Special Notices.

CONSUMPTION CURABLE BY DR. SCHENCK'S MEDICINES.

TO CURE CONSUMPTION, the system must be prepared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleansed and an appetite created for good wholesome food, which, by these medicines will be digested properly, and good healthy blood made; thus building up the constitution. SCHENCK'S MANDRAKE PILLS cleanse the stomach of all bilious or mucous accumulations; and, by using the Sea Weed Tonic in connection, the appetite is restored.

SCHENCK'S PULMONIC SYRUP is nutritious as well as medicinal, and, by using the three remedies, all impurities are expelled from the system, and good, wholesome blood made, which will repel all disease. If patients will take these medicines according to directions, Consumption very frequently in its last stage yields readily to their action. Take the pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not costive they are not required, for sometimes in diarrhœa they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonic Syrup to act on the respiratory organs properly and allay any irritation. Then all that is required to perform a permanent cure is, to prevent taking cold. Exercise about the rooms as much as possible, eat all the richest food—fat meat, game, and, in fact, anything the appetite craves; but be particular and masticate well. [2nd w. ea. mo. 1 yr.

TO COMSUMPTIVES.

The advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered for several years with a severe lung affection, and that dread disease Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a SURE CURE for CONSUMPTION, ASTHAMA, BRONCHITIS, COUGHS, COLDS, and all Throat and Lung Affections. The only object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing. Parties wishing the prescription, FREE, by return mail, will please address REV. EDWARD A. WILSON, Williamsburg, Kings Co., New York.

Notice TO ALL FRUIT GROWERS!

I ADVERTISE in order to let you all know I am still in the market, with one of the largest and best selected stocks of FRUIT TREES of various kinds. Our stock of Peach Trees amounts to about 800,000, comprising 21 of the best Orchard varieties, and am taking orders at extremely low figures and on terms that will enable all who feel desirous of planting to plant. Our Peach Trees are reared from natural pitts, procured from Northampton and Accomac, Va., and Worcester and Somerset Co., Md. We have a block of about 350,000 at Smyrna, Del., unusually good; in size they will compare with any in the country. Our stock of Pears, both Dwarf and Standard, is large, and extra in size. APPLES No. 1—in fact, every thing for sale low that is grown in a first-class Nursery.

I feel exceedingly grateful for past patronage, and hope, by strict attention to the Fruit Growers' interest, to still secure an equal share of patronage. I will pledge myself to be the servant of the Fruit Growers, and do every thing in my power to work to their interest. JOS. C. RASIN, Agent,

Trustee's Sale.

BY Virtue of a Decree of the Circuit Court of Kent County as a Court of Equity, the undersigned, as Trustee, will expose to Public Sale, on

WEDNESDAY,
The 19th day of June, 1867,

at 11 o'clock, A. M., at the Voshell House, in Chestertown, *THE FARM IN WORTON*, in Kent County, commonly known as

GREEN POINT,

formerly the property of Major Samuel G. Kennard, and late the property of John S. Kennard, dec'd., containing about

360 Acres.

This Farm has been limed, is under good Fencing, is divided into seven Fields and two Lows, and there are

Three Tenant Houses on the Premises.

ABOUT 100 ACRES ARE IN WOOD,

mostly on navigable water on Worton Creek. There is also *A WHARF* on the Cree k, and every facility for loading vessels. The soil is good, and grows WHEAT, OATS and GRASS very finely: with suitable cultivation, Corn is also raised in considerable quantities. The location is one of the finest in the County, and the site for a Dwelling is probably unsurpassed. The Banks are high, and a beautiful view of the Bay, of Harford, and the country in the vicinity of the premises is presented to the eye. The elevation of the place is a security to a great extent against sickness—the situation of this property and of the surrounding country is healthy, and the neighborhood is very good. Very little fencing is necessary for the Farm, which adjoins the lands of Messrs. James W. Skirven, Joseph W. Edwards and others. Mr. Edward Plummer, the Tenant, will shew the property to any one who may call to examine it.

The BUILDINGS consist of a *FRAME DWELLING*, quite commodious; Kitchen, Stable, Granary, &c., in fair condition.

THE TERMS OF SALE ARE:

Three hundred dollars on the day of sale or within thirty days thereafter, at the option of the Trustee: one half of the balance of purchase money in two years from the day of sale, and the residue in two equal instalments, in three and four years from the day of sale, with interest from the first day of January next, payable semi-annually: to be secured by the Bond of the purchaser to the Trustee, with security to be approved by him.

J. W. BRADLEY'S Celebrated Patent
DUPLEX ELLIPTIC
(Or Double Spring)
SKIRT.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, Operas, Carriages, Railroad Cars, Church pews, arm chairs, for promenade and house dress, as the Skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the Standard Skirt of the Fashionable World.

To enjoy the following inestimable advantages in Crinoline, viz.: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard IMPOSITION be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz., "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere.

Manufactured by the sole owners of the Patent,
