ORDER OF PUBLICATION.

William C. Eliason, Administrator with a copy of the Will annexed, of John A. Eliason,
Against
Albert R. Pennington and Elizabeth Pennington, his wife.

On the Equity side of the Circuit Court for ...nt County, May 24th, 1866.

THE object of this suit is to procure a Decree for a sale of certain mortgaged premises in Kent County, Maryland, which were on the fifteenth day of June in the year eighteen hundred and sixty, mortgaged by the defendants to John A. Eliason, since deceased, and of whom complainant is Administrator *cum testamento annexo*.

The Bill states, that on or about the fifteenth day of June in the year eighteen hundred and sixty, the said Albert R. Pennington and Elizabeth Pennington his wife conveyed certain real estate, which is particularly described in the Bill and its accompanying exhibit, unto the said John A. Eliason in his life time by way of mortgage, to secure the payment of the sum of sixteen hundred and twenty-five dollars and twenty-four cents, with interest as therein stated, which was then due and owing from the said Albert R. Pennington to the said John A. Eliason, the said principal debt, on or before the fifteenth day of June in the year eighteen hundred and sixty-one, and the said interest on the fifteenth day of December in the year eighteen hundred and sixty, and fifteenth day of June in the year eighteen hundred and sixty-one. That the said John A. Eliason afterwards died, leaving a last will and testament, and that letters of administration with a copy of the will annexed of the said deceased, had been granted by the Orphans' Court of Kent County, Maryland, to the said William C. Eliason. That the whole of the said principal sum of sixteen hundred and twenty-five dollars and twenty-four cents, remains due and unpaid by the said defendants, and that the interest on the said sum from the fourth day of August in the year eighteen hundred and sixty-three also remains due and unpaid, and that the said Albert R. Pennington and Elizabeth Pennington his wife, reside out of the State of Maryland.

It is therefore adjudged and ordered that the complainant by causing a copy of this order to be inserted in some newspaper published on the Eastern Shore of Maryland, once in each of four successive weeks, before the twenty-eighth day of June next, give notice to the said absent defendants of the object and substance of this Bill, and warn them to appear in this Court in person or by solicitor, on or before the thirtieth day of September next, to answer the premises and show cause, if any they have, why a Decree ought not to pass as prayed.

U. S. INCOME TAX, &C.

NOTICE IS HEREBY GIVEN, that I am now ready to receive Income returns for 1865. The assessment must be closed on

The 20th day of June, 1866.

After that date I shall be compelled to assess from the best information I can obtain and add 25 per cent. to the amount of tax, from which there is no appeal. All persons of lawful age are requested to make a list or return of their Gross Income, and articles liable to tax, without deductions. Farmers will be required to return the amount of grain and all other farm productions sold in 1865, whether raised in that year or previously. The amount unsold and consumed not to be returned. It is expected that every Farmer will prepare his list of sales before calling upon the Assistant Assessor, which must be delivered in person. Returns of Carriages, Plate, Pianos and Gold Watches, must accompany said lists.

All persons doing any business requiring a LICENSE must make application therefor, otherwise they are liable to indictment.

Monthly Returns.

All persons engaged in any business requiring returns to be made monthly, must hand them in by the tenth of each month for the previous month, otherwise the Assistant Assessor will be compelled to make a forced assessment and add the penalty. All manufacturers are required (without previous demand) to give notice to the Assistant Assessor before commencing, or if commenced, before continuing any manufacture, stating their place of business and kind of business, &c., and must make their returns promptly every month, stating the amount of new work and the amount of repairs separately.

☞ All persons interested are requested to give the above notice their immediate attention, thereby avoiding the penalties prescribed by the law, and trouble in the future.

NEW SKIRT FOR 1865-6.

The Great Invention of the Age in

HOOP SKIRTS.

J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC (or double) SPRING SKIRT.

This invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge, making the toughest, most flexible, elastic and durable spring ever used. They seldom bend or break, like the single springs, consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress.

A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For children, misses and young ladies they are superior to all others.

The Hoops are covered with 3 ply double twisted thread and will wear twice as long as the single yarn covering which is used on all single steel hoop skirts. The three bottom rods on every Skirt are also Double Steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, etc., etc., which they are constantly subject to when in use.

All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most desirable, comfortable and economical skirt ever made.

WESTS' BRADLEY & CARY, Proprietors of the Invention, and Sole Manufacturers, 97 CHAMBERS, and 79 & 81 READE streets, New York.

For sale in all first-class stores in this city, and throughout the United States and Canada, Havana de Cuba, Mexico, South America, and the West Indies.

CORN AND OATS

BERGER & BUTZ'S
EXCELSIOR
SUPER PHOSPHATE OF LIME.
AND
BERGER & BUTZ'S
AMMONIATED
SUPER PHOSPHATE OF
Lime.

WE OFFER to the Farmers of Kent and the adjoining counties these well known Fertilizers for the Spring seeding. BERGER BUTZ'S EXCELSIOR SUPER PHOSPHATE OF LIME has for the last five years undergone the most rigid tests upon all crops and has never been excelled. It not only acts immediately upon the crop, but is certain to produce a heavy growth of grass. BERGER & BUTZ'S AMMONIATED SUPER PHOSPHATE OF LIME we guarantee to be a good article.

We give a certificate from one of the most reliable Farmers in New Jersey, showing the effect upon Wheat, Oats and Corn.

Hopewell Township, Cumberland Co., N. J., August 7th, 1860.

MESSRS. BERGER & BUTZ:

I have now used your Super Phosphate of Lime for two seasons. Last Fall I used it upon part of my Wheat, which has turned out as well as where I manured with good barn-yard manure.

This last Spring I put in my oats with it; the oats were sown upon poor ground, still the yield was most excellent, far better than I had any reason to expect.

I also used it upon Corn alongside of another well known Fertilizer. The drought has been very severe this Summer, and the corn is therefore backward, still your Phosphate has done very much better than the other, and does not seem to have suffered so much from the drought. I consider your Super-Phosphate of Lime not only a good manure, but better than any other Fertilizer I ever used.

Yours, respectfully,
ROBERT JONES.

We will say to Farmers and Dealers in Fertilizers, that by the introduction of

NEW AND IMPROVED MACHINERY

into our Factory, our articles will be much better prepared than heretofore,

AND IF IT IS NOT FOUND TO BE IN EVERY WAY EQUAL TO THE ORIGINAL STANDARD, WE WILL NOT DEMAND ONE DOLLAR FOR OUR ARTICLES.
