People's Popular Store

IS a title given to one of our Town Stores. The inquiry is frequently made why such a title. Popular for many reasons. The principal and head clerk are well known throughout Kent County and need no endorsement from our citizens. All transactions and business intercourse with a large circle of people, have given them, for the last eight years, a character for fair dealing that the people appreciate by their support. Merchants too often deal with men thinking it will be the last chance. W. A. VICKERS looks beyond a simple transaction. The trade at the People's Popular Store is increasing, and persons that are not in the habit of dealing, upon examination, find one reason if no more. The largest and most handsome stock of Goods now offered to the citizens of Kent and Queen Anne's. More new Goods received this week. November 24, 1866.

COLLECTOR'S NOTICE.

THIS is the last notice I shall give to the tax payers of the First District, who are in arrears for taxes. In a reasonable time hereafter, I shall proceed to collect all unpaid taxes, by process of law. All persons, interested, are therefore earnestly warned to take notice.

LATEST FASHIONS DEMAND
J. W. BRADLEY'S Celebrated Patent
DUPLEX ELLIPTIC
(Or Double Spring)
SKIRT.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, Operas, Carriages, Railroad Cars, Church pews, arm chairs, for promenade and house dress, as the Skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stairs, &c.

The Duglex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the Standard Skirt of the Fashionable World.

To enjoy the following inestimable advantages in Crinoline, viz.: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard IMPOSITION be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz., "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere.

Manufactured by the sole owners of the Patent,

ARE respectfully referred to the above FERTILIZERS as being prepared in the best manner, thoroughly reliable, and in every way calculated to give universal satisfaction.

They are extensively known, having been used with great success during the past six or seven years.

Read the following opinion of one of the best Chemists of this country:

CHEMICAL LABORATORY,
No. 108 ARCH ST., PHILADELPHIA,
April 10th, 1866.

During the last five years I have been in frequent consultation with Mr. George M. Woodward, Manufacturer of Messrs. *Berger & Butz's* artificial manures, in regard to the preparation of their Super Phosphate of Lime, etc. The materials used in these Fertilizers, are in all cases subjected to my examination and analyses before purchase. Being fully acquainted with their formula and methods of manufacture, I can assure those interested in the purchase and sale of Fertilizers, that their "*Excelsior*" and "*Ammoniated*" Super Phosphate of Lime are of such a character, as must render them of great value to the farmer, and place them amongst the best *Fertilizers* now in the market.

Mears' Infallible
(SUGAR-COATED)
AGUE PILLS
NEVER FAIL!

Mears' Wonderful Ague Pills

are unrivalled for the cure of Chills and Fever. Hundreds of persons who have been afflicted with this distressing complaint for months, after trying Quinine in vain, have been speedily cured by them.

They are warranted not to contain a particle of Quinine, Arsenic, or any other deleterious drug, on the contrary, they are a most excellent tonic and alterative, promoting the appetite, and renovating and strengthening the system. For a torpid liver, or any bilious derangement, they will be found an excellent remedy—gently stimulating the liver to an increased action—thus removing the most troublesome source of this distressing disease.

Those living in districts where Chills and Fever prevail *should never be without these Pills*, and on the *first appearance* of the symptoms, should take a few, and thus ward off an attack.

They may be taken by old or young, and at any time, without the slightest regard to diet or exposure.

BRISTOL, August 1st, 1866.

This is to certify, that I am acquainted with the formula of MEARS' CELEBRATED FEVER AND AGUE PILLS, and I have *used the same very extensively* in my practice, and have never known them to fail when used according to directions; on the contrary, I have *succeeded with them*, in many instances, after TRYING QUININE IN VAIN.

HOME INSTITUTIONS!

WE would respectfully inform our customers, that they are no longer under the necessity of going North or East to lay in their supplies of Stoves and Hollow ware, as they can be accommodated at the

BALTIMORE
Stove House,

from the largest and most varied stock, and on terms as low as any similar establishment in the United States. Our stock comprises in part Cooking and Heating Stoves, Parlor Stoves and Grates, Hot Air Furnaces, Argicultural Boilers, Tin, Sheet Iron and Hollow ware, etc. We call particular attention to our popular Re-improved OLD DOMINION, for wood or coal, which we are selling this season at reduced rates; also, our GEM AND GAS BURNER FIRE PLACE STOVES, which for beauty and efficiency are unequalled by any known Stove. A call is respectfully solicited by

COPARTNERSHIP.

BALTIMORE, MARCH 1st, 1865.

THOMAS NORRIS, for TEN years past engaged in the sale of *AGRICULTURAL IMPLEMENTS* and Machines, FIELD and GARDEN SEEDS, etc., respectfully informs his friends and customers, that he has this day associated with him MR. JOEL PUSEY, of Havre de Grace, very favorably known to many of the farmers of Maryland. The business will be continued under the name and style of

NORRIS & PUSEY,

at the old stand, No. 141 PRATT STREET, (near Light.) The senior partner tenders his grateful acknowledgments to his many friends who have so liberally patronized him, and solicits for the new firm a continuation of their favors.

In addition to the old business, the subscribers will be prepared to transact, in an extensive way, the

Lime, Plaster and Cement Business.

Yielding to the solicitations of many friends in the country, they beg to offer their services as

General Commission Merchants

for the sale of GRAIN and all kinds of *Country Produce.*

By a faithful attention to business, they expect to merit a good share of public favor, and ask a continuation of the patronage of old customers, and a fair trial by new ones.

They will continue the sale of *Wood's Prize Mower, Wood's Self-Raking Reaper, Westinghouse's Horse Powers and Threshing Machines, Beckford & Hoffman's Grain and Guano Drills, Van Wickle's Grain Fans*, and many other Implements and Machines, of superior merit.

They assure their customers that they are prepared to furnish any article in their line on as good terms as they can be supplied by any house in Baltimore.

Circulars, Catalogues, etc., giving descriptions, prices, &c., will be furnished on application.

NORRIS & PUSEY,
