seal of his court attached thereto for said sum, shall be the license for stationing or standing such stallion or jack for one year from the date thereof; Provided, that in no case shall the sum directed to be paid by this section for such license be less than ten dollars; and that every stallion or jack upon which the said tax is paid, shall be exempt from all other State tax.

NEW SKIRT FOR 1865-6.

The Great Invention of the Age in

HOOP SKIRTS.

J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC (or double) SPRING SKIRT.

This invention consists of Duplex (or two) Elliptic Pure Rolled Steel Springs, ingeniously braided tightly and firmly together, edge to edge, making the toughest, most flexible, elastic and durable spring ever used. They seldom bend or break, like the single springs, consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress.

A lady having enjoyed the pleasure comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For children, misses and young ladies they are superior to all others.

The Hoops are covered with 3 ply double twisted thread and will wear twice as long as the single yarn covering which is used on all single steel hoop skirts. The three bottom rods on every Skirt are also Double Steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, etc., etc., which they are constantly subject to when in use.

All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most desirable, comfortable and economical skirt ever made.

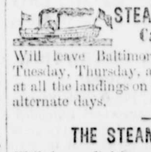

WESTS' BRADLEY & CARY, Proprietors of the invention, and Sole Manufacturers, 97 CHAMBERS, and 79 & 81 READE streets, New York.

For sale in all first-class stores in this city, and throughout the United States and Canada, Havana de Cuba, Mexico, South America, and the West Indies.
