FARM FOR SALE.

THE undersigned has resolved to dispose of some of his lands, in consequence of advancing years and an intention to remove from the State. He will therefore, on reasonable terms, dispose of the Farm in Kent County, owned by him, viz:

The Moody or Woodland Farm,

WHICH CONTAINS

287 Acres,

adjoins the lands of Mr. B. M. Derringer, Doc. Clarke, and others, and lies within a mile of Galena, and immediately on the public road leading from Galena to Head of Sassafras, and within two miles of Wilson's or Wilmer's Landing on the Sassafras River, and within two and a half miles of George Town. The soil is very good and productive; has been partially limed, and produces Grain and Grasses finely. It is divided into four fields, and is under fair ordinary fencing.

The DWELLING is of BRICK and in good condition; the Granary, 30 by 40 feet, is new, being recently erected; Meat House good. The Stable is in tolerable order, needing some repairs. There are upwards of one hundred Acres of *GOOD WOODLAND*, of various species of trees, Hickory, Oak, &c. The situation is remarkably healthy, and the drinking water is most excellent.

Apply to the subscriber, near Galena, or by letter directed to Post Office at that place.

LATEST FASHIONS DEMAND

J. W. BRADLEY'S Celebrated Patent
DUPLEX ELLIPTIC
(Or Double Spring)

SKIRT.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, Operas, Carriages, Railroad Cars, Church pews, arm chairs, for promenade and house dress, as the Skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the Standard Skirt of the Fashionable World.

To enjoy the following inestimable advantages in Crinoline, viz.: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard IMPOSITION be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz., "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere.

Manufactured by the sole owners of the Patent,
