I have Tomato and Egg Plants in Pots, of an extra large size, for early use, at 50 cts. per doz., pots included. They can be set out in the dryest season without retarding their growth in the least, and will ripen *at least* three weeks sooner than those drawn and planted, and can be sent to any distance. I would call especial attention to my Tomato Plants. I procured last season several papers of seed represented to be the genuine Imported Large Red Smooth Tomato Seed. I sowed and planted them separate, and found them to be as represented, and kept them for seed. I gathered them myself, from the earliest and largest they bore, and think them vastly superior to any I have seen.

All orders by mail will be promptly attended to, and the Plants carefully packed so as to keep several days, and delivered at any designated place in Chestertown, or on board of the steamboats.

Every person or company of circus riders or equestrian performers, who shall exhibit for a reward in any county in this State, shall pay to the Clerk of the Circuit Court for such county, the sum of thirty dollars for a license therefor for one year.

Every person or company who shall exhibit for a reward any animal or animals, or natural or artifical curiosities of any kind, (except models of useful inventions,) shall pay to the said Clerk the sum of fifteen dollars for a License therefor for one year.
