J. W. BRADLEY'S Celebrated Patent

DUPLEX ELLIPTIC

(Or Double Spring)

SKIRT.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, Operas, Carriages, Railroad Cars, Church pews, arm chairs, for promenade and house dress, as the Skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the Standard Skirt of the Fashionable World.

To enjoy the following inestimable advantages in Crinoline, viz.: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard IMPOSITION be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz., "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere.

Manufactured by the sole owners of the Patent,

A VALUABLE FARM FOR SALE.

THE undersigned, under a Power of Attorney, will offer at Public Sale, on

Thursday, the 16th of May,

1867, at the *Voshell House*, in Chestertown, at eleven o'clock, A. M.,

ALL THAT FARM,

near Chestertown, formerly the Home Farm of the late Hugh Wallis, deceased, and at present occupied by Mr. Wm. W. Wallis, containing

500 ACRES.

This Land adjoins the Lands of Messrs. A. W. and J. F. Melvin, and is bounded on two sides by Morgan's Creek and Chester River, is on the main road leading from Chestertown to Millington, and about two miles from Chestertown. There are five fields on the Farm, besides a large Lawn in front of the house.

The soil is clay bottom mostly, a portion next the Creek is light and good for gardening. There is a *FINE APPLE ORCHARD* of good fruit, of about 150 Trees, and about

1,000 Peach Trees,

six years old. There are Fifty Acres in WOOD AND TIMBER.

THE DWELLING

is of Brick, four rooms on the first and also on second floor. There is a wing containing breakfast room and Kitchen. Two Tenement Houses. A large good Barn, 50 by 80 feet, with basement for Stabling, and driving way to second floor above Stabling; two 20 feet Cribs on either side of driving way. There is a fine LANDING on the Creek, where vessels lie near the shore in deep water, easy of access.

This Farm would make one of the best Grazing Farms in the County. There are about 40 to 50 Acres of Marsh. Fish and Fowl in their seasons. This property, from its location and advantages, would by a moderate outlay, make one of the pleasantest residences, as well as productive places in the county, and would advantageously divide into two Farms.

Mr. Wm. W. Wallis on the premises, or either of the Messrs. Melvin, adjoining, will take pleasure in shewing the premises to any who may desire to examine them.

TERMS make known at the sale, and will be reasonable.

GEORGE VICKERS, Agent,

Large Early "	50 " " "
Large Smooth Tomato	50 " " "
	or 15 cents for 50.
Tilden Seedling Tomato	35 " " 100.
	or 20 cents for 50.

I have budded fifteen bushels of Sweet Potatoes and will have Plants in season at a reasonable price.

I would call especial attention to my *Tilden Seedling Tomato.* I purchased 200 seed last year of the Messrs. Emory & Co., of Chicago, Ill., to whom Mr. Henry Tilden (the propagator,) sold all the seed he had to dispose of, and for which I paid one cent a piece, and they proved to be the largest and finest I ever saw, and from the earliest I saved the seed of the Plants which I now offer.

Messrs. Evans & Co., of York, Pa., say its earliness, smoothness and handsome appearance, great solidity and superior quality, render it *the most valuable variety now in cultivation,* and a necessity in every garden.

Thos. Meehan, Philadelphia, says: "I have tested them in various ways, satisfying ourselves that they are the best Tomato out."

The *American Agriculturist* says:—"This comparatively new Tomato is held in high estimation by the cultivators about Philadelphia.

N. J Colman, of the *Rural World:* "They are the *largest* and *smoothest* Tomato we ever saw, and their quality even surpassed their appearance."
